The President's Message

Member Schools
Georgia High School Association

Your cooperative efforts and splendid support in the past have produced rapid growth and progress in all departments of our association. Our program has been expanded, there has been an increase in the number of schools and pupils taking part, boys and girls are enthusiastic, and the keen competition has produced higher type contests.

We have an excellent growing program and we must keep it growing. We must not let up and we need each of you to help. Every member school, large or small, is a definite part of this great organization and we urge and beg you to lend every possible assistance so that our efforts will be united.

There is a greater need than ever before for our extra curricula activities. More and more, the public, school authorities, and the students recognize that all competition should grow out of, and form a part of our educational and health program. Our way of life calls for some form of recreation and the proper use of leisure time. All schools must, throughout their activities, teach cooperation, democracy, and the highest ideals of living.

We urge each of you to study this bulletin; it is our code of honor. Have your coaches, teachers, and students read and discuss our regulations in order that all will understand our program and its real value to the students.

We are anxious to render the very best service possible to our boys and girls of the state. This we can do if every one will join in and accept the responsibility that is ours. We are very grateful to our various committees for the splendid work they have done to improve our program. To our efficient and energetic secretary, and his splendid staff we say, "Thank you." Visit your state office, we have a good value in the building and it is so well arranged. They want to serve you so call on them.

We want each of you to know that we solicit your loyal cooperation during the year and may each of you have a successful season. This is your association—we can help one another and most of all assist in the development of our boys and girls.

Sincerely,

Jas. F. Woodall, President

From The Secretary's Desk

Summarized below are the major changes that have been made in the regulations of the Georgia High School Association:

a. **USE OF REGISTERED OFFICIALS IN BASKETBALL**—Beginning with the current school year, in all basketball games played by member schools of the GHSA, two officials registered with the GHSA or with the State Association of some other state, are required. All schools are required to use only officials who are properly registered. If a school has any basketball officials in its area, be sure that they meet the requirements by proper registration.

b. **BASKETBALL ELIGIBILITY REPORTS AFTER FEB. 1st**—For the past several years there has been considerable difficulty and expense due to the last minute filing of basketball eligibility reports to qualify players for basketball tournaments. Any supplementary report or any additions made after February 1st must be accompanied by a delayed fee of \$5.00 per list. This will not apply in a case where a pupil has transferred from one school to another within ten days prior to February 1st or after February 1st. In case of such transfer the filing of eligibility report for such pupil will not be subject to a delayed fee provided such filing is done within ten days of date of transfer. Also in any case where the first semester ends after February 1st, additions may be made within ten days of the end of the semester without delayed fee.

c. **AGE LIMIT**—Beginning with the current school year any pupil who becomes 19 years of age on or after May 1st is eligible from the standpoint of age, for the following school year. Prior to this year a pupil became ineligible if the 19th birthday occurred prior to September 1st. This change adds four months to the age limit.

d. **PROFESSIONAL CONTRACTS AND TRYOUTS**—A pupil who signs a professional contract loses his eligibility. Also any pupil who receives expenses to or participates in a professional tryout loses his eligibility.

e. **ONE ACT PLAYS**—For the past two years specific types of plays have been required. This requirement has been eliminated. A school may present any type of play it may see fit, subject to the regulations as listed under the One Act Play section as to time limit, number of characters, and specific plays that may not be used.

f. **CLASSIFICATION**—Effective with the current school year schools are classified for a two-year period. The current classification is based on the adjusted A. D. A. for 1950-51. Any school which has elected to move to a higher classification must remain there until the next classification period.

Class AA is composed of schools with an adjusted ADA of 650 or greater and is organized in regions for all purposes.

Class A is composed of schools with an adjusted ADA from 300 to 650 and is organized in regions for all purposes.

Except for football, Class B is composed of schools with an adjusted ADA from 150 to 300 and is organized on Congressional District basis for all purposes.

Except for football, Class C is composed of schools with an adjusted ADA of less than 150 and is organized on Congressional District basis for all purposes.

Class B football is composed of schools with an adjusted ADA from 200 to 300 and is on a regional basis for football; Class C football is composed of schools with an adjusted ADA less than 200 and is on a regional basis for football. This means that there are a few schools between 150 and 200 who will participate in Class C football but for all other activities will be Class B.

g. **SPRING FOOTBALL**—Effective with the current school year spring football practice has been banned. Spring football practice has been defined as any organized practice under a coach or a teacher except in the regular football season. Football season begins four weeks (28 days) prior to the first scheduled game and ends the Saturday following Thanksgiving Day (4th Thursday in November), except for those schools in the playoffs or for a state championship team which may be approved for a post-season game. For a school in the playoffs the season ends with their last game in the playoffs; for any state championship team which should be approved for a post-season game, the season ends with such post-season game.

h. **TYPING**—In typing there will be one contest for boys and one contest for girls. Each contest will be a straight copy ten-minute test.

i. **SHORTHAND**—The shorthand contest will consist of dictation at the rate of 90 words per minute for a period from ten to fifteen minutes. The contest will be judged on the finished product which will include accuracy in the transcribed material and observance of the International Typing rules in transcription.

j. **ACTIVITIES AND CONTESTS NOT SPONSORED BY THE GHSA**—The regulation in regards to interscholastic contests and interscholastic activities sponsored by agencies other than the GHSA has been placed back in the rules. There has been an increasing demand on the schools to participate in various contests and activities which has resulted both in loss of time from school work and in conflicts with parts of the regular GHSA program. Any interscholastic contests and activities sponsored by agencies other than the GHSA must be sanctioned by the GHSA before member schools may participate in such contests and activities.

k. STATE EXECUTIVE COMMITTEE—Provision has been made for representation on the State Executive Committee of the Class A schools. Each region in Class A is entitled to one member on the State Executive Committee.

l. DEBATES AND ONE ACT PLAYS—The District, Region, and State Debates and One Act Plays have been set as a part of the Fall program. The dates for notification of entry, and for holding the District, Region, and State contests are given in both the calendar of events and in the sections in regards to these events. Attention is called to the fact that notification of intent to enter Debate must be filed in writing.

m. EXCHANGE OF ELIGIBILITY LISTS—The regulation which has required that schools exchange eligibility lists before any contest has been eliminated. It is no longer mandatory that such lists be exchanged.

n. PREVIOUS SEMESTER—During the past year there has been some confusion in regards to the eligibility regulation which requires a pupil to be passing in three unit subjects or their equivalent the previous semester to competition. This regulation means the semester immediately prior to the participation of the pupil. In a case where a pupil has dropped out of school for a semester, even though the pupil passed the last semester in school, such pupil will have to be back in school and passing for a semester before the pupil can be eligible under the previous semester rule. A pupil must be passing in three unit subjects or their equivalent the semester which immediately precedes participation.

o. HARDSHIP COMMITTEE—The Hardship Committee set up last year to handle special cases involving transfer pupils has done an excellent job. The work of this committee has been expanded so this committee has been authorized to set aside the effect of any individual eligibility rule except the 8 semester rule, the age limit, and four years of play, when, in the opinion of this committee, *the rule works an undue hardship upon the pupil.*

This committee meets only three times a year to consider such requests. There are also provisions which define to some extent undue hardship. This information is contained in full in Section 7, Item 6 of the By-Laws. In any case where a school has a pupil for whom special consideration of this committee is to be requested, be sure to study the section of the By-Laws in regards to the operation of this committee.

p. JUNIOR VARSITY OR NON-VARSITY ELIGIBILITY—A number of schools operate Junior Varsity Teams, non-varsity teams—sometimes called "B" squads. Several years ago provision was made that pupils on such teams competing against similar teams, or against the varsity team of another school do not have to meet all of the regular eligibility requirements. Pupils on such non-varsity teams do not have to meet the eligibility requirements of passing

previous semester, the migratory rule, or enrolling within the proper time. They are required to meet all other regulations.

ELIGIBILITY REPORTS—New eligibility forms have been distributed for the use of schools who have completed the transition to a 12-grade program or who are certifying pupils under a 12-grade system. These are much simpler than previous forms. If for any reason your school has not received these new forms please advise the State Office.

Eligibility certification will be on a semester basis and it will not be necessary to certify the same pupil but once during a semester regardless of the sports in which the pupil participates. For example, a school has filed its football report and at the close of football season begins basketball. Any pupils whose names were certified on the first semester report for football will need no further certification for first semester basketball; for the first semester basketball it will be necessary to certify only those pupils who have not been reported for the first semester.

It will, however, be necessary to certify pupils again at the beginning of the second semester. While this may appear to be extra work, in the long run it will be less work for at that time you can list on your second semester report any pupils that you plan to use in second semester basketball, baseball, track, tennis, rifle, swimming, golf, etc., and no further report will be necessary unless it is an additional or supplementary list.

Eligibility reports will consist of the following:

- a. ORIGINAL AND TWO CARBONS of the Eligibility Certificate (Form E-2.)
- b. An individual sheet (Form E-1) for each pupil whose name is being reported by that school for the first time.

A certified copy of the form E-2 is returned to the school for its files. A number of schools have caused themselves unnecessary work by continuing to send individual sheets each time for each pupil on the eligibility list. An individual sheet is required only the first time that a pupil's name appears on a school's report.

Please be sure to send ORIGINAL AND TWO CARBONS of the Eligibility certificate.

The information on the individual sheet is vitally important. This constitutes the record for a pupil and determines to a large extent when such pupil's eligibility ends. Care should be taken in filling out this report. It should be carefully checked for accuracy as to date of birth and as to date of first entrance or enrollment into grade 9.

GIRLS BASKETBALL RULES—During the past several years a number of states have been playing girls basketball under variations as written by the respective state. Conferences during the past two years have been held among these states in an effort to

develop some uniformity in these variations. This has been accomplished. A new scholastic code for Girls Basketball has been developed and will apply this year. The code is based on the boys' rules with variations from these rules. It will be an entirely separate rule book from the boys' rules.

In general the rule of the boys' game will apply with the following exceptions:

- a. Six players to a team, with the forwards of a team restricted to their half of the court and the guards of a team restricted to their half of the court.
- b. Time of quarters will be 7 minutes.
- c. The game is started with a throw-in from the center circle by a forward of the team winning the toss. Thereafter, each quarter is started with a center throw-in alternating between teams.
- d. Following a field goal, the ball is put in play by a throw-in from the center circle by a forward of the non-scoring team.
- e. Free throws may be attempted by forwards only.

Putting the ball in play at the beginning of a quarter and after a field goal by a center throw-in is practically the only major change made from the rules used last year in girls' basketball in Georgia. There are some minor changes to bring in line with boys' rules such as 10-second rule in bringing ball from back court to front court, rule under which it is a violation to return ball to back court after a team in possession has advanced it to front court, rule providing for stopping the clock on jump balls. To compensate for stopping the clock on jump balls, the length of quarters has been shortened to 7 minutes.

Constitution

This organization shall be known as the Georgia High School Association.

ARTICLE II—Object of the Organization

The object of this organization shall be the promotion of education in Georgia from a mental, physical, and moral viewpoint; to promote the study of public speaking, to standardize and encourage athletics, and to promote appreciation for music, homemaking and other cultural arts through District, Region and State Contests.

ARTICLE III—Membership

Sec. 1. Schools Eligible for Membership—The Membership of the Georgia High School Association shall consist only of white schools that are accredited by the Georgia Accrediting Commission.

Sec. 2. Grouping of Membership By Size—The Membership of the Association shall be divided into four groups, as follows:

Class AA. Composed of eligible high schools with an adjusted A. D. A. of 650 or more.

Class A. Composed of eligible high schools with an adjusted A. D. A. from 300 to 650.

Class B. Composed of eligible high schools with an adjusted A. D. A. from 150 to 300.

Class C. Composed of eligible high schools with an adjusted A. D. A. of less than 150.

These membership classifications shall apply for purposes of administration and competition except for Class B and Class C football. Class B football will be composed of eligible high schools with an adjusted A. D. A. from 200 to 300; Class C football will be composed of eligible high schools with an adjusted A. D. A. of less than 200.

Class AA and Class A schools will be grouped by regions for all competition.

Class B and Class C schools will be grouped by Congressional districts for all competition except football. Football for Class B and Class C schools will be by regions.

Sec. 3. GROUPING—HOW DETERMINED—The classification of schools into various groups shall be based on the Average Daily Attendance (A. D. A.) secured from the State Department of Education of July 1st annual report. The A. D. A. report at the classification period shall be used as a basis to determine the classification of a school for a two-year period. In case of a consolidation at a classification period the A. D. A. of the schools consolidated shall be combined to determine the classification. The adjusted A. D. A. shall be calculated as follows:

- a. The four-year high school shall be used as a base and for a three-year high school $\frac{1}{3}$ shall be added to the A. D. A. to determine classification figure.
- b. The double sex school (co-ed) shall be used as a base, and for a single sex school the A. D. A. shall be doubled to determine classification figure.

(NOTE: Classification for the school years 1952-53 and 1953-54 is based on the A.D.A. reports for the school year 1950-51. The next reclassification will be based on the reports for the school year 1952-53 and will become effective in the school year 1954-55.)

Sec. 4. GROUPING OF MEMBERSHIP BY DISTRICTS AND REGIONS—All Class AA (District-at-Large) and all Class A schools

shall be members of the Region organization in which they are located. All Class B and Class C schools shall be members of the District organization in the Congressional District in which they are located.

Sec. 5. COLLEGES—Junior Colleges and preparatory departments of colleges are ineligible for membership in this Association.

Sec. 6. JUNIOR HIGH SCHOOLS—Junior High Schools are ineligible for membership in this Association.

Sec. 7. TRANSFERS FROM A DISTRICT—Any eligible school which is located near the border of a district and because of its location wishes to be transferred to membership in a neighboring district, may do so on consent of the District Committee from both districts and the State Executive Secretary-Treasurer, provided no rules are violated otherwise, and provided that request for transfer of membership is made to the State Office within 30 days after notice of reclassification has been made.

Sec. 8. TRANSFER TO A HIGHER CLASSIFICATION—Any eligible school on application to the State Executive Secretary-Treasurer may be permitted to move from a lower to a higher classification but a school will not be permitted to change from the classification as set by its classification figures to a lower classification. Any school which moves from a lower to a higher classification by application must remain in the higher classification until schools are reclassified on a state wide basis. Request for transfer to a higher classification must be made to the State Office within 30 days after notice of reclassification has been made. A school which transfers to a higher classification transfers to that classification for all administration and competition.

Sec. 9. MEMBERSHIP IN ANOTHER ASSOCIATION—A school is ineligible for membership in the Georgia High School Association if it is or becomes a member of any association whose Constitution and/or By-Laws conflict with those of the Georgia High School Association.

ARTICLE IV—How Governed

Sec. 1. STATE OFFICERS—The State Officers of this Association shall consist of a President, a Vice-President, and an Executive Secretary-Treasurer. The officers and the Director of State School Supervision shall be ex-officio members of the State Executive Committee and shall have the right to vote on all matters pertaining to the operation of the Association. These with the members elected from the Congressional Districts by the Class B and Class C schools and with the members elected from the Regions by the Class AA and the Class A schools shall constitute the State Executive Committee.

Sec. 2. BOARD OF TRUSTEES—Said Georgia High School Association shall have a Board of Trustees (three in number) consisting of the three persons holding the following State offices of said Association to wit: President, Vice-President, and Executive Secretary-Treasurer, and their respective successors in office. Said Board of Trustees shall receive and hold title to all real and personal property of said Association, in trust for the benefit of said Association and shall have general custody and administration of such property with power and authority to lease, sell and convey said property of said Association; provided, however, said Board of Trustees shall not sell or convey any real property so held by them in trust for said Association without first being authorized to do so by a majority vote of the State Executive Committee of said Association at a meeting duly called for such purpose.

Sec. 3. STATE APPEAL BOARD—The State Appeal Board shall be composed of five members elected by the State Executive Committee. The members of this Board shall be selected from the various classifications of schools with each classification being represented. The term of each member of the State Appeal Board shall be for three years and terms shall be so staggered that not more than two members' terms will expire in the same year.

Sec. 4. DISTRICT AND REGION OFFICERS.

(a) Each Congressional District shall elect a President, a Vice-President, a Secretary-Treasurer, and three other committeemen who shall be from Class B and Class C in proportion to the number of member schools from each class. No two shall be from the same school, and any person so elected shall be connected with a member school in an administrative or instructional capacity. These officers shall compose the Executive Committee in their district.

(b) Each Class A Region shall elect a President, a Secretary-Treasurer, and from one to three other committeemen. No two shall be from the same school, and any person so elected shall be connected with a member school in an administrative or instructional capacity. These officers shall compose the Executive Committee in their region.

(c) Class AA (District-at-Large) shall elect a President and a Vice-President. These together with the Chairman elected by each region shall compose the Executive Committee for Class AA. No two shall be from the same school, and any person so elected shall be connected with a member school in an administrative or instructional capacity. This committee may designate one member from their committee to act as recording secretary and treasurer. The State Executive Secretary-Treasurer shall act as Secretary for Class AA.

Sec. 5. DUTIES OF OFFICERS—The duties of the various officers and committees shall be those usually devolving upon such officers and committees. It is specifically the duty of the State Executive Committee, the District Executive Committee, and the Region Executive Committee to seek at all times to educate the school officials under their jurisdiction concerning the Constitution and By-Laws of this Association and at the same time to check vigorously any practice or violation of the rules by exercising the full penalty for such violations if it seems necessary.

Sec. 6. ELECTION OF OFFICERS

(a) A President and a Vice-President shall be elected as State Association officers at the annual meeting of the Georgia High School Association each year. Any person so elected shall be connected with a member school in an administrative or instructional capacity. In any case where a new president is elected, the retiring president, if eligible to serve, shall be elected Vice-President. The election and term of office of the Executive Secretary-Treasurer shall be for a term of one to five years in the discretion of the State Executive Committee, and the President and the Vice-President shall be authorized to execute a contract in the name of and for the Georgia High School Association. Only members of the State Executive Committee shall be entitled to vote in elections. Should the President at any time become disqualified by death, resignation, or otherwise, the Vice-President shall assume the office immediately and shall act as President until the next annual election.

It shall be the duty of the State Executive Committee to approve any charitable organization or to designate the educational purpose for any authorized game and/or contest. Partici-

pation of any pupil in any unauthorized game and/or contest shall render that pupil ineligible for all further participation.

In any case where an application for sanction of a "post-season" and/or "bowl" football game is approved, only the state championship team in its respective class will be permitted to participate in such a game.

In any case where an application for sanction of a "post-season" and/or "bowl" football game is approved, if any team participating in such game is not from the State of Georgia, clearance for the participation of the non-Georgia team must be made through the State Executive Secretary-Treasurer and in accordance with the regulations of the National Federation of State High School Athletic Associations.

- Item (3) **CERTIFICATION OF ATHLETIC OFFICIALS**—A definite plan for the certification of athletic officials shall be set up by the Georgia High School Association. The State Executive Secretary-Treasurer is instructed to continue the development of the plan, and is given full authorization to proceed with the operation of the plan.

A school which after investigation is adjudged guilty of violating the rules of the Association shall pay the costs incident to such investigation; such cost to be in addition

to fines or penalties assessed. Failure to pay the cost shall result in suspension or in lengthening the period of suspension.

The Executive Secretary-Treasurer is authorized to make such investigation as may be necessary and to judge whether or not a school has violated an eligibility rule. If a school is adjudged guilty, the Executive Secretary-Treasurer is authorized to direct the penalty or penalties. Any school adjudged guilty may appeal in the manner prescribed in Article IV, Section 7 of the Constitution.

A school adjudged guilty must accept the ruling of the Executive Secretary-Treasurer and pay any fine imposed or take an appeal within ten days of the ruling.

- Item (5) **SCHOOL PASSES**—The State Executive Secretary-Treasurer shall issue to each member school a state pass for the Superintendent, Principal, and Athletic Coaches of the school as listed on the information sheet sent in by the school. The name of the person to whom the pass is issued shall be written on the pass. The pass will admit the person named and one other to any high school game or contest in the State of Georgia. (NOTE: These school passes are for the use of school personnel only and are void if presented by any person other than the one named on the pass.)

- Item (6) **HARDSHIP COMMITTEE**—The Hardship Committee shall be appointed by the State President from the membership of the State Executive Committee, one member coming from each class of schools with staggered terms. (For the year 1952-53 each member is appointed for a one-year term, school year 1952-53; thereafter the appointees shall be on a staggered basis as set by the State Executive Committee.)

Except for the eligibility rules in regards to age, normal semesters and four years of play, the Hardship Committee shall have the authority to set aside the effect of any eligibility rule upon an individual student when in its opinion the rule works an undue hardship upon that student, provided such action shall be the result of the following procedure:

1. The Hardship Committee shall meet three times a year to consider requests to have a rule or rules set aside for the benefit of individual students and shall consider such requests at the three meetings held for that purpose, but not at any other meetings of the committee. The date and place of the three meetings shall be set by the Executive Secretary-Treasurer, which dates shall be

as soon after September 20, November 15, and January 25 as practical. The Principals of all member schools who have filed requests to have the effect of rules set aside for the individual students shall be notified by registered mail of the time and the place of the next meeting at which such requests will be considered not less than five days before such meeting. (Exception: a school which files a request after date of meeting has been set, and such filing is less than five days prior to such meeting.)

2. A request will be considered at the first meeting only if complete information concerning the case is filed with the Executive Secretary-Treasurer on or before September 20th, and at the second meeting only if the information is filed on or before November 15th, and at the third meeting only if the information is filed on or before January 25th, unless the circumstances upon which the request is based developed between September 20th, November 15th, or January 25th and the date set for the next meeting.

3. The conditions which caused the student to fail to meet the eligibility requirements must have been beyond the control of the school, the pupil, and/or his parents, and such that none of them could have reasonably been expected to comply with the rule the violation of which is involved. Ignorance of the rule on the part of any or all of them shall not be considered sufficient cause for setting aside its effects.

Football

Sec. 6.

Item (1) Schools shall be classified into four groups for football purposes.

The classification of schools will be obtained as follows:

- a. The four-year high school will be used as a base, and for a three-year high school one-third of the A. D. A. will be added to secure the classification figure.
- b. The co-educational school will be used as a base, and for a single sex school the A. D. A. will be doubled to secure the classification.
- c. The classification of a school will be determined by the following scale:

Class AA—650 and up

Class A—300 to 650

Class B—200 to 300

Class C—under 200

- Item (2) Classification shall be for a period of two years. Classification for the school years 1952-53 and 1953-54 is based on the A. D. A. figures for the school year 1950-51. Re-classification will be based on the A. D. A. figures for 1952-53. Schools will be notified of their classification by October 1, 1953. Any requests to move into a higher classification will have to be filed by October 30, 1953. A school on application to the State Executive Secretary-Treasurer may be permitted to move from a lower to a higher classification but a school will not be permitted to change from the classification as set by its classification figure to a lower classification. Any school which moves from a lower to a higher classification by application must remain in the higher classification until schools are reclassified on a state wide basis.
- Item (3) The State will be divided into a maximum of four regions in each class. Region lines will not be the same for all classes. A region composed of a large number of schools may be divided into sub-regions.
- Item (4) Whether a region is to be sub-divided or not is a matter to be determined by the region concerned. In any case where a region is sub-divided the number of schools in one of the sub-regions may not be more than 2 greater than the number of schools in the other sub-region.
- Item (5) The Region Committee for each classification shall be composed of one member of each school in said region.
- Item (6) The Region Committee shall determine the champion of each region. Each region will determine its own champion in its class, and this champion will have to be determined by the Saturday following Thanksgiving Day. (4th Thursday.)

Item (7) The Championship in each region in its classification will be determined by the region committee on the following basis:

- a. By percentage standing, counting the regional or designated games, and in case of a tie between two teams, a playoff shall be held.
- b. In case of a tie among more than two teams, the percentage standing counting all games with schools of the same classification shall be used to determine the regional winner.
- c. If after the application of the above paragraph b two or more teams remained tied, a playoff shall be held.

(NOTE: In calculating the percentage standing the games won shall be divided by the games played with any tie game counting as one-half game won.)

Item (8) To qualify for championship of a region or sub-region a team must play a minimum number of games with teams in its region and classification as follows:

- c. In any case where a school does not play a regional or sub-regional schedule to qualify for championship consideration, any games played by that school will not count for or against any opponent.
- d. Upon presentation to the State Executive Secretary-Treasurer of evidence to show that a school cannot secure the required number of games in a region or sub-region, the State Executive Secretary-Treasurer may authorize such school to substitute any number of games in any classification or region to qualify for championship consideration, provided that any such request for substitution of game or games shall be submitted to the State Executive Secretary-Treasurer prior to September 1st.
- e. In a case where a school is assigned to a region after the region has been determined (i. e., a school beginning football) any games played with that school will count but in case the region is less than eight teams

it will not increase the minimum number of games for that region until the year following the assignment of the new school.

Item (9) Reclassification for football is provided in Item 2 of this section. Following notice of reclassification each region will call a meeting for scheduling purposes. Such meeting will not be set prior to November 1, 1953, nor later than February 1, 1954. No school in the region may schedule any football game beyond the season of 1953 prior to the regional meeting. Any contract with team outside of the region and classification extending beyond the 1953 season may be voided, if necessary, to complete the regional schedule. (NOTE: All schools are urged to work towards adjusting of contracts so that no two-year contracts will extend beyond the odd calendar season. This will do much toward simplifying the making of regional schedules.)

Item (10) In any case where two teams have played each other more than once during the season, only the first game played shall count in the regional standings. (Exception—a tie among more than two teams.)

Item (11) The State Football Committee shall be composed of one member from each region of each classification and the State Officers of the Georgia High School Association. The member from each region of each classification shall be elected by the schools of the respective region.

The terms of the members of the State Football Committee shall be for two years. The members from the even numbered regions shall be elected in the Spring of the even numbered years and the members from the odd numbered regions shall be elected in the Spring of the odd numbered years.

In case a vacancy occurs in any region for any reason, the region is authorized to fill the unexpired term at the next meeting of the region after the vacancy occurs.

The officers of the State Football Committee will be a Chairman and a Secretary who will be elected from the membership of the State Football Committee by the Committee. The officers so elected shall serve until their terms of office on the committee expire. In case a vacancy occurs in either or both offices, the vacancy shall be filled at the first meeting of the State Football Committee following such vacancy.

The State Officers of the Georgia High School Association shall be ex-officio members of the State Football Committee but with no vote. The State Executive Sec-

1 point will be allowed for the team that has made the most penetrations of the opponents 20-yard line during the game.

1 point will be allowed for the team that has the greater number of first downs during the game.

1 point will be allowed for the team that has the greater net yardage during the game.

If the teams are still tied after the application of this system, the winner will be the team with the greater net yardage.

(NOTE: Whenever the application of this system is necessary the points allowed are added to those scored in the game to determine final score.)

Item (22) All football games will be played with a minimum of four officially dressed football officials who are registered under the Georgia High School Association plan for the registration of officials, or with the State Association of another state. Violation of this rule shall be treated as a violation of eligibility rules as provided in Section 7, Item 4.

No excuse for absence other than a doctor's certificate will be accepted, except in the case of extraordinary providential hindrance such as death in the family or some similar circumstance. One hundred words must be counted off for each unexcused absence.

The District or Region Secretary must notify the State Executive Secretary-Treasurer by Monday of the last week in March what schools in that district or region will enter the spelling contest. Every examination not held according to these rules and regulations will be disqualified.

(c) Winning papers: The District or Region Committee may review the reports and papers sent in. Each school wishing to enter debate must notify the District or Region Secretary in writing not later than October 31 of its intention to enter debates for the current year.

Elimination on District and Regional levels will be conducted by one of the following plans as the District or Region may direct:

- (1) The District or Region Secretary shall group the schools entering into two circles according to geographical arrangement by November 5th, and notify each school concerning

the groupings. Each school so grouped shall present two teams of debaters, one team on the affirmative and one team on the negative, with the affirmative team debating at home and the negative team away from home.

- (2) The District or Region Secretary shall group the schools entering into two circles by November 5th and notify each school concerning the groupings. Each school so grouped shall present two teams of debaters, one team on the affirmative and one team on the negative. All schools in the same circle shall meet at the same place at a time set by the District or Region.

Where a school drops out, consolidations are to be made by the District or Region Secretary and schools must be ready to meet any assigned contestants on the date for debate. Should all schools but one in a circle fail to debate, that school shall be declared the winner of the circle and be entitled to represent the school at the District or Region final debate. If only two schools remain in a circle, these debate on a dual plan. The winners of the respective circles meet in the District or Region finals on a dual debate plan with the affirmative team of each school meeting the negative team of the other school.

Any school entering debate and dropping out without giving notice to the District or Region Secretary at least three days prior to the date of the debate shall not be allowed to enter any other literary event during that school year.

(a) Order of speeches: At all contest, time and order of speeches shall be as follows:

MAIN SPEECHES

First affirmative speaker	10 minutes
First negative speaker	10 minutes
Second affirmative speaker	10 minutes
Second negative speaker	10 minutes

PREPARATION OF REBUTTAL

Time for preparation of rebuttal shall be given. The maximum time shall be limited to ten minutes. By unanimous consent of all participants in the debate, less time for the preparation of the rebuttal may be used and the debate continued.

REBUTTAL SPEECHES

First negative speaker	4 minutes
First affirmative speaker	4 minutes
Second negative speaker	4 minutes
Second affirmative speaker	4 minutes

Speakers on respective sides must speak in the same order in rebuttals as in main speech.

(b) For 1952-53 the debate subject will be:

Resolved: That The Atlantic Pact Nations Should Form a Federal Union.

(c) District and Regional Debates: All of the preliminary debates in the various districts and regions shall be held on November 14 at such hours as may be agreed upon or at such time as may be set by the District or Region. In case of a tie in a circle the tie must be settled not later than November 19. The winning school in each circle will be entitled to compete in the district or region final. The district or region final must be completed not later than November 25. Should there be a tie in the district or region final the contest must be continued or reheld until a representative for the State contest is determined. In case of a tie in the district or region final the points towards the literary trophy shall be equally divided between the tied schools. The continued or reheld contest shall carry no points but is held merely to determine the representative of the district or region to the State contest.

(d) Judging and Scoring: In every debate there shall be three judges. A copy of instructions shall be given to each judge. In selecting the winners, the vote of each judge shall count 1, a perfect score making 6 points. A school is not eliminated as long as it wins both decisions in its circle.

(e) Instructions to Judges: The judges shall vote from their places without conference. Judges are to consider both the constructive and the rebuttal speeches, and should regard proof, organization, refutation and delivery of the constructive speech; and the analysis, refutation and delivery of the rebuttal speech.

The judges will select the best team of debaters by rating the best team as Number 1, and the losing team as Number 2. In addition the judges will give each speaker a percentile score.

As a basis for marking the judges will use the following:

Organization and proof	50
Analysis and refutation	30
Delivery	20

Each judge will be furnished a blank ballot similar to the following:

Team Number 1 _____
 Team Number 2 _____

Affirmative Team:

1st speaker's score _____
 2nd speaker's score _____

Negative Team:

1st speaker's score _____

2nd speaker's score _____

Judge's signature

At the close of the debate each judge shall indicate his choice by ballot and deliver it to the presiding officer. In district and region debates the presiding officer shall inspect the ballots in the presence of a representative of each school and announce the result. In the State debates the ballots in each individual debate shall be sealed and delivered to the Chairman in charge of the State debates. After all of the debate envelopes have been turned in to the Chairman, he shall forward them to State meet office, where the State Executive Secretary-Treasurer or his representative shall, in the presence of representatives from the competing schools, open the envelopes, read aloud the ballots, make an official tabulation of the results, and announce the results.

(f) No Visiting: It shall be considered dishonorable for pupils, teachers or followers of one school to visit debates of another school for the purpose of securing information when the two schools are likely to meet on the same question.

(g) Coaching: Coaching is necessary, but does not mean writing speeches. Coaching shall be limited to (a) instruction in the art of debating in general; (b) help in the collection of material bearing on the subject; (c) advice, suggestions, directions, criticism, outlines, and English as in regular class room work; (d) drill on delivery. The coaching must be done by a teacher of the school and not by outside parties. Each school will observe these general principles of honesty for the sake of the pupils.

(h) In all contests the debaters shall be separated from the audience and shall receive no coaching while the debate is in progress.

(i) No speaker may be interrupted during the main speech or rebuttal, nor may any speaker utilize any time other than that allotted for main speech and rebuttal. For violation of this provision, the presiding officer shall forfeit the debate to opponents.

(j.) Teams: The teams constituting the debating team from a given school may not change from one team to another or change from affirmative to negative or vice versa, in order to give the school a stronger representation on that side of the debate. Each school must be represented by the same debaters or alternate at the District, Region, and State debates that represented the school for the first circle debate and on the same side of the question that they originally represented.

(k) At the State debates, the State Executive Secretary-Treasurer shall arrange the districts or region winners into two circles in each class with approximately the same number of schools in the respective class in each circle, these to be designated as Circle 1 and Circle 2. (Exception— if there are four or less schools in the State debate in any class these may be arranged in one circle which will be the final debate.) The winning school in Circle 1 will meet the winning school in Circle 2 for the State Championship. In case of a tie between schools in the same circle for first place in that circle, the schools tied shall debate off the tie, each school furnishing two teams. Both teams of the winning school in each circle will be entitled to contest in the final debate, and the school scoring the most points in the final debate shall be declared the winner. Should there be a tie in the final debate a co-championship will be declared.
