4. Fight Song /Band Music
  - a. If a high school marching band records their school's **original** fight song, they will need to get the school's permission to use the song and recording.
  - b. If a team legally acquires a recording of a band playing a popular recording from an authorized provider (iTunes, Amazon, etc.), the song can be used if **no edits** are made to the music (other than for timing purposes).
  - c. **Music from streaming sites (YouTube, Apple Music Subscription) does NOT meet licensing requirements and cannot be used for this competition.**
  - d. A team cannot use a recording of their band playing a popular song (a cover) or other music without the proper permissions (such as a compulsory license)
5. Coaches will be required to provide proof of licensing, in the form of a printed copy, during team registration check-in at the event. Examples include:

  - e. **Recorded Band Music playing a SINGLE Musical Composition** –
    - If your school band has recorded a song for your cheer or dance team to utilize during competition or performance, you will need to show a Compulsory License or Mechanical License that allows you to use the recording of the song.
    - If your Band Director cannot provide this for you, please follow the instructions on the Quick and Easy Licensing document.

## SECTION II: PERFORMANCE CRITERIA

---

Teams will be evaluated on the practicality of Game Day material, the ability to effectively lead and engage the crowd, proper skill incorporations, performance, motions, dance, and overall routine. Game Day practicality is heavily emphasized. Performances should be prepared as they would for sideline leading at a school sporting event.

### A. GAME DAY FORMAT

The competition will consist of three Game Day elements. There should be no “organized” entrances when taking the floor for any of the performances. **Teams cannot build stunts or execute skills off the performance floor prior to the beginning of the routine—all skills must be executed DURING the routine and on the mat.** Mascots and flag runners must enter the floor with the team and should be used to raise crowd energy and participation.

#### 1 - Band Chant:

- One-minute time LIMIT
- Should have emphasis on crowd appeal and practicality.
- **QUALIFYING ROUND:** Teams will be announced, take the floor, and timing will begin with the first beat of music or organized movement. To clearly mark the end of the Band Chant, music should end, then teams should show spirit. Teams are discouraged from adding any words or organized movement following the end of the Band Chant music.
- Marching band music or drum cadence performance that encourages crowd interaction.
- No stunts or tumbling are permitted in this section. Jumps and kicks are allowed.

#### 2 - Crowd Leading:

- One-minute time LIMIT
- Sideline leadership that engages crowd response
- **QUALIFYING ROUND:** Timing begins with the sound of a BUZZER, which will occur **within 10 seconds** following the completion of the team’s BAND CHANT routine and while the team is spiriting on the floor. Timing begins immediately when the buzzer sounds, and the team should then execute its Crowd Leading performance.
- There will **not** be a buzzer to signify the **END** of this section.
- Skill restrictions:
  - No basket, sponge or elevator tosses allowed (cradles are considered dismounts, not tosses). Coed and “quick” tosses are permitted.
  - No inversions
  - No twisting dismounts from stunts
  - Single leg extended stunts are limited to liberties and liberty hitches.
  - No running tumbling.
  - Standing tumbling is limited to one tumbling skill at a time. A back tuck is the most elite standing tumbling skill allowed.

# 2024 GAME DAY STATE CHAMPIONSHIP RULES AND REGULATIONS

## 3 - Fight Song:

- One-minute time LIMIT
- Traditional school fight song performed to recorded marching band music.
- **QUALIFYING ROUND: Within 10 seconds of the completion of the Crowd Leading Section** and while the team is spiring on the floor, the coach or team representative will be responsible for starting the Fight Song music. Timing for Fight Song will begin with the first beat of music or organized movement, whichever comes first.
- Added or “Incorporated” skills (stunts, jumps and/or tumbling) are a component of the fight song score sheet. Up to three **CONSECUTIVE** eight-counts may be incorporated with stunts, tumbling and/or jumps. The three 8 counts of added skills (incorporation) can take place at any point in the routine and can (but does not have to be) repeated once if desired. **IF** repeated, the incorporation must repeat **exactly as initially performed**. To properly count any incorporation, start counting the 8-counts with the “dips” of the added skill(s)—the dip to jump, dip to tumble, dip of top person to load stunt, etc.). **REGARDLESS OF WHEN THE MUSIC ENDS**, counting of incorporated 8 counts will continue until the **routine** is complete or the skills are completed and back on the ground.
- Skill restrictions:
  - No basket, sponge or elevator tosses allowed (cradles are considered dismounts, not tosses)
  - No inversions
  - No twisting dismounts from stunts
  - Single-leg extended stunts are limited to liberties and liberty hitches
  - No running tumbling
  - Standing tumbling is limited to one skill at a time. A back tuck is the most elite tumbling skill allowed.

**STATE CHAMPIONSHIP ROUND** - Teams with the highest cumulative scores from the Qualifying Round will advance to the Finals. The number of teams advancing to the State Championships will be determined based on the number of teams participating in the Qualifying Round in each conference, with a maximum of 20 teams per conference. The State Championship Round will be preceded by a designated warm-up session.

Each STATE CHAMPIONSHIP ROUND performance will have an overall maximum performance time limit of three (3) minutes and will be performed in the following order:

1. Band Chant
2. Crowd Leading \*Beginning with Situational Response\* (see description below)
3. Fight Song

The entire performance will be executed in a continuous order, like the Qualifying Round. To continue the feel of a Game Day environment, **spirited crowd-leading interaction between each section is encouraged.**

**SITUATIONAL RESPONSE:** To imitate the Game Day environment, each team will respond to audio cues by a game announcer, as heard at a football or, by request only, a basketball game. Following the completion of the band chant, the announcer will give squads a game scenario indicating an offense or defense situation. Teams should show their definitive understanding of the situation with an OFFENSE or DEFENSE crowd-leading response. Squads should focus on crowd effectiveness, motion technique and skills relevant to game day. A general response would not meet the criteria. The Situational Response replaces the buzzer from the Qualifying Round.

# 2024 GAME DAY STATE CHAMPIONSHIP RULES AND REGULATIONS

**INTERFERENCE:** Coaches and/or athletes not on the performance floor may NOT assist or direct the squad (either verbally or nonverbally) with the situational response.

## B. SCORES AND RANKINGS

1. In the Qualifying Round, each team will be scored by multiple judges in each of the three categories. The cumulative scores from the three elements will determine which teams advance to the State Championship Round. If a tie occurs within the designated numbers of teams advancing to the state championship round, both teams will advance. If a tie occurs outside the number of teams advancing to the state championship round, the tie will stand.
2. The State Championship results, and team placements will be determined by the cumulative scores from the STATE CHAMPIONSHIP ROUND ONLY. Qualifying Round scores will NOT carry over to determine final team standings. However, if a tie occurs in the State Championship Round, the process will be:
  - A. The team with the least number of deductions in the State Championship Round will win the tie break.
  - B. If both teams have the same number of deductions in the State Championship Round, the cumulative score from the Crowd leading section in the State Championship Round will be utilized.
  - C. If a tie remains after completing Tie Breaker A and B; the officials will determine the order of placement for tied teams.
3. Scores and rankings will be available only to coaches as follows:
  - Qualifying Round - Score sheets will be made available to all teams following the Qualifying Round.
  - State Championship Round- Score sheets will be available to all teams after the State Championship Round awards ceremonies.
  - Comprehensive scores and rankings will be posted on the GHS A website after the competition.
4. The judges will score teams using the criteria listed on the GHS A Game Day State Championship score sheets.
5. **All scores and judges' decisions are considered final. There is no process to protest scores.**

## C. TIME LIMITATIONS

1. Timing will begin with the first group movement, voice, or beat of music, whichever comes first.
2. Acknowledging the potential variance in sound system and timing devices, judges will not issue a deduction until their stopwatches show a time of three (3) seconds over the time limit for the Qualifying Round and five (5) seconds over the time limit for the State Championship Round.
  - a. After variances are considered, a three (3) point deduction for 1-5 seconds over, Five (5) point deduction for 6-10 seconds over and Seven (7) point deduction for 11 seconds and over will be applied.
3. It is recommended that all teams practice and time performances prior to competition to allow for variations in sound equipment.
4. Introductions and exits:
  - a. All team breaks, rituals, and traditions need to take place backstage before a team is in the "on deck" or next to perform position.
  - b. Teams should take the floor immediately **with spirit and enthusiasm**, but without excessive gestures (i.e., teams must refrain from chest bumps, hugs, and handshakes) before and after the performances.
  - c. All teams should refrain from any type of excessive celebration following the team's performance. Any team in violation will receive a ONE-point deduction.
  - d. There should not be any organized exits or other activities after the official end of the routine.

## SECTION III: INTERRUPTION OF PERFORMANCE

---

### A. UNFORESEEN CIRCUMSTANCES

1. If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected will be directed to **STOP** the routine.
2. If directed to stop a routine, the team will perform the routine again in its entirety but will be evaluated only from the point where the interruption occurred.

### B. FAULT OF TEAM

1. In the event a team's routine is interrupted because of failure of the team's own equipment or team operator error, the team must either continue the routine or withdraw from the competition.
2. The competition officials will determine if the team will be allowed to perform later. If decided by officials, the team will perform the routine again in its entirety but will be evaluated only from the point where the interruption occurred.

### C. INJURY

1. All participants must follow the GHSAA safety regulations identified in this document. The only persons that may stop a routine for injury are **a)** competition officials, or **b)** the school coach from the team performing.
2. The competition officials will determine if the team will be allowed to perform later. If the competition officials allow a routine to be performed later, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The team may perform the routine again in its entirety but will be evaluated only from the point where the interruption occurred.
3. The injured participant that wishes to perform may not return to the competition floor unless the competition officials receive clearance from the on-site medical personnel and the school head coach of the competing team.
4. Any injured participant suspected of concussion must follow the GHSAA Concussion Policy regarding its treatment and be removed immediately from the competition.

## SECTION IV: INTERPRETATIONS AND RULINGS

---

### A. RULES & PROCEDURES

Any questions about the competition's rules or procedures will be handled exclusively by the school-employed coach of the team and directed to the Competition Director. Such questions should be made **PRIOR** to the team's competition performance.

The GHSAA Game Day State Championship Rules Committee will consist of a designated Competition Director, Head Judge and GHSAA staff. The school team and school coach must abide by all decisions made by the judges and Rules Committee. Any interpretation of the GHSAA Game Day State Championship rules and regulations or any decision involving any other aspect of the competition will be rendered by the Rules Committee.
