GEORGIA HIGH SCHOOL ASSOCIATION

Region Sportsmanship Winner

“GEMC Cooperative Spirit Sportsmanship Award”

Interscholastic athletics are an integral part of the educational curriculum and experience. High school athletics promote the character development of the participants, enhance the educational mission and promote civility in society. Therefore, student-athletes, coaches, spectators and all others associated with high school activities programs should adhere to the fundamental values of respect, fairness, honesty and responsibility. These values should be established as a priority among all GHSA member high schools.

It is the responsibility of each member high school to establish policies for sportsmanship and ethical conduct consistent with the educational mission and goals of that school and to continually educate students, coaches, teachers, parents and all involved with those policies.

Activities provide an arena in which students grow as they understand and value these concepts of sportsmanship and teamwork. Activities provide opportunities for coaches and other school personnel to teach and model sportsmanship behaviors, school pride and student-community involvement. Sportsmanship is good citizenship in action.

Therefore –

Each region **MUST** submit an award-winning school. The region may use the GHSA criteria form, or use its own selection criteria or method. **Region selections need to be made by May 18th each year and submitted to the GHSA Office.**

Please consider the number of fines for violations by school.

We send the names of all winners to the Georgia Electric Membership Corporation and they will contact each winning school about setting up a presentation by a local GEMC Agent.

GHSA Sportsmanship Standards

The GHSA and its member schools have made a commitment to promote good sportsmanship by student/athletes, coaches, and spectators at all GHSA sanctioned events. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated, and are grounds for removal from the event site. Spectators are not allowed to enter the competition area during warm-ups or while the contest is being conducted. Thank you for your cooperation in the promotion of good sportsmanship at today's event.

Dr. James R. Hines, Jr. Executive Director Georgia High School Association

Region/Area Instructions

Competitive Cheerleading - Region

Region competitions will be held with the Region assignments and sites assigned by the GHSA. Communication between Region Secretaries and Competition Directors is essential. (NOTE: Coed Cheerleading and Class A Cheerleading are Sectional Tournaments and will be handled by the GHSA Office.)

The Region Secretaries (or their designees) of the Regions assigned to each site will confer and determine the procedures for their competition. It is crucial that all financial aspects be worked out by the Region Secretaries (or their designees) when planning the competition. See form provided for suggested information to be determined prior to the Region competition.

Order of performance should be determined in advance of the competition since several regions will be involved with the rotation of performance. When possible, the Region Secretary may be asked to assist with determining the order or be asked to provide the rotation order of the teams competing for their Region. The order for Coed and Single A rotation will be determined by the host and the State Director.

The Region Secretary should make sure the Host Director has the awards to be presented to their designated Region winners. (Awards will not be presented at Sectionals.)

The Host School is responsible for:

1. Set-up of the event and following the guidelines for the tournament as outlined by the GHSA.
2. Communicating schedules and event procedures to the schools attending.
3. A Financial Report form must be submitted, along with 5% of gate receipts, to the GHSA Office within 4 weeks of the end of the competition.
4. Submitting Region Winners to the GHSA Office and the designated representatives by the day after Region on the appropriate form. Deadlines must be met. Submission of winners will be submitted electronically by the Region Host immediately following the competition.
5. Rules for televising Sub-Region/Region competitions should be followed. Region rules determine whether or not a Region activity may be broadcast, televised, taped or filmed. Region permission must be arranged prior to the date of the contest.

Advancement to the Championship series will be as follows:

1. Region winners will be named and trophies will be given. All Regions in each classification will attend the same site.
2. The order will be a random draw after Region is complete.

3. All Class A teams will participate in Sectional Competition. The top 1A teams will be divided into 4 areas. The top 16 teams will advance to State Finals. Rosters should be completed electronically by October 1st.
4. COED DIVISION – There will be a single division (all Classifications) of Coed competition with no Region Competition. A team should have declared Coed by June 1st. The Coed Sectional Tournament will be held on the same day as the Region Tournaments. The top sixteen (16) teams would advance to State. (This format is subject to the number of Coed Teams who register to compete and there is a possibility the format could change based upon the number registering. .
There must be at least 16 teams participating in Coed in order to have a Coed Championship

****NOTE: Cheerleading is exempt from the sub-division alignments required in Region events.**

The GHSA Director and Coordinator will set sites and assign judging associations for each Region Competition Site.

1. Seven cheerleading officials will be required for all competitions.
2. Each host site is to secure impartial scorers and timer(s).
3. Format of the Region competition will be determined by the number of regions and teams assigned to the site and will be set by the Host Director.

GEORGIA HIGH SCHOOL ASSOCIATION
STATE LITERARY MEET
Instructions for Chairperson
Literary Interpretation

Two judges for each contest – judges are not to confer.

Judges will rank the contestants (1 thru 8 at State level) as well as give points. Ties will be broken by points. Points awarded by the judge must reflect the ranking of the judge.

Example: At State level where there are eight (8) regions competing, the rank of #1 must have the highest point total, the rank of #8 must have the lowest point total.

In a Region or State event, the judges will be seated in different parts of the room or auditorium and will render their decisions to the person in charge without conferring.

This is a contest in communication of prose, poetry, and/or dramatic literature. The contest is built on communication - one in which the contestant communicates the author's meaning to the audience. In order to do this the student must study and understand the selection and have an intense desire to share his/her understanding with the audience. This contest is one of interpretation rather than acting.

The material selected should be of good literary value and appropriate to the contest. The student gives to the audience a brief introductory statement about the selection(s) which is part of the total time allotted. The material must be memorized and delivered without use of a manuscript. In Duo, team members should have approximate equal roles. ("Eye contact and physical touch" are allowed in GHSA.)

No costumes, properties, musical, or sound effects may be used in the presentation.

The time limit shall not be more than ten (10) minutes, including the introduction. An official time keeper and time cards must be used. Do not disqualify because of exceeding the time limit. Adult time keeper will record times. Any school that exceeds time limit will be penalized (2) two points for each (15) fifteen second periods or portions thereof per judge. Time begins when the first word is spoken and ends ten (10) minutes later. (Remaining time should be given by time cards).

If order of appearance is not assigned, contestants will draw for order of appearance upon reporting to location of contest at the specified time or their position will be drawn for them.

Judges shall take into consideration the following: selection, communication skills, vocal technique, and physical technique.

Announce each contestant by number.

Mark top of each score sheet: Humorous, Dramatic, or Duo - Indicate Classification (AAAAAAA, AAAAAA, AAAAA, AAAA, AAA, AA, or A – Division 1 or Division 2).

List time each contestant used in proper place on score sheet.

At the conclusion of the contest, sign score sheets, take up the score sheets, place them in the envelope with the Master Summary Sheets (make sure envelopes and Master Summary Sheets match), seal and turn in, along with the contest folder and all materials, to the GHSA representative.

DO NOT announce results. 1st, 2nd, 3rd, and 4th places will be announced and posted by the GHSA representative.

Duo participants should have equal or fairly equal parts. An introduction or teaser must be included; however it does not have to be at the beginning. There is nothing in the GHSA rules and regulations referring to how many characters a speaker must develop in their presentation.

TRIO**

Two judges and a timer for each contest – judges are not to confer.

Judges will rank the contestants (1 thru 8 at State level) as well as give points. Ties will be broken by points. Points awarded by the judge must reflect the ranking of the judge.

Example: At State level where there are eight (8) regions competing, the rank of #1 must have the highest point total, the rank of #8 must have the lowest point total.

In a Region or State event, the judges will be seated so they can share presented music but must render their decisions to the person in charge without conferring.

One legal copy of music must be provided to judges.

Audiences shall not be excluded from this event. In order to protect the contestants, the chairman should request the audience to turn off cell phones and withhold applause of any trio until all of the selections given by that trio have been completed.

If the order of performance is not assigned, contestants are required to draw for order of appearance upon reporting to the location of the contest or their position will be drawn for them. Disqualification will result if performance time is not met. Show order of appearance by each name listed on the Master Summary Sheet. Announce each trio by number. Advise each trio that they are to announce their selections. Judges should list the selections on the score sheets on space provided.

Permit no contestant to compete other than those listed on the Master Summary Sheet without written directions from the Georgia High School Association Office.

Mark top of each score sheet: Trio - Indicate Classification (AAAAAAA, AAAAAA, AAAAA, AAAA, AAA, AA or A – Division 1 or Division 2)

Both selections shall be performed by the contestants from memory.

Trio may be with or without pianist. No other accompanist or recording may be used. Trios must furnish their own pianist.

Time for the trio is limited to eight (8) minutes. Time begins when the trio begins to sing their first number and ends eight (8) minutes after time has started. If the actual singing has ended prior to the expiration of the eight minutes of time, the trio is within the time limit. Adult time keeper will record times. ESSAY

Two judges for each contest - Argumentative, personal, and rhetorical essays will be judged separately. Each of the three judges must score two sets of essays. Example: Judge A – Argumentative and Personal, Judge B – Personal and Rhetorical, Judge C – Argumentative and Literary Analysis.

Regulations which govern the contest are listed in the *GHSA Constitution and By-Laws*.

After the contestants have assembled for the contest, present the 3 topics, 2 in Literary Analysis, from which each contestant will choose 1.

One (1) hour will be given for writing the essay. The contestants must not receive any coaching during the contest. A verbalized stop should be issued.

An essay is not to exceed 600 words (not a disqualification) and shall be written in ink.

Topic chosen is to be written at the top of the page, along with essay event (Argumentative, Personal, or Literary Analysis).

AFTER THE ESSAY HAS BEEN JUDGED, the meet official or tabulator should write the student's name, school, region and classification. **THIS IS IMPERATIVE.** Judges should not know this information before and during the judging.

The use of a dictionary or other reference material is not permitted during the contest.

The essay shall be judged by thesis and line of reasoning, content and development, analysis and support, organization and structure, style and sophistication. Verbal and grammatical correctness, spelling, and punctuation shall have weight, but shall be considered of less importance than the interest and general effectiveness of the whole composition. This is an on the spot writing contest, and evidence of pre-memorized composition shall weigh heavily against contestants.

Select 1st, 2nd, 3rd, and 4th places.

Do not judge as ties.

After essays have been judged, return essays and Master Summary Sheets with placements shown, along with the contest folder and all materials, to the GHSA desk.

DO NOT announce results. 1st, 2nd, 3rd, and 4th places will be announced and posted at the GHSA desk.

Students may pick up their essays at the GHSA desk after announcements of winners.
