- B. The Hardship Committee shall have the authority to set aside the effect of the migratory rule, the courses passed rule, and the accumulation of credits rule upon an individual student when in its opinion the rule works an undue hardship upon that student. The Hardship Committee does not hear cases regarding eight-semester violations, or appeals arising under the By-Laws.
 1. The Hardship Committee shall meet at a location and on dates established by the Executive Director and published in the GHSA Calendar. Requests will be considered to have a rule or rules set aside for benefit of individual students and shall consider such requests at the meetings held for that purpose, but not at any other meetings of the committee. If conditions upon which a request is based develop after April 1, the Executive Director is authorized to set a date for a special meeting to be held at the State Office to consider such case or cases.
 2. The principals of all member schools who have filed requests to have the effect of a rule set aside for individual students shall be notified of the time of the meeting at which such requests will be considered not less than seven (7) calendar days before such meeting.
 3. A request will be considered at a meeting only if complete information concerning the case is filed in writing with the Executive Director at least ten (10) calendar days prior to the date of the meeting and if a representative of the school, along with the student, is present at the meeting to furnish the Hardship Committee with information. Complete information includes a transcript.
 4. The conditions which cause the student to fail to meet the eligibility requirements must have been beyond the control of the school, the student, and/or his parents, and such that none of them could reasonably have been expected to comply with the rule. Ignorance of the rule on the part of any or all of them shall not be considered sufficient cause for setting aside its effects.
 5. The decision of the Hardship Committee shall be decided by a majority vote to set aside the effects of the rule in each individual case, and such decision shall not be considered as setting a precedent for other cases of a somewhat similar nature.

6. The decision of the Hardship Committee shall be appealable to the Appeals Board by compliance with Sec. 9C & 9D of the Constitution and then to the State Executive Committee by compliance with Sec. 9F of the Constitution.
- C. 1. The Executive Director shall have the authority upon receiving an application by a member school to set aside the effect of any eligibility rule upon an individual student within the jurisdiction of the Hardship Committee and to grant the same without necessity of the appearance of the student or a representative of the school before the Hardship Committee when, in the judgement of the Executive Director, the circumstances regarding the application are such that:
- (a) The conditions which cause the student to fail to meet the eligibility requirements are beyond the control of the school, the student, and/or his parents and such that none of them could reasonably have been expected to comply with the rule; and,
 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair, and unforeseeable hardship upon the student; and

2. The Executive Director shall have the authority to grant or deny an application for hardship status.
- D. 1. The Executive Director shall have the discretion upon receiving an application by a member school to set aside the effect of any academic eligibility rule upon individual students when, in the judgement of the Executive Director, the following criteria are met:

 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair and unforeseeable hardship upon the student; and
 - (c) The facts are clear, undisputed and supported by appropriate documentation and evidence; and
 - (d) The setting aside of the subject rule would not result in an unfair advantage to the school or student nor compromise the safety of any other student.
2. The decision of the Executive Director shall be appealable under the provisions of Section 9 of the GHSA Constitution and By-Laws.

SECTION 6 REGION OFFICERS

- A. Each Region of each Classification shall elect a President, a Vice President, a Secretary-Treasurer, and from one to three committee members. No two of the above shall be from the same school unless the two are President and the Secretary-Treasurer. These officers, together with any member of the State Executive Committee from the region, shall compose the Executive Committee in their region.
- B. A member of the State Executive Committee who is not an elected member of his Region Executive Committee shall be an added member of his respective Region Executive Committee. This provision that only one (1) member of the Region Executive Committee may come from the same school will apply only to the members elected by the region, and will not apply when the State Executive Committee member in the region is from the same school as an elected member.
- C. The treasurer of each region is required to make an itemized statement of the income and expenditures of all funds to the region. When a new treasurer is elected, any balance must be turned over to the new officer immediately.

SECTION 7 DUTIES OF OFFICERS

The duties of the various officers and committees shall be those usually devolving upon such officers and committees. It is specifically the duty of the State Executive Committee and the Region Executive Committees to seek at all times to educate the school officials under their jurisdiction, and at the same time, to check vigorously any practice or violation of the rules by exercising the full penalty for such violations if it is deemed necessary.

SECTION 8 ELECTION OF OFFICERS

- A. A President and a Vice President shall be elected as State Association officers at the spring meeting of the Georgia High School Association for a term that shall coincide with the length of the reclassification cycle.

- B. - C. Only members of the State Executive Committee shall be entitled to vote in elections.
- D. Should the President become disqualified by death, resignation, or otherwise, the Vice President shall assume the office immediately and shall act as President until the vacancy is filled.

- F. Each region in each Classification shall elect at any region meeting, a President, a Vice President, a Secretary-Treasurer, and from one to three region committee members as region officers.

Terms of office shall be for four (4) years, and elections shall be held at the beginning of each reclassification cycle. Any vacancy occurring on a Region Committee shall be filled by the Region Committee until the next meeting of the region.

- G. The State Executive Committee member from each region shall be elected at any Region meeting when there is a vacancy to be filled. The term of office shall coincide with the length of each reclassification cycle. Any vacancy occurring on the State Executive Committee shall be filled by the Region Committee until the next meeting of the region concerned.

**SECTION 9
AUTHORITY OF EXECUTIVE DIRECTOR
APPELLATE PROCEDURE**

- A. The State Executive Director shall be authorized to interpret the rules of the Georgia High School Association and to impose the proper penalty for their violation, *including but not limited to, declaring a student ineligible to compete in GHSA activities for a period of time of up to four (4) years*. The Assistant Executive Director shall, upon the absence or at the direction of the Executive Director, have all the powers and responsibilities of the Executive Director as provided under this Constitution and the By-Laws of the GHSA. The State Executive Director shall make all arrangements for holding and conducting the State Meets and Tournaments.
- B. All questions pertaining to eligibility or any other matters under the rules of the Georgia High School Association must first be submitted to the State Executive Director. If the question concerns a violation of any of the rules of the Georgia High School Association, the State Executive Director shall notify the member schools involved and advise them of the charges and advise them of their right to submit evidence and their right to request a hearing. The State Executive Director, after hearing or examining the evidence of the party or parties concerned, shall render a decision.
- C. Should any member school not be satisfied with the decision, appeal may then be made to the State Appeal Board by filing a written notice of appeal to the State Appeal Board through the State Executive Director within seven (7) calendar days of the date of the decision, which notice of appeal shall clearly state the decision appealed and the reasons for such appeal. The State Executive Director shall notify the State Appeal Board and all other parties of the appeal. Provided however, that if the only issue under appeal is to request modification of the penalty imposed by the Executive Director, then the member school may appeal directly to the Executive Committee. Any appeal of the decision of the Executive Director does not suspend the ruling made or penalty assessed pending a ruling on the appeal.
- D. Appeal Board meetings shall be set on dates established by the Executive Director and published in the GHSA Calendar.
 - 1. Any request to the Appeal Board must be in the hands of the Executive Director seven (7) calendar days before the scheduled meeting date.
 - 2. Any other appeal requested (other than regularly scheduled dates) must be accompanied by a check sufficient to pay the entire estimated expenses of the Appeal Board to defray the cost of bringing the Appeal Board into session.
 - 3. All requests for appeals must be in writing with the stated reasons for an appeal, and signed by the administrative head of the individual school.

- (2) There is an allegation that a GHSA rule was misapplied in that ruling.
 - (3) There is an allegation that due process was not given in previous considerations.

 - (1) There is an allegation that a GHSA rule was misinterpreted.
 - (2) There is an allegation that the Executive Director did not afford due process to the school.
 - (c) All appeals shall set forth the basis for the appeal and the facts supporting the same, and shall be screened by the Executive Director for compliance with this rule prior to scheduling a hearing.
- E. The State Appeal Board, after hearing or examining the evidence submitted by the party or parties, may affirm or reverse the decision of the Executive Director. In order to sustain an appeal, the vote of the Appeal Board shall be unanimous.
- F. Should any member school not be satisfied with the decision of the State Appeal Board, they may appeal to the State Executive Committee by filing a written notice of appeal to the State Executive Committee through the State Executive Director within seven (7) calendar days of the date of the decision. The notice of appeal shall clearly state the decision being appealed and the reasons for such appeal. Such notice of appeal shall be accompanied by a check sufficient to pay the entire expenses of the State Executive Committee when such appeal is required to be heard at a time other than regularly scheduled meetings of the State Executive Committee.
- G. The State Executive Committee, after hearing or examining the evidence submitted by the party or parties concerned, shall render a decision to affirm, reverse, or modify the decision under appeal.
- H. No other method of appeal shall be held valid and any appeal must begin with the first step outlined and not eliminate any step until reaching the final court of appeal, the State Executive Committee. When the decision by the State Executive Committee is in favor of the appealing party or parties, the State Executive Committee may charge the expense of the meeting to the Georgia High School Association and reimburse the appealing party or parties.
- I. The Executive Director shall have the authority to lengthen or shorten the time for appeals of decisions, if required in his discretion, to accommodate pending schedules, events or other matters.

(NOTE: See Appendix "P" at the end of this publication for a detailed schedule of fines)

BY-LAWS

The Georgia High School Association recognizes that local boards and/or governing bodies may place more stringent requirements as they deem appropriate. The Association encourages all boards of education and/or governing bodies to extend the same rules and regulations to all extra-curricular activities under their jurisdiction.

These rules establish the provisions governing student eligibility to participate in interscholastic activities.

- A. The word “student” used in these By-Laws refers either to a boy or girl participant in interscholastic athletics, cheerleading, or literary activities. Therefore, according to correct grammatical usage, since the antecedent “student” can involve persons of both sexes, the masculine pronouns he, his, or him used throughout said By-Laws will refer to either male or female participants.
- B. The word “principal” used in these By-Laws refers either to a male or female head of a secondary school. Therefore, according to correct grammatical usage, since the antecedent “principal” can involve or refer to persons of either or both sexes the masculine pronouns, he, him, or his, will refer to a male or female head of a secondary school.

 - Students involved in Joint Enrollment programs, Early College programs, or Gateway to College programs may not be eligible at their respective high schools.
 - A student who participates on an intercollegiate athletic team may not participate in any GHSA activity.

- 1.57 **Failure to Meet Academic Standards:** When a school administrator believes that the student has failed to meet the academic eligibility requirements due to conditions that were beyond the control of the school, the student, and/or his parents, and such that none of them could have been expected reasonably to comply with the rule, he may request that the student's case be put on the agenda of the **Hardship Committee**.
- Ignorance of the rule(s) on the part of any individual is not sufficient cause to set aside the rule(s).
 - Schools must supply all the materials requested on the Hardship Application Form on the GHSA website.
- 1.58 **Credit Recovery/Make-up Work:** Students who have academic deficiencies at the end of a semester may make up those deficiencies in programs that are available to any student in the school. NOTE: Programs allowing students to recover academic credit have a variety of names in various schools.
- Credit recovery programs are short-term programs that involve a course that has been completed and a grade given. The student is given the opportunity to work on areas of deficiency.
 - Make-up programs occur when a course has not been completed and an "Incomplete" grade has been given. The student is given the opportunity to work on areas of deficiency.
 - Credit recovery and make-up work must be completed by the first day of the first semester and within 15 school days after the beginning of the second semester. The student is ineligible until such time as the work is completed and the required passing grade has been recorded. Exception: If the end-of-course test is not offered before the first day of the first semester or within the 15-school-day window of the second semester, the student may be granted a reasonable extension by the GHSA.
 - The GHSA Executive Director shall be authorized to approve credit recovery or make-up work completed later than the first day of the first semester or subsequent to the 15-school-day window of the second semester if he finds that the:

- (b) Schools with students having to meet only IEP requirements for course credit must establish an accounting process for the number of courses passed each semester, and for the awarding of units. Requirements for the date of entry into the ninth grade and for age apply to students with IEPs without variation.
- (c) Competitive interscholastic activities administered through local **special education programs** shall follow Georgia Department of Education guidelines and procedures for special education, and are exempt from GHSA requirements.

1.60 - SCHOOL SERVICE AREAS / TRANSFER / MIGRANT STUDENTS / MIGRATORY WAIVER

- 1.61 School **service areas** for member public schools are those attendance boundaries established by local boards of education from which a school normally draws its students. The school service area for a member private school is the county in which the private school is located. The school service area for a startup or converted charter school will be the same as the school from which the charter school draws its students.

- 1.62 A **transfer student** who has established eligibility at a former school in grades 9-12 shall be **immediately eligible** at the new school if:

- (a) The student moved simultaneously with the entire parental unit or persons he/she resided with at the former school, and the student and parent(s) or persons residing with the student live in the service area of the new school. This is known as a "**bona fide move.**" (NOTE: A move within the **same** service area does not constitute a bona fide move.)
- (1) The student may choose the public or private school serving that area.
 - (2) It must be apparent that the parent(s) or the persons residing with the student and the student have relinquished the residence in the former service area and have occupied a residence in the new service area.
 - (3) The following factors, although not conclusive, may be evidence of relinquishment of the former residence: Selling the residence and vacating it; OR vacating the residence and listing it for sale at a fair market value; OR vacating the residence and leasing it to another (other than a relative) at fair market value; OR abandoning the residence and shutting off the unnecessary utilities. NOTE: When a family claims multiple residences, the residence for which they apply for a homestead exemption will be declared the primary residence provided the family spends the majority of their time at this residence.
 - (4) The bona fide move is validated when the student's family maintains the new residence for at least one calendar year. A return to the previous service area within that year renders the student to be a migrant student. All hardship appeal processes are available.
- (b) The student was enrolled in a **private school or a magnet school** and has a bona fide move from one public school service area to another public school service area. A student in this situation may attend either the public school or a private school serving his area of residence. NOTE: Students who have a bona fide move within a service area that has multiple private schools must file a hardship to seek eligibility if they wish to enroll in a different private school.
- (c) The student was enrolled in a **non-member school** in Georgia and, without a bona fide move, transferred to a GHSA member school that serves his area of residence as long as:
- (1) It is the initial move of the student from a non-member school to a member school serving his area of residence, AND
 - (2) The student was enrolled at the high school serving his area of residence in grades 9-12 before attending the non-member school, OR
 - (3) The student has not yet established eligibility at grades 9-12 at a member school serving his area of residence.
 - (4) A student who transfers from a GHSA member school to an independent school entering the GHSA in the next school year must be enrolled at the entering independent school by January 31 of the year preceding their becoming a GHSA member school in order to be eligible.

NOTE: Rules about joint custody transfers have control over the one-time transfer restriction in this by-law.

- (d) The student transfers from a non-member home school and the receiving school grants credit so that the student has accumulated sufficient units. At the time such credit is given, the student must also have passed a minimum of at least 2.5 units the previous semester. The student becomes eligible when credit is awarded officially.
- (e) The student is involved in a **foreign exchange program** that is approved and published on the "Advisory List of International Educational Travel and Exchange Programs" published by the Council on Standards for International Educational Travel (CSIET). This list is found on the GHSA web site.
- (1) The student shall be considered eligible for a maximum period of one calendar year.
 - (2) The student shall not be a graduate of a secondary school in his home country.
 - (3) The student must maintain eligibility requirements at the member school.
 - (4) The foreign exchange program must randomly assign students to schools by a method that insures that no student, school, or other interested party may influence the assignment for athletic purposes. "Direct Placement" foreign exchange students must go through the hardship appeal process to become eligible.
 - (5) All eligibility forms (Form B) for foreign exchange students must be accompanied by documentation from the CSIET-approved foreign exchange program showing that the student has been placed according to the normal procedures for that agency.
- (f) If one of his/her parents or the custodial parent is a certified teacher or administrator teaching in grades 9-12 at the receiving school. This opportunity is available one time only at any given school. (NOTE: Rules about joint custody transfers overrule the one-time transfer restriction in this by-law.)
- (g) The student has one of the following family related circumstances which shall constitute a waiver of the "bona fide move" rule:
- (1) There is a **Superior Court Final Order** changing permanent physical custody of the student from one parent to the other parent and the student moves to the residence of the parent receiving custody in a new service area and attends the member school serving that service area. *Note: All cases involving non-parental custody changes must be appealed through the hardship process.*
 - (2) There is a **Superior Court Final Order** awarding permanent joint physical custody to the parents and the student elects to move from the residence of one parent to the residence of the other parent in a new service area and attends the member school serving that area of residence. Provided, however, that such an election can be made only once during a 12-month period beginning the date of the transfer and the Final Order must have specifically awarded the parents "joint physical custody" of the student. An award of "joint legal custody" shall not suffice for purposes of this paragraph.
 - (3) There is a death of the custodial parent with whom the student resided and the student moves to live with the other parent in a new service area and attends the member school serving that area of residence.
 - (4) There is a military transfer of one or both custodial parents that requires a change of residence of the student to a new service area and the student attends the member school serving that area of residence.
- (NOTE: Eligibility forms for transfer eligibility under paragraphs (1), (2) and (3) above must be accompanied by certified copies of applicable Court Orders. Eligibility forms for transfer eligibility under paragraph (4) above must be accompanied by true and correct copies of verifiable deployment orders.)
- (h) Students who are U.S. citizens and who have been enrolled and attended a high school in a foreign country, upon return to the U.S., shall be eligible to participate at a GHSA member school provided the student lives in the new school's service area and is otherwise eligible under GHSA age, eight-semester, academic and other eligibility rules.
- (i) Students who are transferred from one school attendance area to another school attendance area by a **mandate of the local board of education** maintain their eligibility.
- (j) **Married students** setting up a household (domicile) shall be eligible in the school of their residence provided they meet all other requirements of eligibility.
- (k) Students at the Atlanta School for the Deaf will be eligible at the school serving their area of residence provided they meet all other eligibility requirements.
- (l) The migratory rule (See 1.63) will be waived **one time for boarding students only who enter the following schools:** Ben Franklin Academy; Darlington; Riverside Military Academy; Tallulah Falls. Exception: Students from foreign countries not on an approved foreign exchange program are not eligible.
- (m) Students entering a school as an "unaccompanied youth" under the conditions of the McKinney-Vento Act must go through the hardship appeal process to become eligible.
- (n) If approved by the local board of education, students enrolled in a **magnet or specialty school** shall be allowed to participate in GHSA extracurricular activities as a member of the school team for the school which they would ordinarily attend according to local board of education attendance policy. Provided, however, that:

- (1) If the magnet/specialty school offers the only activity in which the student elects to participate, the student shall be required to participate as a member of the magnet/specialty school program in that activity.
 - (2) Students at magnet/specialty schools may not participate in GHSA extracurricular activities at both the magnet/specialty school and the school that the student would ordinarily attend. Those students must elect to participate in GHSA extracurricular activities at only one school per school year. For example, students could not play basketball at the magnet school and football at the home school.
 - (3) The election of the student to participate in GHSA extracurricular activities for either the magnet/specialty school or the school the student would ordinarily attend shall be binding for the current school year.
 - (4) Such students shall be required to comply with all GHSA eligibility and other rules. The member school shall be required to provide to the GHSA a copy of the local board of education approval of such participation.
 - (5) The receiving school will submit students on an MT Eligibility Form. This form is available on the GHSA web site (www.ghsa.net).
- 1.63 A “**migrant student**” is a student who transfers into a GHSA school without a bona fide move or without one of the exceptions listed in by-law 1.62. The student may practice or compete at the sub-varsity level, but may not compete at the varsity level for one calendar year from the date of his entry into the new school. *In the event that, after transfer, a student becomes or is later determined to be a migrant student, then the student shall be ineligible to compete at the varsity level for a period of one calendar year from that date.*
- 1.64 A student who is not eligible because of GHSA *academic* rules at the former school, and then transfers to a new school, cannot regain eligibility by the transfer. Ineligible students cannot gain eligibility by being adjudicated to YDC and subsequently returning to their resident school with earned credit.
- 1.65 Students whose transfers from member school to member school have been approved by the GHSA office after the end of regular season play or during post-season play are not eligible for participation in GHSA sponsored tournaments and/or playoffs in that particular sport for the school year of transfer.
- 1.66 A student who is not eligible at one school because of **suspension or expulsion** and then transfers to a member school cannot regain eligibility by such a transfer, for the length of the suspension or one calendar year, whichever is less.
- 1.67 A **permissive transfer** is defined as an allowance by a local board of education for students and/or their parents to choose a school to attend without regard to the location of residence.
- (a) A student transferring from member school to member school on a permissive transfer is considered a migrant student.
 - (b) A student transferring to or from a school housing a system-wide, singular academic or vocation program or a magnet program on a permissive transfer is considered a migrant student.
 - (1) The offering of an individual course or series of courses by one school in a system does not provide inherent justification to grant GHSA eligibility.
 - (2) Special options offered by a school system that allow students to attend a school outside their area of residence do not provide inherent justification to grant GHSA eligibility.
 - (3) Any such permissive transfer issue may be brought before the GHSA Hardship Committee.
 - (c) Students transferring under the provisions of Federal or State academic accountability regulations must be processed through the normal hardship appeals process.
 - (d) When a military base is located in two school districts, a student moving onto the base for the first time may choose to attend either school district, and that district will place the student appropriately. Any transfer after the initial placement will be subject to standard eligibility regulations.
- 1.68 **Hardship Applications** may be filed by an administrator at a member school when a student does not meet the standards of eligibility outlined in by-laws 1.50 (academic issues) and 1.60 (transfer issues).
- (a) The GHSA Constitution (Art. IV; Sec. 5; Subsection B4) specifies that the hardship issues must be beyond the reasonable control of the persons involved.
 - (b) The process of appealing a decision of the Hardship Committee is outlined in the GHSA Constitution (Art. IV, Sec. 9, Subsection C & D).
 - (c) In order for a hardship appeal based on a financial hardship to be approved, the new school must provide proof that the family attempted to address the financial problem at the previous school, and that the need-based financial aid was non-existent or insufficient to resolve the problem. Increases in tuition or other costs at a private school do not create an automatic reason to grant the appeal, because such fee increases are considered foreseeable and not unavoidable. Documentation of the financial problem is required.

- 1.69 When a new school opens, student eligibility shall be determined as follows:
- (a) When a school district mandates a service area for a new school for all grades enrolled at the new school, all students living within the mandated service area in those grades are immediately eligible. All students living outside the mandated service area who desire to attend the new school are considered migrant students and are ineligible for one year. Hardship appeals may be filed if conditions warrant.
 - (b) When a school district mandates some students to attend the new school, allows some students to stay at their present school, and permits some students to transfer to the new school, the school shall set a deadline for students living in the service area of the new school to decide whether they will move to the new school, or stay at the present school. The decisions exercised at the deadline date are binding. Subsequent changes render the student to be a migrant student with the one-year period of ineligibility. Students who are granted permissive transfers to enroll at the new school from other schools within the system are considered to be migrant students. Hardship appeals may be filed if conditions warrant.

1.70 - RECRUITING/UNDUE INFLUENCE

- 1.71 **Recruiting and Undue Influence** is **defined** as the use of influence by any person connected directly or indirectly with a GHSA school to induce a student of any age **to transfer** from one school to another, or **to enter** the ninth grade at a member school for athletic or literary competition purposes, whether or not the school presently attended by the student is a member of the GHSA.
- (a) The use of undue influence to secure OR retain a student for competitive purposes is prohibited, and shall lead to penalties being assessed against **either school**. NOTE: This violation may cause the student to forfeit eligibility for one year from the date of enrollment.
 - (b) Evidence of undue influence includes, but is not limited to:
 - (1) personal contact initiated by coaches, boosters, or other school personnel in an attempt to persuade transfer
 - (2) gifts of money, jobs, supplies, clothing, or housing incentives
 - (3) free transportation
 - (4) free admission to contests
 - (5) an invitation to attend practices and/or games
 - (6) a social event (other than an official schoolwide Open House program) specifically geared for prospective athletes
 - (7) free tuition beyond the allowable standards found in by-law 1.82
 - (8) a coach asking a prospective student for contact information
 - (c) Complaints or reports of violations of this rule will be investigated and handled on a case-by-case basis. If **coaches** are found to be in violation of the recruiting rule, a copy of the investigation will be forwarded to the Professional Standards Commission of the Department of Education.
 - (d) A school will be afforded an opportunity to demonstrate it could not reasonably be expected to be responsible for the actions of a booster who is found to have violated the recruiting/undue influence rules.
- 1.72 A student athlete transferring from one school to another shall be ruled ineligible for one year if it is proven that:
- (a) The coach of the receiving school coached an out-of-school team or all-star team on which the athlete played prior to the transfer; OR
 - (b) The coach at the receiving school acted as a private athletic instructor for the transferring athlete, regardless of whether the coach was paid for his services and/or expertise; OR
 - (c) The student participated in a sports camp or clinic run by a member school and/or its coach(es).
 - (d) The player who played for a coach at one school (GHSA member or non-member) and subsequently followed that coach when he/she moved to a GHSA school or changed schools within the GHSA membership. (This is not applicable to dependent children of the coach.)
 - (e) The situations cited in this by-law are considered to be violations even if a bona fide move has occurred, and the hardship appeal procedures are available for the demonstration that undue influence has not occurred.
- 1.73 A booster shall be considered to be an extension of the school and must abide by all rules applied to coaches and other school personnel. The following persons or groups may be considered boosters: members of the school's Booster Club; students; alumni; parents; guardians; or relatives of a student or former student; financial donors; donors of time and effort; personal trainers or coaches renting facilities.

1.80 - FINANCIAL AID

- 1.81 Any student who receives financial aid or non-GHSA approved gifts from any source and in any form (scholarships, tuition remission, cash, gifts, etc.) arising out of or **received in connection with their**

participation in any sport or literary event shall be ruled ineligible. The duration of the ineligibility will last as long as the illegal benefits are being received. This prohibition shall not apply to awards under By-Law 1.90 or to other items approved by the GHSA.

- (a) If tuition is charged, it must be paid by a parent, legal guardian, or other family member with the exception of payments coming from need-based financial aid.
- (b) It is not legal for donated funds to be designated for a specific student that are given by non-family members, businesses, churches or other organizations, except for programs specified by state law.
- (c) Schools may not employ students to work off their tuition costs.
- (d) The GHSA Executive Director will determine whether the financial aid or gift arose out of or in connection with participation in any sport or literary event.
- (e) If a school allows a student who has received such financial aid or gifts to participate in competition, the Executive Director shall assess an appropriate penalty.

1.82 Financial aid in the form of free or reduced tuition or other aid must be **need-based aid** as determined by a national student aid service or financial aid based on institutional policies for academic performance (classroom record and/or test scores) that is administered by persons not in the athletic department.

1.83 Member schools who award financial aid shall issue a statement to the Executive Director signed by the principal or headmaster of the school giving the following information:

- (a) number of students enrolled in the school
- (b) number of students receiving financial aid
- (c) names of students (or a listing of student identification numbers) receiving financial aid who are involved in GHSA activities
- (d) certification that the percentage of students who participate in activities and who receive financial aid is the same percentage as the number of students receiving financial aid who do not participate in activities (plus or minus 5%)

1.90 - AMATEUR STATUS/AWARDS

1.91 A student who represents a school in interscholastic athletic competition shall be an **amateur** in that activity.

- (a) An **amateur athlete** is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom.
- (b) Accepting nominal, standard fees or salary for instructing, supervising, or officiating in an organized youth sports program or recreation, playground or camp activity, shall not jeopardize an athlete's amateur status.
- (c) Reasonable compensation derived from private lessons in a sport is permissible.

1.92 An athlete **forfeits amateur status** in a sport by:

- (a) competing for money or other monetary compensations except for reasonable allowances for travel, meals, and lodging. NOTE: Accepting expense allowances authorized by the United States Olympic Committee for Olympic Development Programs is acceptable for GHSA students.
- (b) receiving any award or prize of monetary value which has not been approved by the GHSA.
- (c) capitalizing on athletic fame by receiving money or gifts with monetary value except college scholarships.
- (d) signing a professional playing contract in any sport, or hiring an agent to manage his/her athletic career.

1.93 Only **awards** approved by the GHSA may be accepted by a high school student-athlete as a result of participation in school or non-school competition in a sport recognized by the GHSA.

1.94 **Symbolic awards** (i.e. non-cash) presented for winning or placing in GHSA competitions are limited to \$400 per year, per student in the aggregate, paid by the local school. These are the only GHSA-approved awards for interscholastic competition. Beyond this, a student may receive one (1) school sweater or jacket presented by the school during his high school career.

1.95 Athletes competing in golf or tennis events are limited to awards as specified in the United States Golf Association Rules of Golf, and the United States Tennis Association Handbook of Tennis Rules and Regulations, which includes (but not limited to) the following:

- (a) No cash awards may be accepted.
- (b) Merchandise awards in tennis may be accepted up to a retail value of \$250.00.
- (c) Merchandise awards in golf may be accepted up to a retail value of \$750.00.

- 1.96 Players attending national camps or all-star events may keep reasonable benefits for housing, meals and transportation. Players may keep only equipment that is commemorative in nature and/or used in the process of the event's workouts.

BY-LAW 2.00 - SCHOOL

2.10 - SCHOOL MEMBERSHIP TO GEORGIA HIGH SCHOOL ASSOCIATION

- 2.11 **The GHSA is a voluntary association** available to any Georgia high school, grades 9-12, that has been authorized to seek membership by the local board of education or similar governing body of control.
- Member schools agree to **conform to the Constitution and By-Laws of the GHSA.**
 - Member schools agree to **conform to the rules of the region** organizations to which they are assigned.
 - Should a conflict arise between state rules and region rules, the **state rules always take precedent.**

2.12 **Procedure for Membership:**

- The local board of education or similar governing body of control must adopt a **resolution authorizing membership** for the high school.
- Membership is continued through the original resolution as long as the school is in good standing with the GHSA.
- April 1 preceding the reclassification alignment process is the deadline date for new and existing private schools to join the GHSA for the next reclassification period. Newly established public schools will have a deadline date of April 1 to join the GHSA for the upcoming school year. No private school with an actual numerical enrollment of less than 150 students in grades 9-12 will be admitted to the GHSA.
- Converted charter schools whose attendance zones and eligibility requirements do not change retain their membership in the GHSA. Converted charter schools or startup charter schools must apply for membership in the GHSA.

2.13 **Dues for Membership:**

- The amount of the dues is **set annually** by the Executive Committee of the GHSA, and includes a portion of the cost of **catastrophic insurance.**
 - Dues must be paid prior to October 15 of each year.
 - Schools failing to meet the dues-payment deadline are not eligible to participate in any contest until membership dues are paid.
- Dues are prorated according to the school's classification.
NOTE: Schools with a total enrollment of less than 50 students are assessed their insurance fees according to the actual number of participants.
- The Dues schedule is as follows:

CLASSIFICATION	PAID BY OCTOBER 15	PAID AFTER OCTOBER 15
7A	\$1,115.00	\$1,215.00
6A	\$990.00	\$1,090.00
5A	\$865.00	\$965.00
4A	\$740.00	\$840.00
3A	\$615.00	\$715.00
2A	\$490.00	\$590.00
A	\$365.00	\$465.00

- 2.14 If a school or school system initiates litigation against the association and the court rules in favor of the association, the school or school system shall be responsible for paying all court costs and attorneys' fees.
- 2.15 If the association conducts an investigation of a member school in reference to a possible violation of association rules and the member school is found to be in violation, the school shall be assessed the cost of the investigation in addition to any fines.
- 2.16 **Playing a Non-Region Schedule:** A school may choose to play a non-region schedule in football, *fastpitch softball*, basketball, and/or baseball, and this choice is in effect for *the current reclassification cycle.*
- A school playing a non-region schedule may not participate in post-season competition.
 - Results of games with a school playing a non-region schedule may not be used in region standings or power rankings.
 - Schools playing a non-region schedule in football, fastpitch softball, basketball and/or baseball must inform the GHSA office not less than 30 days prior to the first official playing date for that sport.*
- 2.17 **Region and Area Divisions:** A classification in any sport will be considered Regionalized when a majority of the schools (with a minimum of 5) in all regions participate in that sport. In sports where all classifications

are not regionalized, the classes may be divided into Area alignments, and two or more classifications, or any portions thereof, may be combined at the discretion of the Executive Director. NOTE: Regions formed by the Reclassification Committee that consist of fewer than five (5) teams may be exempted from this rule.

2.20 - ADMINISTRATIVE RESPONSIBILITIES

- 2.21 The administrative head of each school shall have on file in the school office:
- (a) a certificate of an **annual physical examination** given by a licensed medical physician, a doctor of Osteopathic medicine, nurse practitioner or a physician's assistant indicating the student is approved for participation in athletic activities before that student may try-out, participate in practice, conditioning drills or summer activities, or participate in interscholastic contests (see By-Law 1.41).
 - (b) a written **Emergency Action Plan** for athletic practices and games. This plan must include responses to natural disasters, serious illnesses/injuries, and terroristic events, and must have the involvement of local law enforcement agencies, rescue agencies, medical doctors and hospital personnel.
 - (c) *The **Emergency Action Plan** (EAP) should include the following:*
 - (1) *The venue-specific EAP should be reviewed and rehearsed annually prior to each sport season. Recommended personnel include local Emergency Medical Services (EMC), school public safety officials, school administrators, on-site medical personnel or school medical staff (team physicians or athletic trainers) and all pertinent coaching staff members.*
 - (2) *The venue-specific EAP should be accessible to all involved in a potential emergent situation.*
 - (3) *All emergency equipment which is available onsite, including Automatic External Defibrillators (AEDs), should be listed on the EAP.*

 - (6) *The EAP should contain the facility address, GPS coordinates, location and contact information.*
 - (7) *A medical timeout is recommended prior to all GHSA sanctioned events to review the EAP.*
- 2.22 The administrative head of each school shall **operate** all interscholastic **contests and activities** under direct and complete control of the school administration or designated school personnel. These responsibilities are not to be delegated by the board of education, superintendent, or principal to any person or persons who are not a part of the school's professional staff.
- 2.23 The administrative head of each school is expected to be a person who believes in fairness and honesty as evidenced by the **strict adherence to all rules** and regulations in regards to eligibility of contestants representing his/her school.
- 2.24 The administrative head of each school is expected to employ those persons who exemplify fairness and honesty. Any certificated person who violates rules in regard to student eligibility, or illegal practices, or knowingly misleads a member school and/or the GHSA will have a report of that behavior sent to the Professional Standards Commission.
- 2.25 The administrative head of each school may submit to the GHSA Executive Committee such **recommendations for the improvement of the GHSA** as he/she may deem necessary.
- (a) These recommendations must be submitted to the GHSA Office at least thirty (30) calendar days prior to the meeting of the Executive Committee.
 - (b) A proposal brought to the Executive Committee that is denied by either a subcommittee or the full Executive Committee may not be submitted for three (3) regularly-scheduled meetings after the previous submission unless a substantive change has been made to the proposal.
- 2.26 The member institution has a responsibility to educate student-athletes, coaches, and other appropriate persons on GHSA rules and procedures that could affect them. Further, the member school should monitor its compliance with State Association guidelines.
- 2.27 Member schools that fail to follow stated procedures and deadlines may be assessed a fine for each violation.
- 2.28 Schools that need to cancel appointments scheduled with the Hardship Committee or the Appeals Board must do so at least 24 hours before the appointment. Failure to cancel properly will result in a fine.
- 2.29 Member schools are expected to fulfill their responsibilities for a sports season once they have committed to play that sport.

- (a) If a school commits to play a sport at the region meeting that precedes the sport, or on April 1 for Area sports, and then drops out of competition before or during the season, the school will have to play a non-region schedule in that sport the next year.
- (b) If a school enters the competitive structure that qualifies it to advance in postseason competition, that school is expected to advance if it qualifies. Schools that drop out of competition after qualifying may be penalized with fines or probation.
- (c) Appeals for emergency circumstances may be filed with the Executive Director.

2.30 - ELIGIBILITY REPORTS FILED BY THE SCHOOL

- 2.31 **Eligibility reports** are required for all contestants prior to the calendar date for the first possible practice in any GHSA activity. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Riflery competitions are due twenty (20) calendar days before the first contest.)
- (a) Students are not allowed to participate in academic, athletic or literary competitions until their eligibility reports have been received and processed by the GHSA Office.
 - (b) Failure to meet the eligibility deadline may lead the GHSA Executive Director to:
 - (1) Assess a fine to the school that is delinquent.
 - (2) Suspend the membership of a school that does not file eligibility reports.
 - (c) Reports not filed properly will be returned to the school for resubmission.
- 2.32 Schools **playing interscholastic contests before filing an eligibility report** on one or more participating students may be subject to one or more of the following penalties imposed by the GHSA Executive Director:
- (a) a fine per game or contest in which one or more participants had no eligibility report filed;
 - (b) forfeiture of any game in which one or more participants did not have eligibility report filed;
 - (c) restriction from competition in any sport if the fines assessed are not paid within fourteen (14) calendar days of notification.
- 2.33 **Supplementary eligibility reports** may be submitted at any time on transfer students, students coming out for the team after the initial report, and/or those students who gain eligibility at the beginning of a semester.
- 2.34 Once a student has been certified eligible by the school and has been processed by the GHSA, **eligibility is assumed to be continuing**, and no further eligibility report is necessary for that student during the school year unless situations occur that render the student ineligible.
- 2.35 If a student **loses eligibility and regains** it during the school year, a new eligibility report should be filed for that student.
- 2.36 **Changes of Eligibility Records:** When a school discovers that incorrect information has been given on an eligibility report, the school should contact the GHSA office for procedural instructions.
- 2.37 Requests to investigate a student's eligibility in regard to the transfer rule must be filed with the GHSA office at least twenty (20) calendar days before the end of the regular season in order for any penalties to be applied before the end of the playoffs.

2.40 - STUDENT RETENTION FOR INTERSCHOLASTIC ATHLETIC ACTIVITIES

- 2.41 Member schools shall prohibit participation in interscholastic activities by any student who was **retained in the eighth grade for competitive purposes**. The governing body of each school system shall develop a written policy showing that the system does not allow retention for competitive purposes.

2.50 - QUALIFICATIONS TO COACH

- 2.51 An athletic head coach must be a professional teacher, or hold a four-year degree while also employed in a teaching or administrative position, **meeting the teaching requirements and be employed** by only one board of education or similar governing authority within the GHSA membership, regardless of whether or not they are paid for their coaching (Exception: when all boards of education or similar governing authorities and all principals/headmasters involved sign a consent form on an annual basis he/she may coach at another school system), AND:
- (a) be employed for 20 or more hours per week on a regular basis in a professional, contracted position and must hold a **teaching certificate or leadership certificate** issued by the State of Georgia, OR

- (b) be employed for 20 or more hours per week on a regular basis as a **JROTC instructor** in the school's JROTC program, OR
- (c) be assigned as a **student intern** in a practice teaching situation under the guidance of a college or university teacher training program, OR
- (d) be a **retired teacher** teaching or supervising (NOTE: coaching meets the supervising requirement of this by-law) less than one-half time (forty hours considered full time), OR
- (e) be a certified teacher or administrator at a member school on medical leave governed by the "Family Medical Leave Act" and/or the "Georgia Teacher Maternity Leave of Absence" policy (see the GHSA web site for the required form).
- (f) If a currently certified faculty-coach at a member school loses his/her teaching position because of a reduction in force action, that school may petition the Executive Director in writing for that individual to continue to coach without going through the community coach training.
- (g) A teacher at a non-member school who is hired to be a coach at a member school **must** complete the GHSA Community Coach Education program and may **not** be a head coach. A consent form between the two schools must be completed annually.
- (h) If a school is in a charter or strategic waiver (IE²) system, the coach (head coach or assistant) must meet the highly qualified requirements outlined in the Georgia Professional Standards Commission's guidelines.

2.52 Member schools may employ persons who are not professionally certificated teachers as assistant coaches in their athletic programs. These individuals are referred to as "**community coaches.**"

- (a) Community Coach is defined as a person who does not have a professional-level certification, who relates in role and function to a professional and does a portion of the professional's job or tasks under the supervision of the professional, and whose decision-making authority is limited and regulated by the professional. Community coaches are not allowed to function without the immediate supervision of an educational professional and may not assume any of the duties of a varsity Head Coach or be named by the school as a varsity Head Coach.
- (b) Licensed para-professionals and full-time substitute teachers must complete the GHSA Coaches Education Program and testing program to be eligible to coach.
- (c) All community coaches should be signed to a written "agreement to coach."
 - (1) They may coach for only one board of education annually, regardless of whether or not they are paid for their services.
 - (2) Community coaches may not coach the same sport at more than one school even if there are multiple schools in the system.
- (d) All community coaches must complete the **GHSA Coaches Education Training and Testing Program** in "Sport First Aid" and "Principles for Coaches."
 - (1) Prospective coaches must be subject to a criminal background check before they are registered for the GHSA coaches education program.
 - (2) Courses are offered at various times each school year throughout the state.
 - (3) Prospective coaches are registered with the GHSA office by the school hiring them.
 - (4) No community coach may do any GHSA coaching until he/she has been notified that the GHSA Coaches Education Program had been completed successfully.
- (e) It is recommended that the following **priority for employment** be used:
 - (1) certified employees in the local system (secondary, middle, elementary, central office, etc.);
 - (2) retired certificated personnel;
 - (3) community coaches who have completed the GHSA Coaches Education Program.
- (f) All community coaches must attend a regular GHSA rules clinic each year for any sport in which they coach beginning with their first year of service or the school will be fined.
- (g) No person who has coached a non-GHSA team in a sport or activity within the previous 12 months may be hired or utilized by a GHSA member school in that same sport or activity IF any of that GHSA school's players participated on the non-GHSA team that person coached.

2.53 GHSA member schools must **register** all coaches in **all** GHSA governed activities according to the following:

- (a) An initial directory listing of administrators and coaches must be completed and filed with the State Office by August 1 of each year. Only professionally certificated personnel, or individuals holding a four-year degree who are employed in a teaching or administrative position, are to be included on the initial directory listings.
- (b) **Qualified** Community Coaches are to be reported on the "School Staff Roster" on the GHSA web site. Only those persons who have successfully completed the **GHSA Coaches Education Program** are to be listed. NOTE: Schools must verify the successful completion of the coaches education program BEFORE community coaches are submitted to the GHSA and BEFORE any coaching activities are allowed (forms on the GHSA web site).

- (c) After August 1, schools will have occasion to add members to their coaching staff. It is the responsibility of the member school to register these additions in a timely manner, using the School Staff Roster on the GHSA web site.
- (d) Failure to comply with these procedures could result in punitive actions including, but not limited to, fines, forfeitures and other penalties assessed to the member school.

2.54 Every faculty coach, community coach, and student-teaching intern at a GHSA member school must complete:

(a) **a GHSA-sponsored rules clinic** if he/she coaches the following sports or activities: *cross country*, football, softball, volleyball, riflery, literary, *one act play*, cheerleading (spirit and/or competitive), basketball, lacrosse, wrestling, swimming and diving, track, baseball, golf, soccer and gymnastics.

(b) **CPR (minimum compression only) and AED training** prior to any team activity or within a maximum of 30 days from the start of a team activity and it must be renewed at a minimum of every two years.

NOTE: A fine for each coach who does not complete a rules clinic, or who does not complete the required CPR and AED training, before the assigned deadline will be assessed to the school.

2.55 A **coach** on the payroll of one school district, but under contract to another school district for the following year, may help with **spring practice** at the new school if arrangements are satisfactory with both systems.

2.56 A person who is an active official or an assignor of officials at the high school level may **not** be a head coach or an assistant coach at a GHSA school in the same sport.

2.60 - INTERSCHOLASTIC CONTESTS AND PRACTICES

2.61 All **practices** (team and individual) and all **regular-season interscholastic contests** for GHSA-member schools shall be **conducted outside the school day of the participants' school**.

(a) Regional, Sectional, and/or State **playoffs are exempt** from this rule.

(b) The "**school day**" is **defined** as: that period of time between when students are required to report to school and the time of dismissal of that school. **EXCEPTION:** When the host school is not in session on a given day, competitions may be scheduled earlier than normal dismissal time for the host school. However, any school that is in session on that day may not compete in that event before the normal dismissal time of that school.

(c) A player who participates in a GHSA sport may not participate in practices that occur during the school day. Practice is defined as any activity that is school-initiated, organized, coordinated or supported.

2.62 The GHSA shall provide **rules and regulations for competition** among member schools for those competitive activities listed in the GHSA Constitution and By-Laws.

(a) Member schools may be allowed to schedule and play **GISA** and **GAPPS (formerly GICAA)** member schools provided the principal or athletic director of each agrees in writing, utilizing the standard "GHSA Cross-Play Contract," available on the GHSA web site (www.ghsa.net).

(1) GISA and GAPPS schools competing with GHSA schools must comply with all GHSA safety rules and requirements, and must be in compliance with Official Code of Georgia Sections 20-2-319.2 relating to pre-participation physical exams and 20-2-324.1 relating to concussion management protocols.

(2) Participants must be in compliance with all eligibility rules of their respective associations with the exception that only those participants in grades 9-12 shall be allowed to participate.

(3) Such competition shall not be counted nor the results considered toward GHSA post-season competition nor toward GHSA power ratings.

(b) In situations not covered by section (a), member schools shall **compete, practice or scrimmage only against other member schools** or against schools that are full members of the State Association in their respective states (**NOTE: Football games may be scheduled only if the opponent is a full member, without restrictions, of its state athletic association**). When competing internationally, member schools may compete only against school teams in that nation that are composed of students of similar ages. International exhibition competitions or scrimmages are not allowed. **NOTE:** When member schools compete out of state, the host state's adaptations of NFHS playing rules will be enforced, and all GHSA by-laws regarding sportsmanship, eligibility and game times will be enforced.

(c) Member schools are **permitted to compete against non-member schools** in activities not listed in the GHSA Constitution and By-Laws.

(d) The GHSA Executive Director has the authority to approve competition between GHSA schools and **private schools from states in which membership in the State Association is not allowed**. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.

- (e) A member school shall have no more than one varsity, one junior varsity, and one 9th grade team.
 - (1) Any **sub-varsity team** is limited to a maximum number of games equal to 70% of the varsity allotment in that sport. **EXCEPTION:** New schools that have only 9th and 10 grades with JV teams only (no varsity) are allowed to play the number of games allowed for varsity teams.
 - (2) **Competition between sub-varsity and varsity teams and/or individuals** at the same event is prohibited. An exception may be made by the Executive Director for schools just opening and for schools just starting a particular sport.
 - (3) In the sports of Cross Country, Golf, Swimming, Tennis and Wrestling, a school may use a **“split squad”** at two regular season events on the same day at the varsity or sub-varsity levels. Both of the contests must be counted against the total number of contests allowed in that sport. Individual players may not exceed the total number of contests allowed at the varsity level of that sport.
 - (4) **Unattached Competitor:** Individual athletes may participate in non-GHSA events in the sports of Cross Country, Golf, Gymnastics, Riflery, Swimming, Tennis, Track and Wrestling as long as they do not represent their school, do not wear the school uniform, and are not coached at the event, or transported to the event, by their high school coach. “House teams” made up of athletes from various schools competing in a GHSA event are not considered to be unattached competitors and are illegal.
 - (5) No athlete will be allowed to compete in a GHSA game or contest (even in post-season play) unless accompanied by certified professional school personnel whose names have been submitted to the GHSA as coaches. Those students chaperoned by someone other than a certified professional will **not** be allowed to compete.
 - (6) In any GHSA sport, there may be no **“open”** competitions or exhibition performances that extend participation beyond the three levels of competition (i.e., varsity, JV, 9th grade) mandated in this by-law. The only interscholastic contests in which results are disregarded are scrimmages as defined below.
 - (7) **Drones** shall not be permitted to fly during any GHSA sanctioned contest. Note: This prohibition begins when the gates or doors open and extends until the last spectator has left the field or arena.
- (f) One **interscholastic scrimmage** (two teams meeting head-to-head) is allowed in the sports of Baseball, Basketball, Football, Lacrosse, Soccer, Softball and Volleyball.
 - (1) This scrimmage may be scheduled anytime between the beginning of practice as set by the GHSA and the first regular season game for each team.
 - (2) This scrimmage is for varsity teams only, and shall be played with normal timing and/or scoring rules except as noted in individual sports sections.
 - (3) Officials registered with GHSA must be assigned, and the GHSA “Fee Chart” must be followed.
 - (4) A school may not scrimmage another school that is counting the scrimmage as a regular-season contest.

2.63 **Written contracts** are **required** for all baseball, football, basketball, wrestling and fastpitch softball contests, and are strongly **recommended** in all other interscholastic contests that are scheduled between member schools.

- (a) Contract forms can be found on the GHSA web site.
- (b) Contracts are also recommended for all sub-varsity contests.
- (c) GHSA-member schools are expected to fulfill the conditions of any game contract that has been properly executed.
 - (1) Exceptions to the contract may be made with the agreement and consent of both schools.
 - (2) Member schools that fail to fulfill the requirements of a scheduled event may be required to make **restitution** to the competing school if that school is unable to secure an opponent (This includes multi-school events). The offended school shall petition the Executive Director for the desired restitution.
 - (3) Schools failing to fulfill a game contract may be **suspended** in that sport for one (1) full calendar year or the corresponding date of the next calendar year, whichever is greater.
 - (4) **EXCEPTION:** The GHSA Executive Director may excuse the failure to fulfill a game contract if, in his opinion, the circumstances causing the failure were outside the control of the school officials.
- (d) All athletic events hosted by GHSA-member schools (except Cross Country, Golf, Riflery, Tennis and Track) shall be officiated at all levels of competition by **officials** who are members of associations that are approved by the GHSA. (Exception: situation noted in By-Law 2.95).
 - (1) Officials’ associations and their assigned schools shall include the method of payment in their contract.
 - (2) It is recommended that the same number of officials be used in regular-season competitions as the number used in playoff competitions in that sport.
- (e) **Forfeiture and Restitution Policy**
 - (1) If a team does not arrive at the game site for any contest without notifying the host opponent of a late arrival, that contest will be forfeited 30 minutes after the scheduled game-time. If the second game or contest was to be played by a different team (EXAMPLE: girl/boy or JV/varsity combination events), then a decision to forfeit that game will be made 30 minutes after the scheduled beginning of the second game.

- (2) If there are to be multiple games by the same team and the team does not arrive at the game site without notifying the host opponent of a late arrival, all games will be forfeited 30 minutes after the scheduled game-time of the first contest. EXAMPLE: softball or baseball doubleheaders
- (3) If a school fails to show up for a game or cancels a game within *twenty-four (24)* hours of the scheduled starting time without an emergency condition or weather-related conditions, that school shall pay a forfeiture fee to the host school equivalent to the cost of the officials. NOTE: If the host school is the violating team, the fee will be paid directly to the officials association. The host school shall reimburse the visiting team(s) for mileage incurred by the visiting team(s) when this by-law is violated by the host team).
- (4) If a school fails to show up for a game or cancels within *twenty-four (24)* hours of the scheduled game time without emergency reasons or weather-related reasons for a second time, that school must make restitution again and must show cause to the GHSA Executive Director as to why they should not be placed on probation by the GHSA.
- (f) The minimum penalty for allowing an ineligible athlete to participate in an interscholastic contest is forfeiture of the game(s). Fines or other penalties may also be imposed. NOTE: If it is determined by the Executive Director that the school has exercised every reasonable precaution and has been deceived regarding the student's data, any or all penalties may be set aside.
- (g) A team shall forfeit any team standing or points toward team honors when an ineligible student participates in a contest. In sports where individual titles may be won (Cross Country, Literary, Riflery, Swimming & Diving, Traditional Wrestling, Gymnastics, Golf and Track), eligible individuals will keep their placements and opportunities to advance toward individual honors even if a teammate participated while ineligible.

2.64 **Tournaments or multiple-meets**, other than the Region or State elimination series must be approved (**sanctioned**) by the GHSA Executive Director, subject to the special conditions for athletics and/or other activities.

- (a) A GHSA-member school shall not enter a tournament which requires sanctioning until that tournament has been **approved by the GHSA Executive Director**.
 - (1) The GHSA Executive Director may assess a fine and/or other penalties against a member school that violates the sanctioning rules.
 - (2) Member state championship teams receiving an invitation to nationally-recognized tournaments held after the designated sports season has ended must apply to the Executive Director for approval. Such application must be signed by the principal of the school, must be submitted at least 14 calendar days prior to the beginning of the tournament and must include the following: contact information for the tournament organizer; proposed plans for the school to include manner and date of travel; number of hours of instruction to be missed and fees to participate. A decision not to approve may be appealed to the GHSA Board of Trustees, who shall review the information submitted to the Executive Director. No additional information or documentation shall be considered. The vote of the majority of the Trustees shall control.
 - (3) **Tournament participation limits** are set for each sport, and they are listed in the specific sport sections in this document.
- (b) All **applications for sanctioning** must be submitted to the GHSA thirty calendar (30) days prior to the tournament by a GHSA-member school.
NOTE: Tournaments that require National Federation sanctioning are an exception to this rule.
- (c) The host school for all sanctioned tournaments shall **pay five percent (5%)** of all gross gate receipts to **the GHSA** within fourteen (14) calendar days after the tournament.
 - (1) Total gate receipts before expenses are paid equals the gross receipts.
 - (2) A financial report of the event shall accompany the payment.
- (d) GHSA approval for **tournaments in contiguous states** is needed when there are four or more schools participating.
- (e) Approval for **tournaments in Georgia** is needed when:
 - (1) it is a tournament involving four or more schools OR
 - (2) it is a tournament in which awards are given.
- (f) Tournaments that require **approval from the National Federation** are:
 - (1) any interstate tournament in which more than eight schools participate, and at least one participant is from a non-contiguous state OR
 - (2) any interstate tournament that involves schools from five (5) or more state High School Associations, and at least one of them does not border on the State of the sponsoring school OR
 - (3) any international tournament (except competition with Canadian and Mexican high schools) OR
 - (4) any interstate tournament involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic company).
- (g) The GHSA Executive Director has the authority to approve competition between GHSA schools and **private schools from states in which membership in the State Association is not allowed**. These

non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.

- (h) In all sports except Football, a team (subvarsity or varsity) may play multiple games on a single calendar day in a tournament setting. NOTE: In these instances, the special “quarter/half participation rules” in basketball and soccer are waived. When playing multiple games in a single day in Basketball, Soccer and Lacrosse, there must be at least a four (4) hour scheduling interval between games.
- (i) For any one-day event in which more than two schools compete (i.e., a basketball showcase or some similar event), the following stipulations are in effect:
 - (1) A “host school” must be designated for each game even if the games are played at neutral sites.
 - (2) The host school must provide a Game Manager for that game.
 - (3) The host school must schedule game officials through the local association assigned to it.
 - (4) These special events will require sanctioning approval from the GHSA office.

2.65 Available Seating: Member schools shall provide a seat for each ticket sold to any contest regulated by the GHSA.

- (a) An available seat is defined as twenty-four (24) inches in width.
- (b) Each school is required to make a determination of the available seats prior to the beginning of the contest.
- (c) At outdoor events, “standing room” tickets may be sold as long as they are identified as such at the time of the purchase, and as long as there are no problems with safety and security with such an arrangement.

2.66 Weekday Contests:

- (a) Teams playing any regular season contest when there are classes the next day shall be limited to a travel distance of no more than 100 miles one way as determined using the maps program at www.Yahoo.com.
- (b) No contest shall be played beyond 11:30 p.m., unless exempted under By-Law 2.93 (c2b) or by procedures found in sections of the by-laws dealing with specific sports. A petition may be filed with the Executive Director to waive the 11:30 p.m., curfew for teams of different classifications or competitions with out-of-state teams when there are special circumstances.

2.67 Practice Policy for Heat and Humidity:

- (a) Schools must follow the statewide policy for conducting practices and voluntary conditioning workouts (this policy is year-round, including during the summer) in all sports during times of extremely high heat and/or humidity that will be signed by each head coach at the beginning of each season and distributed to all players and their parents or guardians. The policy shall follow modified guidelines of the American College of Sports Medicine in regard to:
 - (1) The scheduling of practices at various heat/humidity levels.
 - (2) The ratio of workout time to time allotted for rest and hydration at various heat/humidity levels.
 - (3) The heat/humidity levels that will result in practice being terminated.
- (b) A scientifically-approved instrument that measures the Wet Bulb Globe Temperature must be utilized at each practice to ensure that the written policy is being followed properly. WBGT readings should be taken every hour, beginning 30 minutes before the beginning of practice.

WBGT	ACTIVITY GUIDELINES AND REST BREAK GUIDELINES
Under 82.0	Normal Activities - Provide at least three separate rest breaks each hour with a minimum duration of 3 minutes each during the workout.
82.0 - 86.9	Use discretion for intense or prolonged exercise; watch at-risk players carefully. Provide at least three separate rest breaks each hour with a minimum duration of 4 minutes each.
87.0 - 89.9	Maximum practice time is 2 hours. <u>For Football:</u> players are restricted to helmet, shoulder pads, and shorts during practice, and all protective equipment must be removed during conditioning activities. If the WBGT rises to this level during practice, players may continue to work out wearing football pants without changing to shorts. <u>For All Sports:</u> Provide at least four separate rest breaks each hour with a minimum duration of 4 minutes each.
90.0 - 92.0	Maximum practice time is 1 hour. <u>For Football:</u> no protective equipment may be worn during practice, and there may be no conditioning activities. <u>For All Sports:</u> There must be 20 minutes of rest breaks distributed throughout the hour of practice.
Over 92.0	No outdoor workouts. Delay practice until a cooler WBGT level is reached.

- (c) Practices are defined as: the period of time that a participant engages in a coach-supervised, school-approved sport or conditioning-related activity. Practices are timed from the time the players report to the practice or workout area until players leave that area. If a practice is interrupted for a weather-related reason, the "clock" on that practice will stop and will begin again when the practice resumes.
- (d) Conditioning activities include such things as weight training, wind-sprints, timed runs for distance, etc., and may be a part of the practice time or included in "voluntary workouts."
- (e) A walk-through is not a part of the practice time regulation, and may last no longer than one hour. This activity may not include conditioning activities or contact drills. No protective equipment may be worn during a walk-through, and no full-speed drills may be held.
- (f) Rest breaks may not be combined with any other type of activity and players must be given unlimited access to hydration. These breaks must be held in a "cool zone" where players are out of direct sunlight.
- (g) When the WBGT reading is over 86, ice towels and spray bottles filled with ice water should be available at the "cool zone" to aid the cooling process AND cold immersion tubs must be available for the benefit of any player showing early signs of heat illness. *In the event of a serious EHI, the principal of "Cool First, Transport Second" should be utilized and implemented by the first medical provider onsite until cooling is completed (core temperature of 103 or less).*

2.68 **GHSA Concussion Policy and SB 60, Sudden Cardiac Arrest Prevention Act**

- (a) **GHSA Concussion Policy:** In accordance with Georgia law and national playing rules published by the NFHS, any athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include: licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician's assistant, or certified athletic trainer who has received training in concussion evaluation and management).
 - (1) No athlete is allowed to return to a game or practice on the same day that a concussion (1) has been diagnosed OR (2) cannot be ruled out.
 - (2) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.
 - (3) It is mandatory that every coach in each GHSA sport (including Community Coaches, Student Teachers, and Interns) participate in a free, online course on concussion management prepared by the NFHS and available at www.nfhslearn.com at least every two years.
 - (4) Each school will be responsible for monitoring the participation of its coaches in the concussion management course, and shall keep a record of those who participate.
 - (5) Each school must distribute to every athlete and his/her parent/guardian an information sheet that includes: the dangers of concussion injuries, the signs/symptoms of concussion, and the concussion management protocol outlined in this by-law. This sheet must be signed by the parent/guardian of each athlete and a copy kept on file at the school.
- (b) **SB 60, Jeremy Nelson and Nick Blakely Sudden Cardiac Arrest Prevention Act:** *In accordance with Georgia law:*
 - (1) *Each school must distribute to every athlete and his/her parent/guardian an information sheet that includes: the Early Warning Signs, How to Recognize Sudden Cardiac Arrest, and Learn Hands-Only CPR outlined in this by-law. This sheet must be signed by the parent/guardian of each athlete, each athlete and a copy kept on file at the school.*
 - (2) *Each school must hold an informational meeting twice per year regarding the symptoms and warning signs of sudden cardiac arrest. At such informational meeting, an information sheet on sudden cardiac arrest symptoms and warning signs shall be provided to each student's parent or guardian. In addition to students, parents or guardians, coaches, and other school officials, such informational meetings may include physicians, pediatric cardiologists, and athletic trainers.*

2.69 **Legal practice dates** are established for each activity (see the calendar at the beginning of this publication), and schools shall not conduct or allow an **illegal practice**.

- (a) The **beginning of each GHSA school year** is designated as August 1st.
- (b) **Illegal practices are defined** as practices involving five or more students participating in any extracurricular activity in the presence of, or under the direct or indirect supervision of any coach of the school (including a community coach). **At any given point in time**, only one (1) coach in a sport may work with up to four (4) athletes in skill-building drills.
 - (1) Any practice occurring after the beginning of the school year and **before the opening of the designated season** is an illegal practice.
 - (2) Any practice occurring **after the end of the season** for that team and the end of the school year for students in that school is an illegal practice.

- (3) **During the summer** (i.e., between the ending of one school year and the beginning of the next) the only restrictions on practices and competition are that all activities must be strictly voluntary, and the **“Dead Week”** must be observed, as follows: Schools are prohibited from participating in voluntary workouts, camps and/or clinics, weight training or competitions during the week (Sunday through Saturday) in which the Fourth of July falls each year.
- (4) It is illegal for a team to go to a competitive or instructional camp or clinic during the school year other than in-season events designed for that team alone.
- If the event is held out of season, it would constitute an illegal practice.
 - If the event is held in-season, it would involve illegal coaching.
 - Boys and girls teams in the same sport are considered the same activity.
 - This prohibition does not apply to the summer months.
- (5) Neither coaches, former coaches (including community coaches), nor any other school personnel shall suggest, require, or otherwise **attempt to influence students** to participate in or practice for a sport outside the GHSA-designated season. (NOTE: This would prohibit requiring any student to participate in one sport in order to be allowed to try-out and/or play another sport at his school).
- (6) The following activities are **examples of illegal practices**:
- interscholastic scrimmages or practice competitions not in compliance with By-Law 2.62e;
 - practices involving alumni or students who presently are not eligible at the member school at any time in the school year;
 - practices against a non-school team at any time in the school year;
 - practices of any kind outside the season designated by the GHSA.
- NOTE: Free Style and Greco-Roman Wrestling are considered to be the same sport as Folk Style (high school) Wrestling and are subject to GHSA rules regulating illegal practices.
- (7) Coaches are allowed to be spectators (in the stands) or “fellow competitors” at non-school events out of season as long as no coaching occurs.
- (8) Schools found guilty of having illegal practices will be subject to **penalties** that may include a fine, warning, probation, and/or suspension by the GHSA Executive Director.
- (c) A GHSA coach (certified teacher or community coach) may not coach a non-GHSA team in a competitive setting during the school year that includes any player(s) who participate in the sport he/she coaches at the member school. EXCEPTION: In a situation in which the child or step-child of the coach is the only player on a non-school team from the coach’s school, the coach would be exempted from this rule.

2.70 - SPORTSMANSHIP

- 2.71 GHSA-member schools are required to conduct all relationships with other schools in a **spirit of good sportsmanship**.
- It shall be the responsibility of a member school to use every means at its disposal to impress upon faculty, students, team members, coaches, and spectators the **values of sportsmanship** in preparation for the management of interscholastic contests. Contest officials have the authority to have any and all individuals removed from the confines of the contest whose behavior has become a distraction and/or hindrance to the administration of the event. This may include, but is not limited to, verbal and visual gestures.
 - The Executive Director shall have the authority to assess penalties against schools and/or coaches for conduct unbecoming a professional educator or coach committed by coaches or other school personnel at GHSA events. Penalties against schools may include fines, probation or suspensions; and penalties against coaches and other school personnel may include suspension from GHSA events.
 - It shall be the **responsibility of the home or host school** to take the following precautions at all interscholastic athletic events:

 - Attention must be given to keeping **substitutes** in the bench areas throughout the fight, and to keeping **spectators** away from the competitive area.
 - Schools** whose substitutes leave the bench area to go to the area of a fight will be **finned** by the GHSA Executive Director.

- (3) All players who are involved in a fight and any substitutes who leave the bench area during a fight or potential fight and are **ejected** from the current contest, will be subject to the sit-out rule.
- (4) The GHSA office may review film to determine participants in a fight situation, or to determine athletes leaving their bench to go to a fight, or to verify the correct number worn by a player in either of these situations. Note: penalties may then be levied, modified or changed based on this film review.
- (e) Players and coaches are expected to exhibit good sportsmanship before, during and after a contest, even if the game officials do not have jurisdiction. Behaviors such as taunting, fighting, etc., are forbidden.
- (f) No coach may remove his/her team from competition before the end of the contest unless it is done in accordance with the playing rules of that sport.

2.72 Any **player, coach, or team attendant** who is **ejected** from a GHSA contest shall be suspended from all levels of competition (i.e., varsity or sub-varsity) in that sport or activity (regular season or playoffs) until the period of suspension has expired. NOTE: Ejection penalties must be served at the next contest regardless of whether or not the school has received notice from the GHSA office by that time.

- (a) Ejections are based on judgment calls by an official and are not reviewable or reversible.
- (b) A coach shall have no role nor be in attendance at pre-contest warm-ups or activities, and shall not be in uniform in attendance at contests until the period of suspension has expired.
- (c) A player or team attendant may not be on the competitive area nor in the team bench area during any contest until the period of suspension has expired, but is allowed to participate (not in uniform) in Senior Night recognition.

 - (a) **BOYS:** Any player who fouls out for the accumulation of personal foul penalty time will sit out the next scheduled game. Any player or coach ejected for unsporting behavior or violent conduct will sit out the next two games.
 - (b) **GIRLS:** Any player who fouls out for accumulation of two (2) yellow cards in one game will sit out the next scheduled game. Any player or coach given a red card for unsporting behavior or violent conduct will sit out two (2) games.
 - (4) **Track and Field:** after the individual has been withheld from the next scheduled contest. NOTE: All allegations of unsporting behavior must be referred to the "Jury of Appeals" for a final resolution on disqualification. A report must be submitted to the GHSA office in the event of a disqualification.
 - (5) **All Other Activities:** after the individual has been withheld from the next two (2) scheduled contests at the level at which the ejection occurred.
- (e) To satisfy the penalty of the sit-out game(s), those games must have been scheduled at the time of the ejection, and must be played to completion.

Player: \$200 fine plus penalties as per each sport's by-laws. NOTE: When a player, coach or team attendant has a second ejection in the same activity during a school year, that individual shall be withheld from competition for **twice** the time period of a normal suspension.
 - (3) **Third Ejection:** Coach - Season suspension plus penalties as per each sport's by-laws; can not coach in any activity at any GHSA member school until successful completion of "GHSA Principles for Coaching." Player: Season suspension plus penalties as per each sport's by-laws.

NOTE: The notice, hearing, and appellate procedures set forth in the GHSA Constitution shall be applicable to such rulings.
- 2.74 Coaches, administrators, contest officials or players are not to make **comments in the media or on any form of social media** that are **critical of officials** and/or their calls in a game. Penalties that could be imposed by the GHSA Executive Director include fines and/or suspensions.

- 2.76 Artificial noisemakers are allowed at outdoor events with the exception of air horns, whistles, or other similar devices that simulate the sounds of clock horns or officials' whistles. At any time that a national playing rule prohibits artificial noisemakers in a sport, that rule will supercede this by-law.
- 2.77 The officials' dressing area is "off limits" to school staff, students and spectators one hour prior to game time, during the duration of the contest, and until the contest officials depart the facility.
- 2.78 Unsporting acts committed by players or coaches will be handled as follows:

- (e) **Television and Video Webcast** rights and fees must be negotiated with the GHSA office on a case-by-case basis, except for those stations or schools having long-term contracts with the GHSA.

Entertainment and commercial uses of highlights are not considered bona fide newscasts and are prohibited. Highlights may not exceed one minute per contest, or two minutes total running time in any single newscast without the consent of the GHSA. Highlights may be used, subject to the above guidelines, up to 72 hours after the event. NOTE: Members of the working press shall be allowed to use digital video cameras at GHSA state playoff events as long as such cameras are being used to obtain still images or video highlights as defined in this By-Law. Site administration shall have the authority to prevent use of such video equipment if it is determined that a video tape of a substantial portion of the event is being made.

2.87 **FLASH PHOTOGRAPHY:** Flash photography is prohibited at all indoor GHSA state playoff events unless permission is obtained from the GHSA office on a case-by-case basis. Flash photography at outdoor GHSA state playoff events is at the discretion of the onsite game officials.

- (b) The tapes/photos must be for personal use only and cannot be used for scouting purposes, given to other schools for scouting purposes, used for any commercial/business purpose, or sold for profit. The Executive Director shall have the authority to postpone GHSA events and to direct the procedure for rescheduling when deemed necessary.
- (a) The GHSA requires the host school to provide lightning detectors at all outdoor athletic activities.
 - (1) When a lightning detector indicates a dangerous situation, the game manager will notify the head official. At that point, the official will suspend play and all participants and fans will go to a place of safety (NOTE: If officials spot lightning before being notified, they may suspend play).
 - (2) The contest may resume in accordance with procedures published in the NFHS Rules Book.
 - (b) **Postponed games** are games that are terminated before they actually begin because of weather problems, emergency situations, or mechanical failures.
 - (1) The host school should notify the opposing team and officials as early as possible when a contest is postponed.
 - (2) The host school is responsible for determining whether an event is to be postponed until the time that game rules turn that responsibility over to game officials except when there is a written contract for that game. When there is a contract, there must be an agreement between the competing schools about the postponement.
 - (3) School personnel will agree on the rescheduling of the contest.
 - (c) **Suspended and/or Terminated Games** - When game officials suspend a game due to weather issues, the following procedures are in place:

 - (3) All scheduled GHSA varsity football games that have been either interrupted or postponed must be played to completion. Schools must decide when completion will take place in a timely manner. The team behind in the score of an interrupted game has the option not to complete the game and the score will be recorded as it was at the point of interruption.
 - (a) There will be no mandatory two-hour delay.
 - (b) The 11:30 curfew will be waived.
 - (4) Golf and Tennis procedures will be dictated by USGA and USTA rules.
 - (5) Cross Country and Track and Field will not use the two-hour delay rule.
 - (d) **Paying Officials** in shortened/postponed games:
 - (1) In the event a scheduled contest cannot be started due to weather-related conditions, officials who have arrived at the contest site will be paid one-half the contest fee in addition to the travel allowance.
 - (2) If a game is interrupted by weather or darkness before it becomes a completed game, the officials will be paid one-half the regular game fee.

- (3) If a game is an official game at the point of interruption, the officials will be paid full fees.
 - (4) Beyond these conditions, no officials group(s) may hold the schools responsible for weather-related postponements.
- 2.94 All championship contests that end in a tie will have that tie resolved by means of the procedures that are used to resolve ties in preceding rounds of the playoffs.
- 2.95 **Absence of Officials:** In the unlikely event that game officials do not arrive for a contest, both schools should agree on one of the following procedures:
- (a) Delay the game until a new set of officials can arrive;
 - (b) Agree to play the game on another date except a Sunday;
 - (c) Use registered officials who might be in attendance at the contest;
 - (d) Use coaches or school personnel from both schools;
 - (e) Use formerly registered officials who might be in attendance at the contest.
- 2.96 **All Star Teams:**
- (a) In accordance with state law, member schools shall not permit their teams or players to participate in "Bowl" or "All Star" games during the GHSA regular season or during GHSA playoffs.  - (b) The GHSA is not involved in either sanctioning All Star games or overseeing the selection process.

Each region, either through its governing board or in general session, shall have the authority to:

- 3.11 **Make rules**, which do not violate GHSA regulations, in order to successfully operate the region organization.
- 3.12 Assess mandatory membership **dues** in order to operate the region organization.
- 3.13 Set deadline **entry dates** for all region contests.
- 3.14 **Oversee** the operation of **region contests** (post regular-season) by setting:

- 3.15 Set and assess **fees** for region contest entrants to pay expenses for the contest, and to pay the expenses of region representatives to the State contest.

3.16 The region, not the host school, has the copyright privileges to all region tournament (post regular-season) events, and the region should set and assess any **fees** charged for broadcasting or telecasting region tournament contests or events.

3.17 **Pay its Secretary-Treasurer** a stipend.

3.20 - REGION RESPONSIBILITIES TO STATE ASSOCIATION

Each region, through its Secretary, shall:

3.21 **Certify the winners** in all region meets and/or tournaments to the GHSA Executive Director within the time limits specified in the By-Laws for each event.

NOTE: **Gross receipts** are defined as total income before any charges such as stadium fees, officials, etc., have been deducted.

3.32 Regions (or Areas) that fail to follow stated procedures or deadlines may be assessed a fine for each violation.

BY-LAW 4.00 - STATE

4.10 - GHSA ADMINISTRATIVE RESPONSIBILITIES TO MEMBER SCHOOLS

4.11 The GHSA Executive Committee shall meet bi-annually to review By-Laws, policies and procedures of the Association, and to make additions, deletions, and modifications as necessary.

(a) The GHSA Executive Committee and Board of Trustees shall, from time to time, adopt whatever rules of procedure are deemed appropriate. The Chair of the meeting shall be authorized to conduct all such meetings in an orderly fashion subject to any changes in those procedures otherwise adopted by a majority vote of members present and subject to the following:

(1) "Pass" votes are not considered "No" votes

(2) Any Committee member may request a roll-call vote on any question before the Committee without the requirement of a majority vote.

(3) Members of the Executive Committee may propose new or amended rules, by-laws or actions to be taken or considered by the Executive Committee during the new business portion of Executive Committee meetings only if such proposal has first been submitted to the Executive Director for inclusion on the agenda for the meeting not later than five calendar (5) days prior to the date of the Executive Committee meeting. Provided however, that if the Executive Director certifies any proposal that has not been timely submitted to be of an emergency nature or to be necessary for the orderly transaction of the business or activities of the GHSA, then he shall have the authority to bring such proposal to the floor of the meeting for consideration of and action by the Executive Committee.

(b) The GHSA Executive Committee shall consider recommendations at its bi-annual meetings from member schools and/or region secretaries that are submitted in writing to the GHSA Office at least thirty (30) calendar days prior to the meeting.

4.12 The GHSA Office shall maintain an official record for all dues and fees received from any source, and shall provide for an annual audit of finances by a firm of auditors or a certified public accountant.

4.13 The GHSA Office shall provide all necessary forms on the GHSA web site, including the following forms from which copies are to be made to satisfy the needs of the member schools:

(a) Student eligibility forms.

(b) Declarations of intent to enter GHSA activities.

(c) Forms to secure sanctioning of events.

(d) Contracts for events.

(e) Financial statements for hosting GHSA events.

- 4.14 The GHSA Office shall provide an annual calendar that notes:
- (a) the beginning and end of the season for all activities;
 - (b) dates for Region, Area and/or State Playoff contests and/or tournaments

4.20 - RECLASSIFICATION

- 4.21 *Every two (2) years*, member schools will be assigned a “Reclassification Student Count” and placed in classifications for competition by one of the following procedures:
- (a) The Reclassification Student Count for Public schools will be based on the FTE count for students in Grades 9-12 provided by the Georgia Department of Education for the fall semester of the second year of the current reclassification cycle.
 - (1) A school will be considered a single-gender school if either gender composes less than 35% of the school population.
 - (2) A single-gender school shall have its FTE numbers doubled for the purpose of reclassification.
 - (b) The Reclassification Student Count for Private schools will be based on the actual head count of students in Grades 9-12 at member private schools as determined on September 15th of the second year of the current reclassification cycle.
 - (c) The Reclassification Student Count will be based on **projected** enrollment numbers for all schools affected by the opening of a new school, the consolidation of existing schools or the redistribution of students within a school system that must be submitted by the system Superintendent no later than September 15 of the second year of the current reclassification cycle.
 - (1) Projections must be filed for the next two school years and those numbers will be averaged to get the number by which the schools will be classified.
 - (2) In the event that a school’s actual enrollment in the first semester of the new reclassification cycle exceeds the projection average by 10% or more, or an existing school exceeds the projection by 5% or more AND the additional students would have resulted in the school being in a higher classification, the school shall not be eligible for post-season play in any sport for the entirety of that reclassification cycle.
 - (3) Schools may appeal the loss of post-season competition to the Reclassification Committee and then to the full Executive Committee.
 - (d) The Reclassification Student Count or classification placement of isolated schools will be determined by the Reclassification Committee in accordance with the “Isolation Rule.”
- 4.22 The Reclassification Committee may utilize the following factors in reclassification decision:
- (a) Consideration of travel time and costs, plus time out of school for students.
 - (b) Consideration of differences in the size of school populations.
 - (c) Consideration of competitive balance of the schools.
 - (d) Consideration of equitable access to playoff slots.
 - (e) Consideration of rivalries and gate-receipt issues.
- 4.23 The membership of the Association shall be divided into seven (7) classifications as follows:
- (a) Schools will be placed in classifications (according to their Reclassification Student Count) as follows:
 - (1) Class 7A: Largest 10% (approximately) of schools. **Note:** Schools may opt to play up into 7A, but no school may move down.
 - (2) Class A Public/Private: Smallest 20% (approximately) of schools. **Note:** Non-football playing schools will NOT be counted when calculating the schools being placed in Class A. They will be placed in appropriate regions later.
 - (3) The remaining schools (after 7A and Class A are populated) will be divided into five (5) approximately equal classifications (2A through 6A) with 19-21% in each class at the discretion of the Reclassification Committee.
 - (4) When schools opt to move up in classification, *only the exact number of schools at the bottom of the next class will be given the option to come down. If any of those schools opt not to come down, the GHSA office will not look further to larger schools in that class. Exceptions:* No school can move down from 7A; no school may move down into Class A; and there will be no corresponding movement down should a school opt to play up more than one class above its original classification.
 - (5) *The Reclassification Committee will assign Class A Public schools into regions and Class A Private schools into separate regions.*
 - (b) **Out-Of-Zone Multiplier:** *Every student attending a school from outside that school’s district-assigned attendance zone shall be counted as two (2.0) students when it comes to calculating that school’s Reclassification Student Count. And that school shall be placed in the classification where the increased count falls, except that no school shall be moved up into Class 7A, or out of Class A, and no school shall have to move up more than two (2) classes, by this rule. (Note: Schools compelled to play at a higher classification because of this stipulation may petition the Executive Director for stadium/arena seating*

waivers by August 31 of each year. If granted, the waiver would allow that school to use the smaller classification's seating requirements in order to comply with playoff by-laws.)

- (1) The designated reclassification attendance zone for all GHSA *public schools shall be that attendance zone assigned to the school by its respective school district.*
 - (2) *The designated reclassification attendance zone for all GHSA non-public and charter schools shall be the public school's attendance zone in which the non-public school or charter school resides.*
 - (3) *Children of certified teachers at the high school (grades 9-12) and military active duty dependent children will not be subject to the Out-Of-Zone Multiplier even if they live outside the school's designated attendance zone.*
 - (4) *All member schools must submit the number of students that will be counted as Out-Of-Zone students by October 15th of the final year of the reclassification cycle.*
 - (5) *Single-gender schools will have the Out-of-Zone Multiplier applied only to the actual number of students enrolled in the school and not to their doubled enrollment figure.*
 - (6) If a school is found to be intentionally reporting incorrect numbers, that school will be banned from participating in the state playoffs for two (2) years and must pay a fine of \$2,500.
 - (7) A school shall be allowed to appeal its classification placement to the Reclassification Committee by filing a written appeal with the Executive Director not later than seven (7) days after notification of its classification placement, setting forth in detail why it contends the placement is unfair or unjustified.
 - (8) The Reclassification Committee shall thereafter set a date for the hearing of such appeals. If the Reclassification Committee finds that the placement is unfair or unjustified, the school's placement may be modified by the Reclassification Committee. The decision of the Reclassification Committee may be appealed by the school to the Executive Committee. The Executive Committee will not consider objections from schools regarding contested classification placements unless those schools have filed timely appeals with the Reclassification Committee.
- (c) Each classification will have eight (8) regions unless otherwise determined by the Reclassification Committee or the Executive Committee.
- (d) The Reclassification Committee shall have the authority to assign a different Reclassification Student Count or classification placement for any school that is geographically isolated within its region in order to resolve difficulties in travel and time out of class. **Note:** Football may be exempted from the isolation policy.
- (1) An individual school shall be considered to be isolated if the average distance from that school to all other schools in the region is 100 miles or more one way.
 - (2) The decision to place a school in a higher or lower classification will be based on a combination of factors that include travel distances and school population size.
 - (3) If two or three schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to place those schools in another classification based on travel distances and school population size.
 - (4) If four or more schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to form a subdivided region in which crossover games with the other subdivision will not be mandatory for region standing.

4.24 When the membership is divided into classifications as called for by the GHSA Constitution, the following process will be used:

- (a) Schools will be assigned a Reclassification Student Count by the GHSA office.
- (b) Member schools will be able to review and verify their assigned Reclassification Student Count on the GHSA web site. When there is a major discrepancy between the school's count and the count determined by the GHSA staff, the school may appeal to the Executive Director to reconsider the count. The Executive Director's decision shall be final.
- (c) When enrollment figures have been verified, schools will be placed in the proper classification and schools will have seven (7) calendar days to file a request to play at a higher classification.
 - (1) A request to move to a higher classification must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
 - (2) A school that transfers to a higher classification must remain in the higher classification until schools are next reclassified on a statewide basis.
- (d) *The GHSA office will initially place schools in regions and the Reclassification Committee will then meet to ratify or modify those placements.* The decisions will be sent to the member schools after that meeting.
 - (1) There will be a mandatory subdivision of each region containing ten (10) or more schools by the Reclassification Committee (Exception: Cheerleading).
 - (2) The Reclassification Committee may subdivide a region consisting of less than ten schools if there is an extremely large geographic area within that region.

- (3) For football, the Reclassification Committee will require crossover games between teams in the subregions to guarantee a minimum of 70% of the season schedule unless there are isolation issues.
 - (4) For all other sports, subdivided regions must guarantee member schools a minimum number of contests within the region equal to 50% of the season schedule unless there are isolation issues.
 - (5) Any region subdivided because of geographic considerations may vote to play a full region schedule based on a two-thirds approval of all Principals in the region.
 - (e) Member schools will have seven (7) calendar days after notification of assignment to request a lateral move to another region, by filing that request with the Executive Director.
 - (1) A request to have a lateral transfer must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
 - (2) The request will be heard *at a meeting of the Reclassification Committee* and representatives from both regions shall be notified of the request, and may attend the meeting to voice their approval or state their concerns about such a move.
 - (3) A school that receives a lateral transfer must remain in that region until schools are next reclassified on a statewide basis.
 - (4) At a meeting *thereafter*, the Executive Committee shall hear any appeals regarding lateral transfers by the Reclassification Committee. Representatives from both regions involved in the appeal shall be notified, and may voice their approval or state their concerns about the appeal.
 - (5) Thereafter, the Executive Committee will approve, disapprove or modify the final reclassification and region alignment plan.
 - (f) Member schools may begin scheduling contests for the new reclassification cycle as soon as the final vote has been taken, the membership notified, and any region subdivisions finalized.
 - (g) When a majority vote is used in a subdivided region to determine scheduling and the process for selecting teams for post-season play, one or more schools may file a "minority report" with the Executive Director if the approved procedure is alleged to be unfair to all schools in the region. If the Executive Director believes that there is unfairness with the chosen procedure, the Reclassification Committee will meet and make a final decision on such matters. No further appeal will be allowed.
- 4.25 The following scheduling policy will be in effect for public schools entering the GHSA at the beginning of the second year of the reclassification cycle:
- (a) In sports where the region has two-year scheduling, the new school will not be able to play a complete region schedule at the varsity level. In those sports, the school could play a varsity non-region schedule or a JV schedule.
 - (b) In sports having year-to-year scheduling, the new school will have full membership once it has been assigned to the new region by the Reclassification Committee.
 - (c) In sports that have a region tournament to advance to post-season play, the region may allow a new school to accept a low seed in the tournament even though it did not play a complete region schedule. That is a decision made by the region.
- 4.26 Charter schools that apply for membership after the reclassification process has been completed will be accepted as schools playing sub-varsity schedules and/or non-region varsity schedules for the next reclassification cycle.

4.30 - STATE ASSOCIATION CONTEST/EVENT RESPONSIBILITIES

- 4.31 The playoff format for Class A schools will be different from all other classifications:
- (a) Public and private schools will compete with each other in post-season play in the sports of Wrestling, Swimming & Diving, Lacrosse, Riflery and Gymnastics.
 - (b) Public and private schools will have separate championships in the sports of Football, Softball, Basketball and Baseball. - 4.32 In regions having fewer than five (5) schools, the number of teams going to the state playoffs in the sports of Football, Softball, Basketball and Baseball) will be one (1) fewer than the number of teams in the region. Example: A region with four (4) teams would get three (3) automatic playoff berths. The remaining playoff slot(s) would be awarded to the highest-rated non-playoff team(s) as determined by the Executive Director. (Note: In calculating the highest-rated non-playoff teams in the sport of Football only, no games with schools below Class 5A will be counted for Class 7A teams.) *In regions with five (5) or more schools, but with only*

four (4) choosing to play a region schedule in a particular sport, the number of teams going to the state playoffs in that sport shall be the top four (4) seeds.

- 4.33 The Executive Director shall determine the activities in which a **State Tournament, Playoff, and/or Meet** are to be held.
- (a) In order for a new sport to have a state competition to determine a state champion, the sport or activity must show significant growth and financial stability for a period of three (3) years.
 - (b) The GHSA Executive Director will appoint a committee and a sport liaison to monitor the sport.
 - (c) In order to have a State Championship in an Open Meet Event, there must be a minimum of sixteen (16) teams participating and this will be determined with the "Intent to Participate" form that is submitted to the GHSA office the preceding school year (with the exception of coed cheerleading, which has a later deadline). Schools which submit this form and then withdraw from that sport will be fined.
- 4.34 The GHSA Executive Director shall determine and provide adequate **sites for all State Tournaments, Playoffs, and/or Meets** to successfully conduct the event.
- (a) Tournament sites will not be available to participating teams for practice prior to the tournaments.

The GHSA will also have the right to display signage of corporate partners and to restrict the use of goods in the competitive area that promote a competitor of GHSA corporate partners.
- 4.35 The GHSA shall provide team **trophies** for State Champions and Runners-Up, and individual **medals** for first and second place winners in all State activities.
- (a) The number of individual medals provided for team sports and activities is limited as follows:

Baseball.....22	Football.....56	Softball.....22	Wrestling (Dual).....14

- 4.52 The following items constitute the Athletic Officials Associations Approval Plan for the GHSA:

 - (1) The demand for officials in that activity in that geographic area of the state.
 - (2) The number of associations already in existence in that activity in that area.
 - (3) The extent to which member schools' needs are being met by existing officials associations in that activity.
 - (4) The assignment of officiating associations for most GHSA activities shall be the responsibility of the GHSA office.
 - (5) Officials' associations must maintain minimum membership levels in order to be considered "active associations" by the GHSA in certain sports. Those numbers shall be: Baseball (20), Softball (20), Football (30), and Basketball (30).
 - (6) New officiating associations may be established when it can be demonstrated that the needs of member schools will be met by adding an association.

 - (1) Such associations shall make **application** to the GHSA requesting approval.
 - (2) The **By-Laws** of such an association shall be subject to the approval of the GHSA and must include provisions indicating that the association and its members will be subject to the rules and authority of the GHSA. A current copy of the association by-laws/constitution must be submitted to the GHSA office.

Each local association is required to keep records of the background checks. Associations assigning contest officials to GHSA sanctioned contests who have not completed this requirement are subject to a monetary fine and possible loss of charter.
 - (c) The GHSA expects every officials association to operate in a manner that does not discriminate on the basis of race, sex, color, disability, religion, national origin or age.
 - (d) Officials associations shall not charge member schools any **administrative fees** not authorized by the GHSA.
 - (e) All Invoices for officiating fees in all sports shall be paid within 30 days of the end of the season. Failure to do so will result in a 10% late fee being charged to the member school by the officials' association. Associations must send a final season invoice to schools within one week of the completion of the season. Schools are prohibited from paying officials at the game site.
 - (f) Officials may register with only one (1) local association per sport during a school year, and officials are not allowed to officiate GHSA events until the registration process has been completed with the GHSA office.
 - (g) In the event that a local association does not have a sufficient number of eligible officials to work on a specific day/night, officials may be requested from other GHSA-chartered associations. - 4.55 All decisions of the GHSA Executive Director in regards to officials shall be subject to the **appellate procedures** as set forth in the GHSA Constitution.
- 4.56 **Universal contest fees** shall be charged for all scheduled, regular-season interscholastic contests (including scrimmages). The universal fee schedule shall be as shown in the chart in **Appendix F**. Schools and officiating associations may not reduce or increase game fees from those listed in this section. Penalties may be imposed for those violating this rule.
- 4.57 Current-year registered contest officials have the option to purchase a "GHSA Officials Card" through their local association via the registration process with the GHSA office. If this option is selected, an additional \$15.00 will be added to the annual GHSA registration fee. The "GHSA Officials Card" will allow the legal bearer of the card his/her admission (only) to all GHSA sanctioned events/activities.

4.60 - SPECIAL GHSA POLICIES

- 4.61 **Gender Equity:** The Georgia High School Association shall comply with the requirements of subsections (a) through (f) of Code Section 20-2-314, as those requirements relate to the association's functions of organizing, sanctioning, scheduling, or rule making for events in which public high schools participate. The Georgia High School Association shall, no later than October 1, 2003, and every year thereafter, submit a report to the General Assembly regarding its compliance with paragraph (1) of this subsection. Such report shall address the number, type, and disposition of written requests for the association to organize and administer regional or state events for additional or different sports; written requests for information regarding the types of athletic events for public high school students that the association organizes and administers; and written inquiries and complaints received by the association with respect to gender discrimination in connection with public high school events. The report shall address all such written requests, inquiries, and complaints, regardless of whether such request, inquiry, or complaint is made by letter, e-mail, memorandum, or any other form of written communication. Each report shall cover the time period beginning on July 1 of the previous year and ending on June 30 of the year in which the report is due. In addition, the association shall have in effect a policy requiring notification to persons who make such requests, inquiries, or complaints verbally that such request, inquiry, or complaint will not be included in the association's reporting to the General Assembly regarding compliance with this Code section unless such request, inquiry, or complaint is made in writing.
- 4.62 **Open Meeting/Open Records:** The Georgia High School Association shall comply with the requirements of Article 4 of Chapter 18 of Title 50, relating to the inspection of public records, and Chapter 14 of Title 50, relating to open and public meetings, to the extent that such records and meetings relate to the association's activities with respect to public high schools; provided, however, that such association shall not be required to comply with such statutes or to conduct open and public meetings or provide inspection of records where the sole subject of such meeting or record pertains to the academic records or performance of an individual student or the eligibility of an individual student to participate or to continue to participate in sponsored events or contests based on academics; provided. However, where a meeting or record of such association is devoted in part to matters excepted in the preceding proviso, any portion of the meeting or record not subject to such exception shall be open to the public.
- 4.63 **Steroids/Performance Enhancing Drugs:** The Georgia High School Association strongly opposes the use of anabolic steroids and other performance enhancing substances by high school student-athletes. The GHSA believes that such usage violates legal, ethical and competitive-equity standards and imposes unreasonable long-term health risks on the user. The GHSA encourages member schools to educate students and coaches about the perils of steroid usage, and the GHSA will distribute educational materials about this issue to member schools.
- 4.64 **Penalties for Violations:** In accordance with the GHSA Constitution, the Executive Director is empowered to make a determination as to whether a violation of GHSA rules has occurred, and to assess the appropriate penalty which may include a fine and/or probation. A non-exhaustive list of violations and fines is published in **Appendix P** of the Constitution & By-Laws.

ATHLETICS

(NOTE: State Playoff Brackets for ALL sports can be found in [Appendix B](#) at the end of this publication)

SECTION 1 BASEBALL

GENERAL INFORMATION:

- A. Baseball is a state championship event in each classification, and schools are aligned on a regional basis. In Class A, there will be separate championships for public and private schools.
- B. All games will be played by the rules published by the National Federation of State High School Associations (NFHS).
- C. The maximum number of **games** allowed (not including state playoffs) is thirty (30) of which at least four (4) games must be played as doubleheaders. This limit of 30 games includes any region tournament games. **Note:** If playing more than 26 games, at least two (2) doubleheaders must be played on non-school days. Beginning and ending dates for practice and competition can be found at the front of this publication.
- D. A school shall not allow its baseball team to engage in an interscholastic practice and/or scrimmage game, except for one (1) interscholastic scrimmage consisting of a 7-inning game using a “free substitution” format and umpires registered with the GHSA.
- E. All varsity baseball games shall be played with officially-dressed officials who are registered under the GHSA plan for the registration of officials.
 1. The assignment of officials for regular-season games, invitational tournaments, and any sub-region or region playoffs allowed in the 30-game limit will be made by the GHSA office.
 - (a) The GHSA will assign one or more associations to each school for their games.
 - (b) The school and the local association(s) will sign a contract for the games that are assigned.
 2. In accordance with By-Law 2.71-c, the host school has the responsibility of providing security escorts for umpires at all regular-season and post-season games.
- F. The following items allowed in the NFHS rule book as “State Adoptions” have been adopted by the GHSA:
 1. A game will end anytime that a team is 10 or more runs behind and has completed five or more turns at bat. A game will end anytime that a team is 15 or more runs behind and has completed three or more turns at bat.
 2. The suspended game rule will be used:
 - (a) When a game is stopped before it becomes a legal game (4.5 or 5 innings), it is considered “no contest” and any replay will begin from the first inning.
 - (b) When a game is stopped after it becomes a legal game and a winner can be determined, it is a completed game.
 - (c) When a game is stopped after it becomes a legal game and a winner can not be determined, any replay will begin from the point of interruption.
 - (d) In any terminated game, accumulated pitches will count.
 3. The use of the “courtesy runner” is the only “speed-up rule” that has been adopted. Being a courtesy runner does not count as a game played.
 4. *Sub-varsity teams have the option of using free substitution and a batting order of ten (10) players if agreed upon by both coaches before the game. Lineup cards must be presented to the umpire at the plate meeting and the batting order shall remain the same throughout the game.*
- G. The following interpretations have been approved by the GHSA.
 1. Termination of the game due to weather, unplayable conditions, or mechanical malfunctions:
 - (a) The umpires may halt play for up to two hours when conditions do not allow play to continue.
 - (1) The two-hour interruption(s) is cumulative
 - (2) The game must be terminated when the two-hour time has elapsed. If the first game of a doubleheader is terminated, the second game will be postponed.
 - (3) The two-hour period does not include time needed to prepare the field for the resumption of play.
 - (b) Umpires must wait for at least thirty (30) minutes before terminating a game for unplayable field conditions.
 2. **Pitching restrictions:**
 - (a) **Maximum Pitches in One Day:** Varsity 110; sub-varsity 90.

(b) **Required Rest Periods:**

<u>Varsity</u>		<u>Sub-Varsity</u>	
1-40 Pitches	0 Days	1-30 Pitches	0 Days
41-60 Pitches	1 Day	31-44 Pitches	1 Day
61-85 Pitches	2 Days	45-64 Pitches	2 Days
86-110 Pitches	3 Days	65-90 Pitches	3 Days

Note: A pitcher shall not throw more than 110 pitches (90 for sub-varsity) cumulative over a two-day period and cannot pitch more than two consecutive days. The rest period is based on the total pitches thrown during a given two-day period. Pitches thrown during a game that was suspended or rained out shall be counted towards any pitching restriction thresholds.

- (c) A pitcher at any level (varsity or sub-varsity) shall be allowed to finish the batter when the maximum (110 varsity/90 sub-varsity) pitch count limit is reached during an at-bat, but must be replaced immediately when that at-bat ends.
- (d) A "Day of Rest" is defined as a calendar day. Example: a varsity level pitcher who reaches the 110-pitch limit on a Tuesday would not be allowed to pitch again until Saturday.
- (e) Tabulation of Pitch Counts - It will be the responsibility of each team to track their own pitch counts throughout the game. And at the conclusion of the game, the head coaches shall meet to approve and agree upon the respective pitch counts for each team. It will then be the responsibility of the home team head coach to enter the agreed-upon numbers into the "PitchKount" electronic tabulation program.
- (f) In games versus non-GHSA member schools, the GHSA pitching restrictions shall be adhered to, regardless of the pitch count policy of the host school affiliation or state association. When playing out of state, it is the GHSA member school's responsibility to report the pitch count information *in PitchKount*.
- (g) State Tournament - The format for all rounds will be a "best-of-three" series with the first two games being played on the first day. During the State Tournament, no pitcher shall be allowed to throw more than 120 pitches over a three-game series.
- (h) If a school is found to have violated any of the provisions of this policy, the offending school shall be fined \$250.00 and the head coach at that level assessed a two-game suspension, and the game forfeited. Any subsequent violation during the same season will result in penalties being doubled and the head coach being required to meet with the Executive Director prior to being reinstated to coach.
- H. Contracts are required for all regular-season and playoff contests. Contracted games can not be canceled for any reason other than weather/playing conditions without the approval of the GHSA office. **Note:** When rescheduling, region games and games with Power Rating implications take priority.

STATE PLAYOFFS:

- A. Four teams from each region will advance to the state playoffs. Regions must determine their four winners within the 30-game playing limit. Class A teams will qualify for the playoffs through a power rating system.
- B. When a region does not have a tie-breaker method in place, the following procedure will be used for seeding purposes:
1. Percentage of head-to-head wins against tied teams
 2. Least number of runs allowed between tied teams
 3. Least number of runs allowed in overall region play
 4. Mini-game of five (5) innings
 5. In any step of the tie-breaking process if a tie involving more than two teams is broken so that all ties are broken, that step determines the placements. If two teams remain tied after a step is completed, revert back to head-to-head record to break the tie. If the tie cannot be broken, move to the next step.
- C. All rounds of the state playoff involve a best two-of-three series.
1. The higher seeded team, or the team designated as the host team by the Universal Coin Flip (if the teams are equal seeds), will host all three games.
 2. A doubleheader is required on the first day of each round of the playoff series.
 3. The host team will be the home team in the first game, and the visiting team will be the home team in the second game. *The higher-seeded team will be the home team for a third game, or a coin flip will determine home team if both teams are equal seeds.*
 4. At the end of each day, the *GHSA Baseball Liaison* will report the results to the GHSA office, or a designated location.
 5. The responsibilities of the host team are to:
 - (a) furnish game balls beyond those furnished by the GHSA
 - (b) notify the GHSA office as to the arrangements for the series

6. In the event that two schools involved can not agree on the arrangements for the series (dates, times, etc.), the GHSA Executive Director will make a ruling to cover the situation.
 7. In the event that a State Playoff game is suspended prior to becoming a legal game, it shall resume from the point of interruption on the next available date. If that date can not be agreed upon by the competing schools, the GHSA Executive Director shall determine the playing date.
- D. The play windows for the State Tournament are listed in the Beginning and Ending Dates published at the beginning of the Constitution. In all cases, the first date of the play window will be a doubleheader, followed by the "if" game on the second date.
- E. The finances for the **state playoffs** are as follows:
1. Admission fees **must** be charged for all post-season games: \$10 for doubleheaders and \$7 for single games.
 2. Total gate receipts include all ticket sales and radio/television payments (see fees in Broadcast section 2.80).
 - (a) The fee for a radio broadcast is paid to the host school prior to the game and is added into the gate receipts.
 - (b) Television contracts are negotiated by the GHSA Executive Director.
 - (c) Money from concessions and program sales are not part of the gate receipts.
 3. The process of dealing with finances is handled as follows:
 - (a) Twelve percent (12%) of the gross receipts will be paid to the GHSA.
 - (b) The umpires will be paid out of gross receipts.

NOTE: If the gross receipts are not sufficient to pay the umpires, the host school will pay that cost.
 - (c) The remaining balance is to be divided with 50% of the proceeds going to the visiting team and 50% to the host team.
 - (1) The visiting team shall be paid \$.80 per mile (one way) for travel.
 - (2) The host team is responsible for paying local service charges, stadium charges, operating expenses, personnel costs, etc., out of their 50% share.
 - (3) Admission fee for **State Championship Series** at a neutral site will be posted on the GHSA web site.
 4. At neutral-site games, each participating team is allowed free admission for a maximum of 25 players and team essential personnel. Coaches will be admitted with a GHSA coaching pass.

- F. All varsity basketball games shall be played with officially-dressed basketball officials who are registered under the GHSA plan for the registration of officials.
 1. The assignment of officials associations for regular-season games, invitational tournaments, and sub-region and region tournaments will be made by the GHSA office.

- (a) The GHSA will assign one or more associations to each school for their games.

 4. From the end of school in the spring until the first day of preseason practice, players may wear no other protective football equipment except helmets and mouthpieces for all voluntary workouts and passing league games. Institutional heat policies are also in effect for voluntary workouts supervised by school personnel.

5. All applications for team summer camps at GHSA schools or other facilities must be submitted to the GHSA office by May 1, and all subsequent correspondence to complete the application must be completed by May 15. Coaches for these players **must** verify that the participants have had acclimatization practices for five days immediately preceding the camp.
 6. Equipment allowed in summer (contact) camps is limited to helmets, shoulder pads and mouthpieces. Compression-style shorts that have thigh pads and/or girdle pads are NOT allowed.
- E. All varsity football games shall be played with a minimum of five (5) officially-dressed field officials who are registered under the GHSA plan for registering officials. The officiating crew also shall have an electric clock operator whose only duty is to operate the game clock.
1. In all games, the host school must provide some type of dressing facilities for officials at or near the game site that can also be used to hold the pre-game conference.
 2. During the regular season, the host school is responsible for providing a crew to work the sideline chains. These individuals must be responsible adults.
 3. In accordance with By-Law 2.71-c, the host school is responsible for providing security escorts for the officials at all regular season and playoff games.
- F. The following regulations are in place for GHSA football games.
1. All GHSA football games will have a twenty (20) minute halftime **unless** both school administrators agree in writing by Thursday of game week to shorten the halftime period to fifteen (15) minutes.
 2. Artificial noisemakers, except airhorns and whistles, are legal at football games. Illegal noisemakers are to be confiscated when visible and/or used.
 3. Bands are not to play during live-ball situations.
NOTE: This includes the situation in which there is no timeout and the teams are in a huddle.
 - (a) If, during a football game, a team claims interference with communications due to band noise, the Referee shall give a warning to one or both head coaches and the bands must cease playing.
 - (b) If there is a second offense by the same school's band, an unsportsmanlike conduct penalty will be imposed against that school's team.
 4. During the state playoff series, a crew of seven (7) field officials will be used.
 5. Fans shall not be allowed to enter the playing field either before the game or at halftime to form a tunnel for players to run through.
 6. In the regular season, a school may utilize a visible 25/40-second clock as long as the time is visible on both ends of the field and the clock is operated by a paid game official.
- G. **Spring Football Practice** for each school year may be held on ten (10) school days from February 1 until the end of the school year, spaced over 13 consecutive school days. (**Note:** Spring and fall scrimmage games and jamborees are considered to be extensions of practice as far as eligibility rules are concerned.)
1. Schools must choose by February 1 each year as to whether they will have spring football practice.
 - (a) If a school conducts spring practice, all preseason practice schedules remain the same (See item D. 3(b) for a listing of contact limitations).
 - (b) If a school chooses not to conduct spring practice, the team will be allowed to hold an additional (second) scrimmage game or controlled scrimmage against another school, or a jamboree with three teams playing a half against the other two teams, in the fall.
 - (c) Schools hiring a new coach may appeal to the Executive Director to change an earlier decision.
 2. Schools that have scrimmage game/games canceled or suspended by inclement weather will have the following options:
 - (a) Play on another night during the same calendar week (defined as Sunday to Saturday.) Sunday play is not allowed.
 - (b) Play during another week when the school does not have another scrimmage or regular season game scheduled. (**Note:** No scrimmage game may be played after a school's first varsity contest.)
 3. Schools which participate in Spring Practice are allowed to play a spring game/scrimmage with another school, or a jamboree with three teams playing a half against the other two teams, in place of their last (10th) practice of the spring (**Note:** Restrictions under by-law 2.62 (f-2) & (f-3) will apply).
 4. A football coach on the payroll of one school district, but under contract to another school district for the following year, may help with spring football at the new school, if the arrangement is satisfactory with both systems.
 5. Students enrolled in grade 8 in a middle school or junior high school that is a feeder school to the high school may participate in Spring Practice at that high school.
 6. No student (eighth grade or above) may participate in more than ten (10) days of Spring Practice, and may participate for no more than one (1) school.
- H. In case of a game being terminated in the first half (suspended game), By-Law 2.93-c must be followed.
NOTE: All varsity football games must be played to completion. Any interrupted game must be replayed from the point of interruption. The school that is behind in the score may choose not to continue the game and the score will

be recorded as it was at the point of interruption. NOTE: Teams will not be allowed to play two football games in the same week, except when making up a suspended game with the permission of the Executive Director.

- I. During warmups before the game and at halftime there shall be a division of the field, and neither team shall enter the other team's portion of the field. That division shall be as follows:
 1. Before the game: each team shall occupy the space from their own 45-yard line to the endline of their goal line. Neither team shall occupy the area between the 45-yard lines.
EXCEPTION: When kicking, each team shall have the area between the opponent's 45-yard line and kicking team's end zone in the side zone area on the same side of the field as their bench. Kickers shall kick toward their end zone.
 2. Re-entering the field before the game and at halftime: each team shall have the portion of the field between their bench and the near edge of each goal post - i.e., field divided lengthwise.
- J. The GHSA Overtime Procedure will be used whenever **two schools are tied** at the end of regulation play.
 1. This procedure involves giving both teams opportunities to score from the 15-yard line until the tie is broken.
 2. Overtime games are exempt from the 11:30 p.m. GHSA curfew.
- K. When there is a **competitive imbalance between teams**, the coach of a team trailing by 30 points or more at halftime may choose to play the second half with a running clock. Quarters will remain at 12 minutes.
 1. If the coach does not exercise the option of the running clock, the third quarter will be played with regulation timing.
 2. If the point differential reaches, or remains, 30 or more points during the third quarter, the clock will still run according to rule for the remainder of the third quarter, but the fourth quarter will have a running clock mandated.
 3. A running clock means the clock will be stopped only:
 - (a) after a touchdown and until the ball is kicked off.
 - (b) during deliberations for penalty administration.
 - (c) during charged timeouts or official's timeouts
 4. A game that is reduced in time by use of a running clock shall constitute a "completed" game to meet other by-law considerations.

GHSA OVERTIME PROCEDURE

1. There will be a 3-minute intermission between the end of regulation play and the coin toss to start the overtime procedure.
2. The captains will meet for the coin toss, and the winner may choose one of the following:
 - (a) Be on offense first
 - (b) Be on defense first
 - (c) Choose the end of the field on which to play
3. The ball is placed on the 15-yard line and the offense keeps the ball until:
 - (a) The ball is turned over on downs (NOTE: The team on offense can gain a first down.)
 - (b) The defense gains possession of the ball (ball is dead immediately)
 - (c) The offense scores a touchdown or field goal
 - (d) The offense misses a field goal
4. After the first offensive team completes its possession, the opposing team gets its opportunity from the 15-yard line.
5. If the game remains tied after each team has had an offensive possession, there will be a 2-minute intermission and the team that lost the first coin toss has the first option for the second possession.
6. For each additional overtime period (i.e., an offensive possession by each team) the original coin toss options are alternated.
7. Beginning with the third overtime period, a team must attempt a 2-point try after a touchdown.
8. Each team is allowed one timeout per overtime period. No timeouts may be carried over from regulation play.
9. Penalty enforcement is handled the same way in overtime as in regulation play.

REGION PROCEDURES:

- A. To qualify for championship consideration in a region or sub-region, a school must play a minimum number of games with schools in its region as determined by the region and the GHSA Reclassification Committee.
 1. In any region or sub-region in which there are six (6) or less schools, if each school plays two (2) games, both games will count as region games. In any other case where two (2) schools have played more than once during the regular season, only the first game scheduled shall count in the region standings.
 2. Any school playing a non-region or non sub-region schedule (i.e., not in consideration for a region championship) will not have its games count for or against any opponent.

- B. The GHSA Executive Director, upon presentation of evidence to show that a school can not secure the required number of games in a region or sub-region, may authorize each school to substitute any number of games in any classification or region to qualify for championship consideration. NOTE: A request for substitution of game(s) must be submitted prior to September 1.
- C. Four (4) representatives from each region will enter the post-season playoffs.
1. Each region will determine the way to designate the four representatives and their placement in the region (i.e., first place, second place, third place and fourth place). Class A teams will qualify for the state playoffs through a power rating system.
 2. In case there is a **tie between two teams** and the region does not have a different written tie-breaker plan, the following tie-breaking procedures will be used:
 - (a) If the teams played during the regular season, the winner of the game will have the higher placement.
 - (b) If the tie remains and both teams have qualified for a playoff spot, the region will determine the placement of the teams that are tied.
 - (c) If the tie remains and there is a playoff spot for only one team, the two teams that are tied will meet in a GHSA Tie-Breaker Game.
 - (1) The schools shall meet at a site selected by the GHSA Executive Director for a playoff on the Monday night after the end of the regular season.
 - (2) The two teams will play a GHSA Tie-breaker Mini-game, and the winning team will have the higher placement.
 3. In case there is a tie between three or more teams and there are spots for all the teams in the playoffs, the region shall decide the seeding of the tied teams.
 4. In case there is a tie between three or more teams and there are not spots in the playoff for all the teams, the following tie-breaking procedures will be used. NOTE: At any point in this process where a tie can be broken so that only two teams remain tied, consideration of head-to-head competition will be invoked. If the tie is completely broken for all teams involved at any step in the process, the tie-breaker process is completed.
 - (a) If the teams that are tied have played during the regular season game and one team has defeated the others, the undefeated team has the highest placement.
 - (b) If one team has not beaten all other tied teams, the school with the highest percentage of wins against the tied teams will have the highest placement. If the percentages leave two or more teams still tied, then revert to head-to-head records.
 - (c) If the tie remains, the teams that are tied will meet in a GHSA Tie-breaker Mini-game.
- D. When a region uses a regular-season playing date for games that determine the seeding of its four playoff teams, all games affecting seeding or the top three teams in each sub-region in Class A in the region that night will have officials assigned separately from the regular season assignments. The Region Secretary will work with the GHSA office to coordinate this process.

GHSA TIE-BREAKER MINI-GAME PROCEDURE (NOTE: The option to play a Mini-Game to break a tie is available only to regions that have adopted the GHSA plan for breaking ties without any modifications)

1. The schools shall meet at a site selected by the GHSA Executive Director for a playoff on the Monday night after the end of the regular season.
2. The games will consist of two five-minute halves. The play begins for the first half with a free kick, and standard game rules and scoring are used.
3. There will be a two-minute intermission between the halves. Play begins for the second half with a free kick.
4. Each team will be given two (2) timeouts in the first five (5) minutes and one timeout in the second five (5) minutes. Unused timeouts in the first five minutes may be carried over to the second five minutes.
5. If the score is tied at the end of two overtime periods, the teams will go to the GHSA 15-yard overtime procedure.
6. A coin toss will determine the order of play.
 - a. When three teams are tied for one open spot, the team winning the toss gets a bye - and then plays the winning team of the first Tie-Breaker game.

Example: Team "C" gets a bye
Team "A" plays Team "B"
Team "C" plays the winner of game 1
Winner of game 2 qualifies for the playoffs
 - b. When three teams are tied for two open spots, the following format will be used.

Example: Team "C" get a bye
Team "A" plays Team "B" and the winner qualifies
Team "C" plays the loser of game 1 and the winner qualifies
If Team "C" wins game 2, the regular season winner between Team "C" and the winner of game 1 will have the higher placement

- c. When four teams are tied for one open spot, the pairings will be determined by draw and the following format will be used.
 Example: Team "A" plays Team "B" in game 1
 Team "C" plays Team "D" in game 2
 Winner of game 1 plays winner of game 2
 Winner of game 3 qualifies
- d. When four teams are tied for two open spots, the pairings will be determined by draws and the following format will be used.
 Example: Team "A" plays Team "B" in game 1 and the winner qualifies
 Team "C" plays Team "D" in game 2 and the winner qualifies
 The winner of the regular season game between the two winning teams will have the higher placement
7. When teams play a mini-game tiebreaker on a Monday, their first round playoff game will be scheduled for the following Saturday unless both schools agree to play on Friday.

STATE PLAYOFFS:

- A. All rounds of games after the end of the regular season are considered part of the state playoff structure.

 2. In **ALL Rounds** except the Finals, game date and time will be set by mutual agreement. If that agreement is not possible, the GHSA Executive Director will finalize the arrangements. If an administrator does not attend the meeting at which the playoff contract is negotiated, the coach shall be authorized by the Principal to negotiate and sign a binding contract.
 3. In **ALL Rounds** except the Finals, one half of all permanent and temporary seats shall be offered to the visiting team, and it is the responsibility of the home team to regulate the seating so as to guarantee designated seating to the visiting team's supporters.

- (e) The GHSA will mediate with both teams involved when there are concerns about the safety of a venue in regard to seating limitations.

- A. Air riflery is a state championship co-ed event open to GHSA schools of all classifications.
1. Each school desiring to participate in riflery must file its intent by April 1, of the preceding school year by filing the form found on the GHSA web site (www.ghsa.net).
 2. Following notification of entry, each school will be assigned to an Area for competition that will be overseen by an Area chairperson. Teams will be notified of Area assignments when the total number of teams entering is determined.
 3. Contestants in riflery must be certified as being eligible through the GHSA Office. All rifle team athletes must have a sports physical on file at the school.
 4. Beginning and ending dates for practice and competition can be found at the front of this publication.
 5. JROTC programs may use school rifle team members in JROTC program competitive events. The athletes must be currently enrolled in JROTC and be entered as a JROTC unit and not as a school team. They may not enter competitions or tournaments unless there is a JROTC competition category.
- B. Competitions will be Open Class, which permits use of Precision or Sporter Class equipment using Precision air rifle rules. The latest edition of the "NATIONAL STANDARD THREE-POSITION AIR RIFLE RULES" (published by the National Three-Position Air Rifle Council, Camp Perry, P. O. Box 576, Port Clinton, OH 43452 - also available on website: <http://thecmp.org/air/national-standard-three-position-air-rifle-rules/>) will govern all GHSA matches except the following:
1. The course of fire will be the team event 4x3x10. All matches will be shoulder to shoulder. Postal matches will not be accepted. Team members will be distributed equally between relays if more than one relay is used.
 2. Except at the State Championship, Sectional, Semifinal and tie-breaker competitions, the coach may assist team members (without disturbing other shooters), during preparation, changeover and sighting periods, but may not physically assist the shooters in loading, cocking or adjusting the sights. After each of these periods, the coach must be behind the firing point.
 3. The "two scorers" referred to in National Standard Rule 8.3 will consist of a scorer from each team if outside scorers with no interest in the outcome are not used.
 4. The amount of protest period time (Rule 8.2) should be established by each Rifle Area prior to start of season or agreed upon by both coaches prior to the beginning of the match.
 5. The following safety regulations are mandatory for ALL competitions, training and practices: *An adult, approved by the school, must be present at all times that students have access to rifles.* Clear Barrel Indicators (CBIs) will be in all rifles when not firing. They will be inserted in the rifle when taken out of storage or cases. The CBI must visibly extend beyond both ends of the barrel when installed. The CBIs may be removed *only during preparation and sighting, record firing, changeover (after athlete is in a firing position), and sighting times.* They will be reinserted after each position stage and the rifle must be grounded. CBIs must be inserted anytime someone goes forward of the firing line or removes their rifle from the firing line. CBIs may be removed after the Range Officer gives the "You may discharge air downrange" command, then must be inserted after discharging air and left inserted until air rifles are placed in gun cases.
 6. There are three approved scoring methods: Manual scoring; *Electronic (EST) - Megalink, Meyton, Sius, Shooter Technology, CMP 10mTargets-Kongsberg (KTS);* and Visual Image (VIS) - Orion. The host school determines which to use.
- C. Each Area shall draw up schedules for each team in the Area.
1. Each Area schedule must be filed with the GHSA Office.
 2. The home or host schools should fax or e-mail team and individual scores to the area chairperson by the beginning of the next day after completion of the match.

3. Four competitors' scores comprise a team's score. Five may be used in post-season GHSA competition with the top four (4) scores counting as the team score. Areas may organize regular-season competitions as they elect in regard to the number of team members involved as long as only the top four (4) scores count as the school's team score. If a team has less than four competitors, it must forfeit the match (receiving a loss and the other team receiving a win). If both schools agree to compete with the forfeiture in place, the teams' scores do not count, but the individual scores from both teams will count as GHSA official individual scores.
4. Standings will be determined by won-loss results. A team may compete against only one other team in a given regular season match. Ties will be broken using National Standard Rule 8.6. If tie breaking rules are exhausted and the match is still tied, the match will be scored as a tie and each team credited with one-half win and one-half loss. In cases of identical won-loss records, the results of their season competition against each other will determine standings. If still tied then a shoot-off match will be held.
5. Before the start of the regular season, each Area will establish structure for determining Area winners and Sectional seedings. The Area will also appoint an appeals committee to handle protests and appeals in area competitions. NOTE: Decisions by the Area Appeals Committee may be appealed to the Executive Director when it is believed that Area procedures have been violated.
6. Area competition must be completed by March 14, 2020. Final Area standings must be reported to both the State Coordinator and the GHSA office no later than March 16, 2020.

RESULTS REPORTING:

- A. Area chairpersons should report weekly results in regular season and Sectionals by Monday of the following week.
- B. Results of Semifinals and tie-breakers (if required to determine the two invitational Championship teams) must be reported by the day following the competition.

SECTIONAL COMPETITION:

- A. The first six teams in each Area will advance to the Sectionals to be fired on March 28, 2020, or earlier if agreed upon by both Area chairpersons involved. The Area chairperson of the top three seeded teams in his/her area will coordinate the matches and report the results to both the State Coordinator and to the GHSA office not later than March 30, 2020. Sectional and Semifinal brackets can be found in Appendix B.

SEMIFINAL COMPETITION:

- A. The thirty (30) teams winning the Sectional competition will advance to the State Semifinal competitions to be fired on April 11, 2020 or earlier if agreed upon by both Area chairpersons involved. The Area chairpersons will coordinate the matches. All chairpersons will report the results and **all** individual qualifiers to both the State Director and Coordinator and to the GHSA office not later than April 13, 2020. **TEAMS AND ALL QUALIFYING INDIVIDUALS MUST BE REPORTED FOR THEM TO COMPETE IN THE STATE CHAMPIONSHIP.** Qualifying individuals' scores submitted by the Area Chairperson on regular- and post-season results fulfill this requirement.

STATE COMPETITION:

- A. The fifteen (15) teams winning the Semifinal competitions and the two (2) teams with the highest losing scores in the Semifinals qualify to compete at the State Championship. Any ties to determine the two additional teams to advance to the championship (identical high losing scores) will be broken with another match to be fired on April 15, 2020 or earlier if agreed upon by Area chairpersons involved. The higher-seeded team will host. If teams have the same seeding, a coin toss will determine the host site. Area chairpersons must report results of these tie-breaking matches to both the State Director and Coordinator and to the GHSA office not later than April 16, 2020.
- B. Competing team members at the Championship also compete for the individual competition. All other GHSA competitors firing 292 or better in a regular season GHSA Area match or in the Sectionals, Semifinals or tie-breaker also qualify for the state individual competition if their team does not qualify. Schools with more than five competitors with the 292 or better qualification may use five of these competitors as a team plus their additional qualifiers may compete for the individual championship. Finals procedures will be used in determining the state individual standings, but will have no effect on team standings.
- C. The State Riflery Championship will be held on April 25, 2020, at Fort Benning. The GHSA State Coordinator for Rifley is **Lisa Kelley** - 404-307-8041; email: lkelly1@yahoo.com; 2500 W. Ellis Road, Griffin, GA 30223. The State Championship Director is Eugene "Gene" Sudol - 404-518-8210; email: ntlent@comcast.net.

Beginning and ending dates for practice and competition can be found at the front of this publication.
- E. All GHSA varsity soccer matches shall be played with one or more officially-dressed officials who are registered under the GHSA plan for the registration of officials.
- F. Teams arriving late for a contest by thirty (30) minutes or more shall forfeit the match, and shall pay the officials unless prior arrangements are made in a timely manner, and both teams agree to start the game late or reschedule it. Consideration will also be given to emergency situations over which the traveling school has no control. The host school has the responsibility of notifying the officials of these changes.
- G. A student may not participate in more than three (3) halves of soccer per day except in a tournament setting, when a player may play two full matches in a calendar day.
- H. During regular season competition played between teams of different classifications, there will be no overtime procedure invoked when regulation play ends with a tie score, unless both coaches agree and inform the match officials prior to the start of the match. During regular season competition between schools in the same classification, and during region/area and state playoff competition, the **overtime procedure** described in item "E" later in this section will be invoked.
- I. In accordance with the National Federation allowance for a state adoption (Rule 7-1-5), when there is a competitive imbalance between the teams, the match will be shortened as follows:
 - 1. If a team is seven (7) or more goals down at the midpoint of the first half, that will be considered the end of the half, and the teams will play a twenty (20) minute second half.
 - 2. If a team is seven (7) or more goals behind at halftime, the second half will be restricted to twenty (20) minutes.
 - 3. When a team trails by ten (10) or more goals at halftime, the game will be terminated.

- K. In accordance with GHSA By-Laws, soccer coaches will be required to attend a GHSA rules clinic. Failure to do so will result in a fine for the school for each coach who does not attend.

REGION/AREA COMPETITION:

- A. When a Region or Area has not adopted its own tie-breaker method, the following **Tie-Breaking Procedure** will be used for seeding purposes:
 - 1. Record against all teams in the Region/Area.
 - 2. Winning team in head-to-head competition between schools that are tied.
 - 3. Goals allowed in head-to-head competition between schools that are tied.
 - 4. Goal differential in head-to-head competition between schools that are tied (maximum of three (3) goals per game).
 - 5. Goals allowed in all Region/Area games

6. Goal differential in all Region/Area games (maximum of three (3) goals per game). **Note:** When figuring “goals allowed” and “goal differential” in matches decided by penalty kicks, the winning team will have one (1) goal added to its game score and the losing team will have no goals added regardless of the number of penalty kicks that were made by either team.
 7. In any step of the tie-breaking process if a three-way tie is broken so that all ties are broken, that step determines the placements. If two teams remain tied after a step is completed, revert back to head-to-head record to break the tie. If the tie cannot be broken, move to the next step.
- B. If Region/Areas sub-divide into Sub-Regions/Sub-Areas, then the same tie-breaking procedures (A1 through A7) should be used substituting the word “Sub-Area” for “Area.”
- C. For Area and State competition, if the score is still tied at the end of the second overtime period, the penalty kick procedure will be used to determine the winner.
- D. Financial procedures for all Region/Area playoffs will be determined by the Region/Area. The host school is responsible for payment of officials. The admission fees for State playoffs begin immediately after Region/Area winners are determined.
- E. **OVERTIME PROCEDURE:**
1. *The overtime will consist of two (2) ten-minute periods, which will be played to their entirety.*
 2. A coin toss shall take place to determine which team will put the ball in play for the first overtime period.
 3. If the score remains tied following the *overtime periods*, a “**shootout**” of penalty kicks will determine the winner.
 4. The head referee shall choose the goal at which the penalty kicks will be taken.
 5. Each coach will select any five (5) eligible players (including goalkeeper) to take the kicks.
 6. A coin toss shall be held with the team winning the toss having *the choice of kicking first or last*.
 7. *Teams will alternate kickers*, and there is no follow up on the kicks.
 8. The defending team may change goalkeepers prior to each kick.
 9. Following five kicks from each team, the team with the greater number of successful kicks will be given one (1) point and declared the winner.
 10. If the same number of penalty kicks are successful for each team, each coach will select five (5) different eligible players who will kick in a “sudden victory” situation. Each team will have an opportunity to kick in each round of the sudden victory procedure.
 11. If there is no “sudden victory” winner after five (5) kicks, the process will be repeated until a winner is determined.

STATE COMPETITION:

- A. Four teams from each Region in classes 2A through 7A, and two (2) teams from each Area in class A Public and Private divisions, will advance to the state tournament.
1. Region/Area winners must be determined by the date indicated on the Beginning and Ending Dates table at the front of this publication.
 2. It is the responsibilities of the host team to furnish game balls beyond those furnished by the GHSA
 3. In the event that two schools involved can not agree on the arrangements for the series (dates, times, etc.) the GHSA Executive Director will make a ruling to cover the situation.
 4. Prior to the final round, the higher seeded team will host, unless the competing teams have the same seeding. In that case, a coin flip will designate the host team.

 3. The visiting team shall be paid \$.80 per mile (one way) for travel.
 4. After these three expenses are paid the schools involved will share the remaining gate receipts equally.
 5. The host school is responsible for security, facility fees, maintenance costs, etc., and these expenses shall not be taken out of gate receipts.

- C. Admission must be charged at all playoff games. Beginning immediately after Region/Area winners are determined, fees for single playoff games prior to the Championship Finals are \$7.00. Doubleheaders will be \$10.00.

If the 6-dive format is utilized and submitted, the first dive will continue to be from the group as specified by the NFHS and in the NFHS Rules Book. - B. In both the 6-dive and 11-dive formats, the meet must be scored by at least, but not limited to, three (3) judges. The official dive sheet that is submitted must be completed with all necessary signatures and information provided, such as phone, and e-mail information for the coach and diver, within one (1) week of the performance.
- C. **Proof of Performance:**
- 1) Only one Proof of Performance (POP) dive sheet per diver may be submitted by *uploading it onto the GHSA web site (www.ghsa.net)*.

 - (c) *Scores from the preliminaries and finals will be cumulative.*
 - 2) A diver will be automatically entered in the State Meet *upon submission of the actual dive sheet on www.DiveMeets.com* by the deadline and approval of the dive sheet by the GHSA.
 - 3) The deadline for changing a dive sheet is 4 p.m., on Wednesday, February 5, 2020.
- E. If a school has more than four (4) divers per gender that have been deemed eligible after official approval of the POP dive sheet, the school may submit a maximum of four (4) and only four (4) dive sheets per gender by the deadline.

**SECTION 13
TENNIS****GENERAL INFORMATION:**

- A. Tennis is a team championship sport for boys and girls that is based on Region play in all classifications except for Class A, which is based on Area play and will have separate championships for private and public schools. Beginning and ending dates for practice and competition can be found at the front of this publication.
- B. All tennis matches will be played according to tennis rules published by the U.S. Tennis Association (USTA) unless otherwise specified by the Georgia High School Association.
1. The rules of the USTA Handbook relating to lateness for a match will apply to GHSA matches.
 2. There will be continuous play except that a GHSA certified coach from that school may talk to their player(s) as they change ends of the court after a game, but the player(s) must stay on the court.
 3. In regular season play and in the Region/Area tournament, the 8-game Pro Set format is allowed *if both coaches are in agreement*. 8-Game Pro Set: First player to win 8 games by a margin of 2 games (ie, 8-5, 8-6, 9-7) wins the set - if score gets to 8-8, the tie-breaker as outlined in this section is used.
- C. Teams are restricted to no more than eighteen (18) varsity matches excluding Region/Area and State tournaments. The 18 matches are for the complete team (singles and doubles). There will be no singles tournaments allowed.
1. Each match played in an invitational tournament or multiple match counts toward the maximum of 18.
 2. No school shall enter any invitational tournament unless it has been approved by the GHSA Executive Director.
 3. It is permissible for coaches to use "split squads" during the regular season. However, the use of split squads will count as two (2) of that school's maximum allowed competitions.
 4. There shall be no interscholastic practices and/or scrimmages.
- D. The format for all GHSA tennis matches shall be three (3) singles matches and two (2) doubles matches. With prior agreement of both coaches, JV squads may use a format of two (2) singles matches and one (1) doubles match. NOTE: No GHSA match at any level may be played where there are fewer than three (3) points available and any pre-match forfeitures must take place at the lowest level. No. 1 singles and No. 1 doubles may never be forfeited before a match begins.
1. An individual player may play in either one (1) singles match or one (1) doubles match ONLY.
 2. Substitution is not permitted once a match is engaged under USTA definition. If any injury occurs during play that prevents a player from completing the match, that player defaults and the opponent is awarded the victory.
 3. *Teams have the option to play a 10-point tiebreaker (see USTA rules for playing process) in lieu of a full third set during the regular-season and Region/Area tournament by agreement of the two coaches during the regular-season and by a majority vote of the Region/Area coaches in the Region/Area tournament. Note: All State Playoff matches must be best of three full sets.*
 4. *Teams may play up to three (3) matches in a day during Region/Area tournaments IF a 10-point tiebreaker is used in lieu of a full third set in all three matches.*
- E. 7-Point Tie-Breaker for Singles (Team A vs B)
1. This is used when the score is tied 6-6 (or 8-8 in Pro-Set) in any set (1st, 2nd, or 3rd).
 2. Player A serves the first point from the right service area.
 3. Player B serves the second and third points from the left and right service areas respectively.
 4. Player A serves the fourth and fifth points - again alternating the service areas.
 5. Player B serves the next two points and ends of the court are changed between these two points.
 6. Player A serves the eighth and ninth points.
 7. After this, the serve is alternated on every two points.
 8. If the tie-breaker ends with a 6-6 score, the players change ends of the court and alternate serves until one player is ahead by two (2) points - which gives that player a set victory of 7-6.
 9. Players switch ends of the court after every six (6) points and at the end of the tie-breaker.
- F. 7-Point Tie-Breaker for Doubles (Team A & B vs C & D)
1. Player A serves the first point from the right service area.
 2. Player C serves the second and third points - alternating the service areas.
 3. Player B serves the fourth and fifth points.
 4. Player D serves the sixth and seventh points, and ends of the court are changed between the points.
 5. After this, play continues with the same service rotation until one team has either won seven (7) of the first twelve (12) points, or a team established a two-point margin after twelve (12) points have been played.
 6. Teams change ends of court after every six (6) points and at the end of the tie-breaker.

REGION / AREA COMPETITION:

- A. Each Region/Area will determine how it will choose its top four (4) teams.
1. In Classes 2A through 7A, the top 4 Region representatives shall be determined no later than April 16, 2020. In Class A, the top four teams from each Area must be determined no later than April 21, 2020.
 2. The top four Region (2A through 7A) teams must be submitted to the GHSA by 9:00 a.m., on April 17, 2020; the top four Area teams in Class A must be submitted to the GHSA by 9:00 a.m., on April 22, 2020.
 3. Five percent (5%) of the gross gate receipts (if admission is charged) will be sent to the GHSA, and then the Region/Area will decide how to handle expenses and disbursements.
- B. At the end of the regular season and **prior to any post-season play**, each coach will submit to the Region/Area tournament director an **official playoff roster** (form to be found on GHSA website) listing the singles players as Nos. 1, 2, and 3 and the doubles teams as Nos. 1 and 2, **in proper order of ability** (based on the integrity of the coach). This roster will be the lineup used in ALL tournament play thereafter, unless an alternate is used under the restrictions listed below. NOTE: If no Region/Area tournament is held, the lineup must be submitted to the Region Secretary at the end of the regular season and prior to the start of the state tournament.
1. Stacking of one's lineup is strictly prohibited in any regular-season match, invitational tournament or state tournament match. An obvious attempt to stack a lineup (i.e., use a player or doubles team below their relative ability level on the team) may result in the immediate disqualification of the entire team.
 - (a) For each regular-season match, the coach will choose three players (A, B & C) to play singles and two pairs of players (D1 & D2) to play doubles that day. The best player of A, B and C must play the No. 1 position in singles and the weakest must play No. 3 singles. The best doubles team of D1 and D2 must play No. 1 doubles (Note: Points may only be forfeited beginning with the lower positions and working upward unless an injury or illness occurs after a match has begun).
 - (b) It is not stacking to alternate from match to match during the regular season the positions of A and B, B and C, and even A and C if the players are of relatively equal ability. Likewise, D1 and D2 could alternate if these teams are of relatively equal ability.
 - (c) It is not stacking if players alternate from singles to doubles, and vice versa, from match to match during the regular season as long as the singles players being used that day are listed from No. 1 to No. 3 according to relative ability, and the best doubles team being used that day plays at No. 1 doubles.
 2. Designate up to four (4) **alternates** on the **official playoff roster** to be used under the following conditions:
 - (a) Alternates should not be better in ability than ANY of the players listed on the playoff roster in the positions of Nos. 1, 2, or 3 singles OR Nos. 1 or 2 doubles.
 - (b) Alternates may be used in either singles or doubles competitions, but the same player may not be used for both in the same round of competition.
 - (c) Substitutions made after the official playoff roster has been submitted must be made at the lowest level of singles play with all others moving to the higher level of competition. In doubles competition, the coach has the option to place the alternate in the open slot or to place the alternate on the No. 2 doubles team and move a player from the No. 2 doubles team to the No. 1 doubles team, if the original vacancy is on the No. 1 team. A player may never be used in a position lower than his original position.
 - (d) If the original contestant(s) resumes play, everyone moves back to their original positions listed on the submitted playoff roster.
 - (e) A player listed as a singles player on the **official playoff roster** shall not switch over to doubles competitions in any later round, or vice-versa.
 3. A serious injury, illness, suspension or other conflict MAY warrant a waiver of the anti-stacking restrictions listed above. Such waivers will be considered on a case-by-case basis upon receipt of proper documentation to the GHSA office, including a letter signed by the school's principal.
 4. A school objecting to an opponent's lineup must provide documentation (newspaper articles, scorebooks, or written confirmation from opposing coaches) of any stacking violations.

STATE TOURNAMENT:

- A. The State Tournament is considered a continuation of the Region/Area Tournament.
1. Tournaments will be held for both boys teams and girls teams in each classification with separate tournaments for public and private schools in Class A.
 2. Trophies shall be presented to the champions and runners-up in each classification - both boys and girls.
 3. In order to host a State Tournament match beyond the region level, the host school must have available a minimum of two (2) courts. Four (4) courts is preferable.
 4. All State Tournament matches must be played on composition (hard) surfaces unless the competing schools agree to play on a non-composition surface prior to the matches.
 5. In classes 2A through 7A, the **First Four (4) Rounds** of the State Tournament will take place on the "home" courts of the higher seeded teams with the following schedule: The **First Round** must be completed **no later than** April 21, 2020; the **Second Round** must be completed no later than April 25, 2020; the **Quarterfinal**

- Round** must be completed no later than April 30, 2020; and the **Semifinal Round** must be completed no later than May 5, 2020. If the teams are equal seeds, a “universal” GHSA coin flip will determine the host school.
6. In class A (public and private schools), the **First Three (3) Rounds** of the State Tournament will take place on the “home” courts of the higher-seeded teams with the following schedule: The **First Round** must be completed **no later than** April 25, 2020; the **Quarterfinal Round** must be completed no later than April 30, 2020; and the **Semifinal Round** must be completed no later than May 5, 2020. - B. All GHSA Track meets will be run in accordance with the rules published in the National Federation Track and Field and Cross Country Rule Book with any exceptions and/or adoptions noted in this section. (NOTE: Knowledge of and compliance to all exceptions is the responsibility of the head coach.)
- C. Track meet requirements:
 1. There will be no interscholastic practices or exhibition meets in Track.
 2. The maximum number of meets that may be scheduled is twelve (12), but no individual student may compete in more than ten (10) meets (excluding the Region/Area, Sectional and State Meets).

 4. It is permissible for coaches to use “split squads” during the regular season. However, the use of split squads will count as two (2) of that school’s maximum allowed competitions.
 5. In accordance with By-Law 2.66, only one night before a school day may be used with a meet starting at 6:00 p.m. or later.

- D. Any meet involving eight (8) or more schools must be approved by the GHSA Executive Director in accordance with the process described in By-Law 2.64.

ONE ACT PLAY

GENERAL INFORMATION:

- A. One Act Play is a Region event in classifications 2A through 7A, and an Area event in Class A.
1. Each school wishing to enter One Act Play must notify the Region Secretary/Area Coordinator no later than October 1.
 2. Region/Area winners must be determined by the date indicated in the Beginning and Ending Dates table at the front of this publication, and the GHSA State Office must be notified immediately.

- B. The GHSA State One Act Play Coordinator and Director of Adjudication is **Dean Slusser** (e-mail: dslusser@camden.k12.ga.us).
- C. Specific Contest Rules:
1. Schools may choose to enter an excerpt or abridgement of a play as their One Act Play selection. Schools may not compete with a play or musical that was produced or work-shopped in the previous school year or previous two summers. Schools found in violation of this rule will be disqualified from competition.
 2. Schools choosing to enter musical productions shall not use a reproduction of the original soundtrack as part of the presentation.
 3. Each school assumes full responsibility for royalties and any other limitations on the play that is selected.
 4. Each school is responsible for its own props, costumes, and make-up.
 5. Each school is given 55 minutes to set-up, perform, and take-down its presentation. The official time will be kept by an assigned adult timekeeper.
 6. The adult timekeeper will record times and provide them to the lead judge at the end of the competition, after all the judges have completed scoring the plays. Any school that exceeds its time allotment will be penalized two (2) points for each fifteen (15) second period or portion thereof per judge.
 7. Only set pieces (free standing) may be used.
 - (a) Schools are **not to use EXCESSIVELY LARGE or COMPLICATED** set pieces that take a long time to unload and assemble, etc. This is an acting competition - not a set competition. Keep sets simple.
 - (b) The time used to set-up and take-down set pieces is counted in the time of the presentation. Any debris and confetti must be swept up.
 - (c) Once the preceding play clears the wings/backstage area, the next play has 15 minutes for set-up. They may use this time for any show prep activities they choose, including, but not limited to, walking the stage, setting sound levels, running light checks or cues, practicing set-up and strike. All production-related materials must be back in their pre-show positions behind the "go lines" by the end of 15 minutes. If they are not set up at the end of that 15-minute interval, timing of their play begins and counts towards their 55-minute limit. Schools will be reminded to place all production pieces behind the "go lines" before the end of their 15-minute interval. Time will not be stopped to allow for the shift. **Note: During Region and State competition, "spike tape" can be placed during the 15-minute pre-performance time period and must be removed prior to the school saying "Stop Timing." (Effective 2020-21 school year.)**
 - (d) No part of any setting may be attached to any part of the stage, curtains, draperies, or other existing equipment of the host school.
 - (e) The site host shall establish and tape "go lines" to define the preset/strike area. All set pieces must be placed behind these "go lines" prior to the start of time in the Strike Area on stage. These lines shall be placed: at the wing line on stage right; at the wing line on stage left; at the mid-stage traveler line (or at mid-stage if there is no traveler); and at the upstage traveler line (or upstage, allowing for a backstage pathway, if there is no upstage traveler). When time is started, ALL set pieces must be moved PAST these lines onto the playing space. No portion of the Strike Area holding set prior to the production may be used as performance or scenic space. Before time is stopped, all pieces must be moved off the playing space behind the "go" lines. Sets should be designed to easily move onto and off the stage.
 - (f) The Director of each show in the competition shall decide which upstage "go line" is to be used for the production. The line selected to begin the performance shall be the line used to end the performance. Time will start and stop based on the line selected.
 8. No flame of any type can be used, including candles. Real weapons of any kind, such as a sword or knife, etc., cannot be used. Schools using simulated weapons must carry with them a letter from the school principal authorizing their use, and must confirm permission with the site host that the use of simulated weapons is allowed by the host school and/or system. Use of simulated weapons cannot be in violation of any local board of education policy of the participating school or the host site. Violation of this rule will result in disqualification (zero tolerance rule). Contact the host school for any clarification of their rules.
 9. Plays are to be announced by the order of appearance number or the title of the play rather than by school name.
 10. Only eligible students are allowed on stage during play performance. Piano placement must be outside the performance area if an adult is playing. Adults may assist in loading and unloading of sets only prior to starting time and once time has stopped. This policy includes the placement of speakers and monitors from the front of the stage onto the apron. Migrant students may assist with pre-show load in and post-show strike, but may not appear in the performance area, seen or unseen, while time is running.
 11. Principals must review the school's play and sign the statement on the "One Act Play Information Sheet" stating that the presentation is acceptable and approved to represent the school in the competition.
 12. The use of "microphones" is allowed.
 13. Score sheets can be found on the GHSA web site (www.ghsa.net).
- D. No photography or videotaping is allowed of any One Act Play performance.

- E. A mandatory program for judges' training for One Act Play competitions has been implemented. All judges in GHSA One Act Play competition must have completed the training program.
- F. *GHSA has instituted an **online Coaches Clinic for One Act Play** beginning with the 2019-20 school year. All school-listed One Act Play Directors from each school **MUST** complete this online clinic or the school will be fined. Any other coaches involved with One Act Play are encouraged to complete the clinic also.*

APPENDIX 'A'

ALLIANCE OF GEORGIA HIGH SCHOOL ASSOCIATION AND AMERICAN ASSOCIATION OF ADAPTED SPORTS PROGRAMS

Since 2001, the GHSA has been involved in an alliance with the American Association of Adapted Sports Programs. This is a growing relationship in which both organizations are working together for the benefit of physically disabled and visually impaired students.

The Georgia High School Association and the National Federation of State High School Associations have long held the philosophy that participation in competitive activities is an integral part of the educational experiences of high school students.

While the GHSA has accommodated participation of disabled students in several sports and activities, we have not ventured into the area of facilitating participation of physically disabled students in adapted sports.

The GHSA recognizes that AAASP is the premier organization administering adapted sports, and the GHSA wishes to partner with AAASP by providing competitive activities for our physically disabled students in addition to lending our resources to their endeavors. Under the leadership of Beverly Vaughn and Tommie Storms, this organization provides tremendous opportunities in the area of adapted sports.

AAASP oversees competitions in wheelchair basketball, wheelchair track, wheelchair handball, power hockey, wheelchair football and beep baseball throughout the state of Georgia. Additionally, AAASP personnel travel throughout the United States helping schools establish and maintain athletic programs for physically disabled students.

It is important for school personnel to understand the opportunities available for disabled athletes, and to share that understanding with students in their schools. It is also important that coaches appreciate the value of athletics in the lives of disabled students, and the particular techniques involved in coaching disabled athletes.

AAASP stands ready to assist school personnel in their endeavors. For more information, please use the following contacts:

APPENDIX 'E'

ELIGIBILITY REPORT INSTRUCTIONS

Items to which specific attention should be directed are:

1. GHSA Eligibility Form A and Form B, instructions, and other eligibility forms are provided to all member schools on the GHSA website.
2. The report submitted to the State Office becomes a permanent record. Care should be taken to have the information fully correct and complete. An error could seriously affect the eligibility of a student and penalize a school.
3. The signature of the principal or assistant principal or athletic director, along with the report preparer is required on the Form A, Form B and Form C Eligibility Certificates. That signature certifies that all data is correct and accurate.
4. Boys and girls may be listed on the same Form A, and more than one activity may be listed on the same Form A.
5. Once a student has been certified eligible in a given school year, it is not necessary to re-file that student in subsequent activities unless region rules specify differently. The GHSA office maintains that once a student has been reported and declared eligible for the school year, no further report is necessary for that student during the school year UNLESS his/her eligibility has been interrupted. There is no longer any need to submit a Form B for a previously-cleared transfer student. Transfer students are never listed on a Form A.
6. An eligibility report must be filed prior to the calendar date for the first possible **practice** in any activity. Supplemental filings may be made throughout the season. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Riflery competitions are due twenty (20) calendar days before the first contest.)
7. When filing an eligibility report, use only current GHSA approved forms. A COMPATIBLE computer format of the eligibility report from member schools will be acceptable **so long as the information is in the exact order and form** as shown on the GHSA Eligibility Forms.

9. CERTIFICATE OF ELIGIBILITY (Non-Transfer Students) - FORM A

- A. All non-transfer students will be filed online on the GHSA MIS web site.
- B. NAME: List students in alphabetical order by date of entry - ninth grade (9-10-11-12). Give the full name with the last name listed first.
- C. DATE OF BIRTH: Give the month, day, and year of the student's birth. A student whose 19th birthday was prior to May 1 of the preceding school year, is over age and not eligible to participate. You will be assisting the student if you require a birth certificate to be presented to you for verification of age.
- D. DATE STUDENT ENTERED 9th GRADE: Complete the month, day, and year the student took the first 9th grade class at any school. This is not necessarily the date the student first entered your school. A student will not be eligible for participation for more than eight (8) semesters from the date the student entered the ninth grade.
- E. TOTAL UNITS EARNED PREVIOUS SEMESTER: Show the total number of units the student earned the previous semester. In order to be eligible, (beginning with the second semester of 9th grade) the student must have earned at least 2.5 units or their equivalent the semester immediately preceding participation. Place an "E" in the Units Earned column and Total Units Accumulated column for entering ninth grade students.
- F. TOTAL UNITS ACCUMULATED: Show the total number of units the student has accumulated thus far in his high school career. To be eligible, the student must accumulate units that count towards graduation as follows:

END OF FIRST YEAR:	5 Units
END OF SECOND YEAR:	11 Units
END OF THIRD YEAR:	17 Units

Students who lose eligibility for not meeting the unit requirements at the beginning of the year may regain eligibility during the school year by accumulating the units required at the end of the semester and by passing the

required number of subjects the previous semester. REMINDER: Eligibility is lost or regained on the first day of the new semester.

G. ELIGIBILITY STATUS: This column is for GHSA use only.

10. CERTIFICATE OF ELIGIBILITY - TRANSFER STUDENTS - FORM B

- A. TRANSFER STUDENTS: FORM B MUST BE TYPED OR ENTERED ONLINE ON THE GHSA MIS WEB SITE. If a student has transferred to your school during the past twelve (12) months after entering 9th grade (and has not been cleared previously) complete and submit a Form B for that student. If the transfer student has been in your school one full calendar year, do not file a Form B. NOTE: Transfer students who do not meet eligibility guidelines for migrant students are eligible to participate at the sub-varsity level ONLY, provided they meet academic standards.
- B. ACADEMIC DATA: This is the same information that is required for non-transfer students on Form A.
- C. YEARS ATTENDED: List all previous schools the student attended beginning with the 9th grade.
- D. ADDRESS (PRESENT/PREVIOUS): Give full street addresses and DO NOT use post office box numbers.
- E. LIVES WITH/LIVED WITH: Use the full name(s) of the parents, step-parents, guardians, etc. With blended families it is sometimes confusing when complete names are not given.
- F. DATE STUDENT ENROLLED: Be precise as to the date the student entered your school.
- G. EXCEPTIONS: Certain situations allow a student to be eligible without a bona fide change of address. See By-Law 1.60.

FOR THE CURRENT YEAR (2019-20):

1. A student whose birth date was prior to May 1, 2000, is overage and is not eligible.
2. A student who entered 9th grade prior to August of 2016, has exceeded eight (8) semesters and is not eligible.

11. CERTIFICATE OF ELIGIBILITY - FORM C

- A. STUDENTS WITH INTERRUPTED ACADEMIC ELIGIBILITY: Form C must be typewritten. A student gains or loses eligibility on the first day of each semester. If the student is not eligible because he has an "Incomplete" in one or more classes, or if the student is in a Credit Recovery Program at the beginning of second semester, the student has 15 school days to become eligible. That student may not practice or compete in the interim. (see By-Law 1.58). Students who have had their academic progress interrupted need to be filed on a Form C, even if their eligibility form has been submitted previously. Be certain that the relevant portions of this form are filled out completely.
- B. FILING PROCEDURES:
1. The upper half of the Form C is to be completed just like a Form A. The numbers in the "Units Earned Previous Semester" column and the "Total Units Accumulated" column should reflect the progress made in the 15-school-day period.
 2. The lower half of the Form C is to be completed according to the particular issue for the student. One portion is completed if the student was making up "Incompletes," and the other is completed if the student was involved in a "Credit Recovery Program."

If the course work is not made up in the allotted 15-school-day period for the second semester, the student is ineligible for that semester. The Principal still has the option of filing a "Hardship Application" if there are special circumstances that prevented the completion of the coursework in the 15-school-day period.

GHSA FINES STRUCTURE FOR RULES VIOLATIONS

In accordance with Section 13 of Article IV of the Constitution of the Georgia High School Association, member schools are required to abide by all the rules of the Association.

The Executive Director of the Association is empowered to make a determination as to whether a violation of GHSA rules has occurred, and to assess an appropriate penalty that may include:

Pursuant to such authority, the Georgia High School Association, by and through its Executive Director and with the approval of the GHSA Executive Committee, implements and publishes the following ranges of fines for certain designated offenses. Such fines are in addition to the other penalties set forth above. The amount of such fines and the imposition of other penalties shall be determined by the Executive Director upon consideration of the facts and circumstances of the violation and shall include, but not be limited to, the following factors:

1. Whether the violation was the result of carelessness, willfulness, or ignorance.
2. The length of time the violation continued.
3. Whether the offense was self-reported or resulted from a complaint by another school, and the extent of cooperation by school officials in the investigation of the violation.
4. The number of violations involved.
5. The result of the violation (i.e.:
 - a. injury to a person
 - b. financial gain of the offending school or financial loss to another school and the amount thereof
 - c. damage to the reputation of the GHSA
 - d. whether the violation substantially contributed to winning or losing a game or contest
6. Whether the school involved has had similar or other violations within the past three (3) years.
7. Any other factors deemed by the Executive Director to merit a more or less severe fine and/or penalty.

The list of violations set forth in this listing is not all-inclusive, and if a violation of rules occurs which is not listed herein, then the Executive Director shall have the authority to assess penalties that he deems appropriate.

In addition to the listed fines and penalties, the Executive Director may issue a severe warning to a member school which places the school on notice that further violations of GHSA rules will result in increased fines and/or penalties.
