

Directors,

Congratulations on your region win! We are pleased to host this year's State One-Act Play competition and hope your day on our campus will be a great experience for you and your students. I have included below information that will help you navigate the day. If you have any questions, please reach out to us at 770-834-2116. Mr Tyler Boyle, our department assistant, will be glad to help.

The Mabry Arts Center on our campus is the event site located at 201 Trojan Drive, Carrollton, Georgia, 30117. Upon arrival, buses may drop off at the driveway in front of the Arts Center. Once you arrive in the center, please check in at the table in the lobby. At check-in, you will be given a packet with the following information:

1. A program for the day's performances
2. An introduction to your student docent who will assist you as you navigate the day.
3. A card listing your school's schedule and dressing room assignment.

Please communicate with your students and volunteers that food or drink are not allowed in the theatre during the competition. Schools may have food and drink in our lobby. Once a show has begun, ushers will not allow anyone to enter or exit the theatre.

Logistically, the order of plays was posted earlier this year in the GHSA By-Laws. Based on this, our schedule for the day is as follows:
