Site Director

Kirk Grizzle, theatre director at Denmark High School

kgrizzle@forsythk12.org

Parking

Outside of the theater entrance (bus lanes)

Use the following address for the easiest entrance to the theater location.
444 Fowler Rd, Alpharetta, GA 30004

Dressing Rooms

Denmark has two small dressing rooms. These dressing rooms will be available to shows while they are performing. You must clear all belongings from the dressing rooms as soon as your show is complete.

**DRESSING ROOMS ARE CHANGING AREAS ONLY
DO NOT LEAVE BELONGINGS IN THE DRESSING ROOMS**

Classroom

Your school will be provided a classroom to use throughout the day. Please be mindful of the space and leave it as you found it, please.

Lighting

ETC Element

9 Standard Lighting Areas

Full Wash

Two Follow Spots - Back corners of the house

Red, Green, Blue CYC

Warm Wash

Cool Wash

Sound

(1) One auxiliary cable will be available at the sound booth for audio. You must supply the device and control the level.

If you are using any type of microphone system, you must bring your own sound system.

If you are doing a musical and are using mics, you must supply your own sound equipment and sound manager.

Cell Phones

We will have strict cell phone policy during performances. Please remind students to turn off cell phones during ALL performances.

Food and Drink Policy

Food and drinks **will not** be allowed inside the theater. NO EXCEPTIONS. Sealed water bottles are the only exception. Food/drinks will need to be consumed outside of the theater. Please communicate this to your students and boosters.

Unauthorized Locations

Please make sure your students and parents are supervised at all times. Students and/or parents who are found in unauthorized locations will be asked to leave the campus and will not be allowed to return.

Load-In

The loading dock is located at the back of the fine arts wing of the building. It is a shared loading dock with band, engineering and theater. It is a ground level loading dock.

The loading dock door is 10' tall and 10' wide.

You will have to pass through a hallway that is 12' wide and 10' tall

The load-in door to the stage is 10' wide and 12' tall.

Please keep to the schedule. If you have larger pieces that need to be assembled, please prepare to do those outside before your assigned load-in time (weather permitting). No assembly can happen in the scene shop while other shows are performing. Please prepare to do any assembly outside or during your 15 minute walk-through.

Load-out

As soon as you are finished with your show, you MUST load-out directly to your truck.
