April 10, 2004

Dear GHSA Rifle Championship competitors and coaches:

Congratulations on earning the opportunity to compete for the State Championship. You should feel honored and proud. Your schools and families should share those feelings.

The Georgia High School Association (GHSA) is very supportive of our sport. Many of our former athletes continue to compete and succeed. Coaches from other states have frequently commended our program where student athletes have the opportunity to compete weekly with home and away schedules.

This year we had 36 student athletes attain the state qualifying minimum qualification score (MQS) of 290. This is a commendable achievement for both athletes and coaches. There is a probable rule change for next year that will internationally ban the canvass and leather shooting pants. This change, if adopted, will remove some physical support which may result in some lower scores. The positive side is the change will reward those individuals and teams who are most committed to hard work and wise training.

We are fortunate again this year that Fort Benning and the US Army Marksmanship Unit (USAMU) are willing to provide their facility for our championship. We thank them. We especially thank all of the officials listed in this publication. They have all given time and talents, not only to make this event possible, but to make it one of the best and most memorable rifle championships anywhere.

Cheer for those who represent our sport and our country in the Olympics this August in Athens, Greece.
