Dear GHSA State Riflery Championship Athletes and Coaches,

I congratulate you for your success in reaching this level. Competing in a state high school championship is an earned privilege. Only a very small percentage of athletes and coaches get the opportunity.

We hope this championship is a special experience you will remember fondly for many years. We are fortunate in many ways. The Georgia High School Association's support far exceeds that of other state associations. The United States Army Marksmanship Unit willingly hosts our championship at the Pool International Shooting Complex. This enables you to compete in a great facility, complete with electronic scoring and scoreboards, that is home to many world class competitors. The competition officials involved have donated their time and talents to make this a great championship for you. They earnestly strive to make this absolutely the best championship of its type anywhere. They are unpaid volunteers who just want to make things better for you and for the sport.

Few teams make it to a state championship unless they have dedicated coaches who are willing to dedicate long hours and give up many personal activities to help others succeed. Thank the coaches and others who played a role in your success in earning your way here.

John Skinner
